SOLRIG Panel 96"(25"x4)W×78.58"H+Track Kit 5 Lite Frosted Glass

SOLRIG Sliding Closet Door Instruction Manual

Model: Panel 96"(25"x4)W×78.58"H+Track Kit 5 Lite Frosted Glass

INTRODUCTION

Thank you for choosing the SOLRIG Sliding Closet Door. This manual provides essential information for the safe and correct assembly, installation, operation, and maintenance of your new sliding door system. Please read all instructions carefully before beginning installation and retain this manual for future reference.

SAFETY INFORMATION

- Always wear appropriate safety gear, including gloves and eye protection, during assembly and installation.
- Ensure the installation area is clear of obstructions and that you have adequate space to work.
- Verify that the wall structure can support the weight of the sliding doors and hardware.
- Handle glass panels with care to prevent breakage and injury. The glass is shatter-resistant, but caution is still advised.
- Keep small parts and hardware out of reach of children.
- If you are unsure about any step, consult a qualified professional.

PACKAGE CONTENTS

Your SOLRIG Sliding Closet Door package includes the following components:

- Four (4) door panels, each 25" width × 78.58" height, with 5 Lite Frosted Glass design.
- Two (2) sliding tracks.
- Handles (finger pulls).
- Pulleys (roller kit).
- Fascia.

- Floor guide.
- All necessary assembly hardware.
- Step-by-step instruction manual (this document).

Note: Please inspect all components upon receipt. If any parts are missing or damaged, contact customer support immediately.

SETUP AND INSTALLATION

The SOLRIG Sliding Closet Door system is designed for easy assembly with pre-drilled panels and a complete hardware kit. Follow the included step-by-step instructions carefully.

Key Components:

- **Door Panels:** Crafted from durable MDF with a white PVC surface, featuring shatter-resistant frosted glass.
- **Sliding Track:** The upper track guides the door rollers for smooth movement.
- **Handles (Finger Pulls):** Provide a secure and comfortable grip for opening and closing the doors.
- **Pulleys (Roller Kit):** Ensure flexible and quiet operation on the track.
- **Floor Guide:** Keeps door panels aligned and stable at the bottom.

Sliding Closet Door Finger Pull

It provides a secure and comfortable grip, making it easier to open and close the door smoothly

OPERATING INSTRUCTIONS

To operate your SOLRIG Sliding Closet Door:

1. Grasp the integrated finger pull on the door panel you wish to move.
2. Gently slide the door along the track in the desired direction. The rollers are designed for smooth and quiet movement.
3. Ensure the door is fully open or closed to prevent accidental movement.

MAINTENANCE

Regular maintenance will ensure the longevity and smooth operation of your sliding closet doors.

- **Cleaning the Panels:** The white PVC surface is easy to clean. Use a soft, damp cloth with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning the Glass:** Use a standard glass cleaner and a soft cloth for the frosted glass panels.

- **Track Maintenance:** Periodically clean the sliding tracks to remove dust and debris that can impede smooth operation. A vacuum cleaner with a brush attachment can be effective.
- **Hardware Check:** Annually, inspect all screws and hardware components to ensure they are secure. Tighten any loose fasteners.

TROUBLESHOOTING

Common Issues and Solutions:

- **Door does not slide smoothly:** Check the tracks for debris and clean them thoroughly. Inspect the rollers for any damage or obstructions. Ensure the floor guide is properly aligned.
- **Door panels are misaligned:** Verify that the floor guide is correctly installed and that the rollers are seated properly in the track. Adjustments may be needed to the roller height if applicable.
- **What if the product arrives damaged or something is missing?** Please reach out to our customer support team right away. We are committed to your satisfaction and will resend you a free replacement to ensure you have a good shopping experience.

WARRANTY

SOLRIG products are manufactured to high-quality standards. While specific warranty details are not provided in this manual, we stand by the quality of our products. For any concerns regarding defects in materials or workmanship, please contact our customer support team.

CUSTOMER SUPPORT

We are committed to your satisfaction. If you have any questions or concerns before or after your purchase, our friendly support team is ready to assist you.

You can contact us through the Amazon platform by navigating to your order details and selecting the 'Ask a question' option for the seller, SOLRIG.
