Oraolo OE03

Oraolo OE03 Open Ear Headphones User Manual

Model: OE03

INTRODUCTION

Thank you for choosing the Oraolo OE03 Open Ear Headphones. These headphones are designed to provide a comfortable listening experience while maintaining situational awareness. Featuring advanced Bluetooth 5.3 technology, dual large drivers for immersive stereo sound, and crystal-clear call quality, the OE03 is perfect for daily use, sports, and on-the-go activities. This manual will guide you through the setup, operation, and maintenance of your new headphones.

KEY FEATURES

True Open-Ear Design & Comfort

The Oraolo OE03 features a completely true open-ear design, allowing the earbuds to rest gently and firmly on your ears without entering the ear canal. This design reduces stress and potential hearing loss associated with extended wear of in-ear headphones. The ergonomic design with ultra-soft silicone cushion ensures an incredibly comfortable experience, preventing pinching or blockage of the ear canal.

Open-Ear Design for Ultimate Comfort

<p>Reject R/L Hold x 2s</p>			<p>Next song Tap x3 R</p>
<p>Voice assistant R/L Hold x 2s</p>			<p>Volume up Click x1 R</p>

Image: A diagram illustrating the directional sound technology that minimizes sound leakage while providing dynamic low-frequency enhancement.

Extended Playtime

Enjoy up to 6 hours of play on a single charge. With the included charging case, the total battery life extends to an impressive 30 hours, providing comfortable, uninterrupted listening. The international universal Type-C charging port allows for quick charging, taking 1-2 hours to fully charge the case.

Up to 30H Long Playtime

Crystal Clear Calls

The OE03 open ear Bluetooth headphones feature built-in dual microphones with environmental noise reduction technology. This technology monitors surrounding sounds and produces an opposite signal to reduce background noise, ensuring crystal-clear calls as if you are communicating face-to-face.

Crystal Clear Calls

Dual mics with AI call noise cancellation technology

Latest Bluetooth 5.3 Connectivity

Adopting the latest Bluetooth 5.3 technology, the OE03 offers 2 times the transmission speed, ensuring no signal loss or music interruption. These open ear wireless headphones are compatible with any Bluetooth-enabled devices, including smartphones, computers, and TVs.

Situational Awareness & Durability

The open-ear design allows you to enjoy your music while remaining aware of your surroundings, which is crucial for outdoor activities like running or cycling. The headphones are also designed to be waterproof, making them suitable for sports and various weather conditions.

Safety and Awareness

Enjoy music and keep aware of your surrounding

SETUP GUIDE

1. Charging the Headphones and Case

Before first use, fully charge the headphones and the charging case. Connect the provided Type-C charging cable to the charging port on the case and plug the other end into a USB power adapter (not included). The indicator lights on the case will show the charging status. A full charge typically takes 1-2 hours for the case.

2. Wearing the Headphones

The OE03 headphones are designed for an easy and secure fit.

1. **Step 1:** Confirm to take the earbuds as shown in the figure.
2. **Step 2:** From top to bottom, place the ear hook behind your ear.
3. **Step 3:** Adjust by twisting for comfort and security.
4. **Step 4:** Complete.

Image: A step-by-step visual guide demonstrating the correct way to wear the Oraolo OE03 headphones for optimal comfort and secure fit.

3. Pairing with Your Device

To connect your OE03 headphones to a Bluetooth-enabled device:

1. Open the charging case. The headphones will automatically enter pairing mode (indicator lights will flash).
2. On your device (smartphone, tablet, computer), go to Bluetooth settings.
3. Search for available devices and select "Oraolo OE03" from the list.
4. Once connected, the indicator lights on the headphones will stop flashing, and you will hear a confirmation tone.

OPERATING INSTRUCTIONS

The Oraolo OE03 headphones feature intuitive touch controls on each earbud. Refer to the diagram below for specific

functions:

Image: A detailed diagram illustrating the touch control functions on both the left and right Oraolo OE03 earbuds for music playback, call management, and voice assistant activation.

Touch Control Functions

Function	Action	Earbud (L/R)
Play/Pause	Tap x 1	R/L
Answer/Hang up Call	Tap x 1	R/L
Reject Call	Hold 2s	R/L
Voice Assistant	Hold 2s	R/L
Previous Song	Tap x 3	L
Next Song	Tap x 3	R
Volume Down	Tap x 2	L
Volume Up	Tap x 2	R

MAINTENANCE

- **Cleaning:** Gently wipe the headphones and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals, cleaning solvents, or strong detergents.
- **Storage:** When not in use, store the headphones in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the headphones and case frequently. Charge them regularly, even if not in constant use.

TROUBLESHOOTING

Common Issues and Solutions

Problem	Possible Cause	Solution
Headphones not turning on	Low battery	Place headphones in the charging case and ensure the case is charged.
Cannot pair with device	Bluetooth off; headphones not in pairing mode; device too far	Ensure Bluetooth is enabled on your device. Open the charging case to enter pairing mode. Keep headphones within 10 meters of your device.
No sound from one earbud	Earbud not connected; low battery	Place both earbuds back into the charging case, close it, then open it again. Check battery levels.
Poor sound quality	Weak Bluetooth signal; interference	Move closer to your device. Avoid strong electromagnetic interference.
Headphones disconnect frequently	Low battery; interference; outdated firmware	Charge headphones. Move away from sources of interference. Check for firmware updates (if applicable).
