CUBIMANA SC9916

CUBIMANA The Starry Night Building Set (Model SC9916) Instruction Manual

1. Introduction

This manual provides instructions for the assembly, operation, and maintenance of your CUBIMANA The Starry Night Building Set, Model SC9916. This set allows you to construct a three-dimensional representation of Vincent Van Gogh's famous painting using 1501 mini building blocks, and includes an LED light string to enhance the display.

2. Safety Information

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years. This product contains small components that may pose a choking hazard if swallowed.

Adult supervision is recommended during assembly, especially for younger users (minimum age 10 years).

3. Package Contents

Verify that all components are present before beginning assembly. Your CUBIMANA The Starry Night Building Set package should contain:

- 1501 x 3.6mm Mini Building Blocks
- 1 x LED Light String
- 1 x Instruction Manual

Figure 2: Product packaging and a visual comparison of mini block sizes (3.6mm) to standard blocks.

4. Setup and Assembly

Follow the detailed, step-by-step instructions provided in the included Instruction Manual for proper assembly. The building process involves:

4.1 Unpacking

Carefully open the product packaging and remove all contents. Keep the blocks organized by color or shape as suggested in the manual to facilitate assembly.

4.2 Building the Model

Assemble the 1501 mini blocks according to the diagrams and instructions. Note that these are 3.6mm mini bricks and are not compatible with larger, major building block brands.

4.3 Installing LED Lights

Once the main structure is complete, carefully thread the LED light string through the designated areas as indicated in the instruction manual. Ensure the lights are securely placed to achieve the desired illuminated effect.

5. Operating Instructions

5.1 Powering the LED Lights

The LED light string requires batteries (not included). Insert the required batteries into the battery compartment, following the polarity markings. Use the switch on the battery pack to turn the LED lights on or off.

5.2 Displaying Your Artwork

Position your completed and illuminated CUBIMANA The Starry Night Building Set on a stable, flat surface. The integrated LED lights are designed to create a cozy and artistic ambiance, making it an ideal decorative piece for various settings.

6. Maintenance and Care

- **Cleaning:** To clean the model, gently wipe it with a dry, soft cloth. Avoid using harsh chemicals or abrasive materials, as these can damage the plastic blocks or LED components.
- **Storage:** Store the assembled model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic.
- **Handling:** Handle the model with care to avoid dislodging blocks or damaging the LED light string.

7. Troubleshooting

- **Missing Pieces:** If you find any missing blocks, please refer to the contact information in the Warranty and Support section to request replacements.
- **LED Lights Not Working:**
    1. Ensure batteries are correctly inserted with the correct polarity.
    2. Check if the batteries are fresh and fully charged.
    3. Verify that the power switch on the battery pack is in the 'ON' position.
    4. Inspect the LED light string for any visible damage or loose connections.
- **Difficulty Assembling:** Refer to the detailed diagrams and instructions in the included manual. Ensure you are using the correct blocks for each step, paying attention to the 3.6mm mini block size.
