CONSUMPTION GUIDELINES

To open the bottle, twist the cap counter-clockwise until it breaks the seal. Consume directly from the bottle or pour into a glass.

Serving Suggestion: Best served cold. For a refreshing experience, ensure the tea is well-chilled before opening.

Storage: Store unopened bottles in a cool, dry place away from direct sunlight. Once opened, refrigerate promptly and

consume within 3 days to maintain freshness and quality.

CARE AND DISPOSAL

Bottle Care: The bottles are designed for single use and are not intended for refilling. Please do not attempt to reuse the bottles for other liquids.

Disposal: Please recycle empty bottles according to your local recycling guidelines. The bottles are made of recyclable plastic materials.

COMMON INQUIRIES (TROUBLESHOOTING)

Q: Why does my tea taste different?

A: Ensure the product has been stored correctly (in a cool, dry place, away from direct sunlight) and consumed before its expiration date. Extreme temperature fluctuations can sometimes affect the flavor profile of the tea.

Q: Is there sediment at the bottom of the bottle?

A: As a natural tea product, minor sediment may settle at the bottom of the bottle. This is normal and does not affect the product's quality or safety. Gently shake the bottle before opening if desired.
