Image 1.2: The crate integrated into a home environment as a furniture piece.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Always ensure all parts are securely fastened before allowing your pet to use the crate.
- Do not exceed the maximum weight capacity of **180 lbs** for the crate structure.
- Regularly inspect the crate for any loose parts, damage, or wear. Discontinue use if damage is found.
- Keep small children away from the assembly area. Small parts may pose a choking hazard.
- This product is designed for indoor use only.
- Ensure the crate is placed on a stable, level surface.
- Do not allow pets to chew on wooden components. While designed with chew resistance, excessive chewing can cause damage.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Wooden Panels (Top, Bottom, Side Panels)
- Metal Mesh Panels (for doors and sides)
- Metal Frame Components
- Door Latches and Hinges
- Assembly Hardware (screws, bolts, nuts, Allen wrench)
- Instruction Manual

Product size

What should you do before ordering?

Step 1. Length

Measure the length from the nose to the tail by keeping your dog in normal standing.

Step 2. Height

Measure the height from the head to the paws by keeping your dog in normal sitting.

Warm Tips:

If you want your dog to stay comfortable, please measure them when laying down and stretching out like they normally sleep.

5. ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward. All components are labeled, and a step-by-step guide is provided. No special tools are required beyond what is included.

5.1 Before You Begin

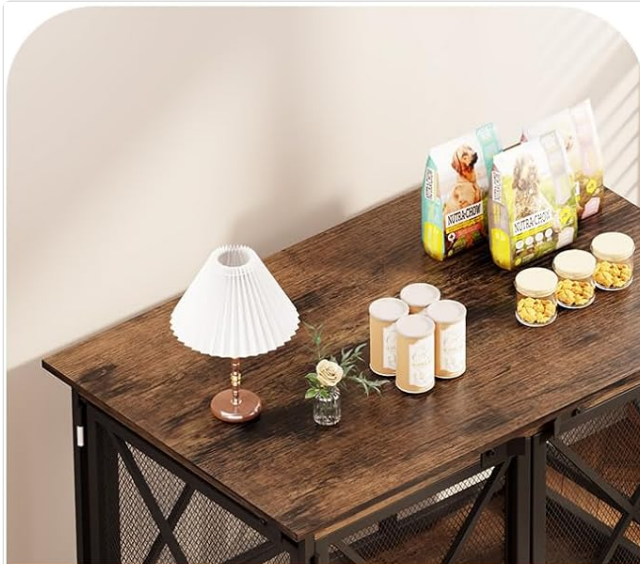

- Clear a spacious area for assembly.
- Unpack all components and verify against the package contents list.
- Familiarize yourself with the hardware.

5.2 Step-by-Step Assembly

1. **Attach Side Panels to Base:** Secure the side wooden panels to the bottom wooden panel using the provided screws. Ensure the orientation is correct for door placement.
2. **Install Metal Frame:** Connect the metal frame components to the wooden structure. The triangular frame

design provides enhanced stability.

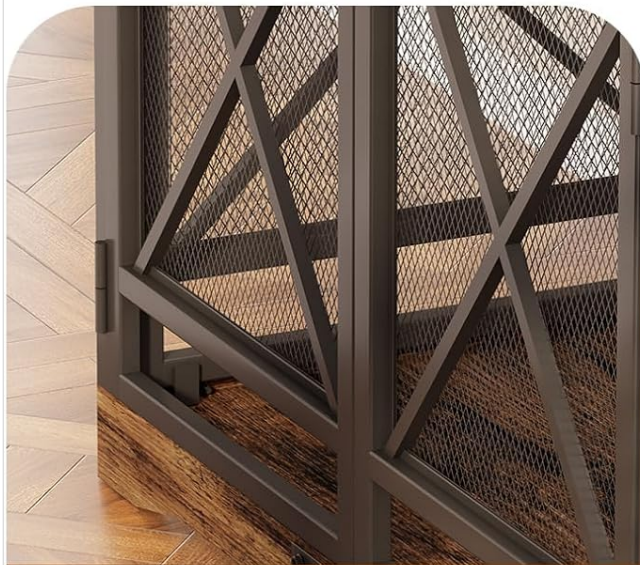

3. **Attach Top Panel:** Place the top wooden panel onto the assembled structure and secure it with screws.
4. **Install Doors:** Attach the metal mesh doors to the designated openings using hinges. Ensure smooth operation.
5. **Secure Latches:** Install the secure door latches on both doors. Test the locking mechanism to ensure it functions correctly.
6. **Final Check:** Verify all screws and bolts are tightened. Ensure the crate is stable and all parts are aligned.

Spacious Tabletop

Secure Door Latch

Enhanced Metal Tube

Crafty Furniture Style

Image 5.1: Key structural and functional features of the crate, illustrating components like the secure latch and metal tubing.

6. OPERATION

6.1 Placing Your Pet Inside

- Open one or both of the double doors.
- Guide your dog into the crate.
- Close the doors and engage the secure latches.

XL Large Size Dog Kennel

Release spacious cozy space for your beloved

Image 6.1: A dog resting comfortably inside the spacious crate.

6.2 Using as Furniture

The sturdy top surface can be used as an end table or decorative surface. Ensure items placed on top do not exceed the weight capacity of the tabletop and are stable.

Furniture Style Dog Crate

Well-designed to blend with home decor

Image 6.2: Crate functioning as a furniture piece, blending with home decor.

7. MAINTENANCE AND CARE

7.1 Cleaning

- Wipe down wooden surfaces with a damp cloth and mild cleaner. Avoid abrasive cleaners.
- Clean metal mesh with a damp cloth. For stubborn dirt, use a soft brush.
- Ensure all surfaces are dry before allowing your pet back into the crate.

7.2 Inspection

- Periodically check all screws and connections for tightness. Tighten as needed.
- Inspect metal mesh for any bends or breaks.
- Examine wooden panels for any signs of damage or excessive chewing.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Crate feels unstable.	Loose screws or uneven surface.	Ensure all screws are tightened. Move the crate to a level surface.
Doors do not close properly.	Misaligned hinges or latches.	Adjust hinge alignment. Check for obstructions.
Pet attempts to chew on crate.	Behavioral issue or lack of appropriate chew toys.	Provide suitable chew toys. Consult a veterinarian or dog trainer for behavioral guidance.

9. WARRANTY AND SUPPORT

COZPAW stands behind the quality of its products. For any questions, missing parts, or issues not covered in this manual, please contact COZPAW customer support. Refer to your purchase documentation for specific warranty details.

Customer Support: Please refer to the contact information provided with your purchase or visit the official COZPAW website.
