Qecnato S68

Qecnato S68 Smart Watch User Manual

MODEL: S68

1. Introduction

Thank you for choosing the Qecnato S68 Smart Watch. This manual provides detailed instructions to help you set up, operate, and maintain your device. Please read this manual carefully before use to ensure optimal performance and longevity of your smartwatch.

2. Package Contents

Please verify that all items are present in your package:

- Qecnato S68 Smart Watch
- Magnetic Charging Cable
- User Manual

3. Setup Guide

3.1 Initial Charging

Before first use, fully charge your Qecnato S68 Smart Watch. Connect the magnetic charging cable to the charging contacts on the back of the watch and plug the USB end into a standard USB power adapter (not included) or a computer USB port. The watch display will indicate charging status.

Image Description: A Qecnato S68 Smart Watch is shown with its magnetic charging cable attached to the back, indicating the charging process. The image also illustrates the watch's IP68 waterproof rating by showing it partially submerged in water.

3.2 App Installation

To unlock the full functionality of your smartwatch, download and install the 'GloryFit' application on your smartphone. The app is available for both Android and iOS devices.

- **For Android:** Search for 'GloryFit' on the Google Play Store.
- **For iOS:** Search for 'GloryFit' on the Apple App Store.

Follow the on-screen instructions to complete the app installation.

3.3 Device Pairing

After installing the app, open it and create an account or log in. Follow these steps to pair your smartwatch:

1. Ensure Bluetooth is enabled on your smartphone.
2. Open the 'GloryFit' app and navigate to the 'Device' or 'Add Device' section.
3. The app will search for available devices. Select 'S68' from the list.
4. Confirm the pairing request on both your smartphone and the smartwatch.

4. Operating Instructions

4.1 Basic Navigation

- **Touch Screen:** Swipe left/right, up/down to navigate through menus and functions. Tap to select.
- **Side Button:** Press to return to the previous screen or wake the display. Long press for power options.

4.2 Bluetooth Call Function

Once paired, your S68 Smart Watch supports Bluetooth calls, allowing you to make and receive calls directly from your wrist.

Image Description: The Qecnato S68 Smart Watch is prominently displayed, showing its main watch face with time, date, and battery level. Insets illustrate the watch's call features, including an incoming call screen with caller ID and options to answer or decline, and a menu for contacts, call history, and a dial pad.

Image Description: This image shows a man checking his Qecnato S68 Smart Watch as it displays an incoming call. Below, a woman is shown talking on her phone while her watch displays a Facebook notification. Icons for microphone, call logs, speaker, dial pad, and SMS are also visible, highlighting the watch's communication capabilities.

4.3 Notifications

Receive notifications for calls, SMS, and various social media apps directly on your watch. Ensure notification permissions are granted in the 'GloryFit' app and your phone's settings.

4.4 Health Monitoring

The S68 Smart Watch provides 24/7 real-time health monitoring features:

- **Heart Rate Monitor:** Tracks your heart rate throughout the day.
- **Sleep Monitor:** Automatically monitors your sleep patterns, including deep sleep, light sleep, and awake time.

All-Round Health Monitor

Stay on top of your health with 24/7 real-time monitoring

Image Description: A person is shown sleeping while wearing the Qecnato S68 Smart Watch. The watch display shows sleep tracking data, indicating total sleep duration, deep sleep, and light sleep periods.

4.5 Sports Modes

The watch supports over 112 sports modes to track your activity, including steps, calories burned, and distance covered.

112+ Sports Modes

Stay on top of your health with 24/7 real-time monitoring

22531 Steps

1086Kcal

8.35 Km

Image Description: This image features four individuals engaged in different sports: running, swimming, playing basketball, and hiking. Below them, the Qecnato S68 Smart Watch is shown displaying activity data such as steps, calories, and distance, alongside a variety of icons representing over 112 sports modes.

4.6 Custom Watch Faces

Personalize your watch with over 100 built-in watch faces available through the 'GloryFit' app. You can also customize your watch face using your own photos.

1.95" HD Colorful Screen

100+ built in watch faces in GloryFit app
customize your watch face

Image Description: The Qecnato S68 Smart Watch is centered, showcasing its 1.95-inch HD colorful screen. Surrounding it are several smaller images of the watch displaying various customizable watch faces, highlighting the wide range of aesthetic options available.

4.7 Other Functions

The S68 Smart Watch includes additional useful features:

- Weather Forecast
- Music Control
- Camera Control
- Sedentary Reminder
- Breathing Exercises
- Timer and Stopwatch
- Find Phone function
- Brightness Adjustment
- Menstrual Cycle Tracking

Multifunction smart watch

Image Description: This image presents the Qecnato S68 Smart Watch at its center, surrounded by icons representing various functions such as weather forecast, breathing exercises, timer, stopwatch, find phone, brightness adjustment, music control, camera control, do not disturb, message notification, menstrual cycle, and setup. Several smaller watch face displays show examples of these functions in action.

5. Maintenance

5.1 Water Resistance (IP68)

The Qecnato S68 Smart Watch is IP68 waterproof, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. It is suitable for daily use, including hand washing, rain, and swimming. However, it is not recommended for hot showers, saunas, or diving, as steam and hot water can compromise the seal.

5.2 Cleaning

Regularly clean your watch and strap to prevent skin irritation and maintain device hygiene. Use a soft, damp cloth to wipe the watch. Avoid using harsh chemicals or abrasive materials.

6. Troubleshooting

If you encounter issues with your Qecnato S68 Smart Watch, please refer to the following common

solutions:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Unable to pair with phone:**
 - a. Ensure Bluetooth is enabled on your phone and the watch is within range.
 - b. Restart both your phone and the watch.
 - c. Clear the Bluetooth cache on your phone (Android) or forget the device (iOS) and try pairing again.
 - d. Ensure the 'GloryFit' app has all necessary permissions.
- **Notifications not appearing:**
 - a. Check notification settings within the 'GloryFit' app.
 - b. Verify that your phone's notification settings allow the 'GloryFit' app to send notifications.
 - c. Ensure the watch is not in 'Do Not Disturb' mode.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean the sensor on the back of the watch.
- **App requires a code:** If the app prompts for a code during setup, this is typically a pairing code displayed on the watch screen during the Bluetooth connection process. If no code is displayed, try restarting the pairing process or consult the app's help section.
- **No silent mode/Watch rings during calls:** Check the watch's sound settings and the 'GloryFit' app's settings for options to mute or silence incoming call alerts on the watch. Ensure your phone's media volume is adjusted as desired.

If problems persist, please refer to the support information in Section 8.

7. Specifications
