## OPERATING INSTRUCTIONS

### Dual Driving Modes

Your Lamborghini toy car offers two primary modes of operation:

- **Child Manual Control:** The child can operate the car using the steering wheel and foot pedal.
- **Parent Remote Control:** For younger children or for safety, parents can override manual control using the included remote. The remote allows for forward, reverse, and steering control.

### Features and Functions

- **Music Player:** The car features a multifunctional control panel with Bluetooth connectivity, MP3 player, and USB input for playing music and stories.
- **LED Headlights:** Functional LED headlights enhance realism and visibility.

- **Scissor Doors:** The car is equipped with realistic scissor doors that open upwards.
- **Seatbelt:** A comfortable seat with a seatbelt is included for child safety.
- **Towing Feature:** Rear wheels are designed to allow for easy towing of the car when the battery is low or for convenient transport.
