YATINEY DS02BB

YATINEY TV Stand Model DS02BB Instruction Manual

Model: DS02BB

PRODUCT OVERVIEW

The YATINEY TV Stand Model DS02BB is an entertainment center designed to accommodate televisions up to 55 inches. It features a sturdy construction with two fabric drawers and two mesh shelves, providing organized storage for media devices, accessories, and other items. Its modern industrial design integrates well into various living spaces, including living rooms and bedrooms.

SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- Always secure the TV stand to the wall using the provided anti-tip kit to prevent tip-overs, especially if small children or pets are present.
- Do not place heavy items on the top surface or shelves beyond the specified weight limit to avoid structural damage or tip-overs.
- Be cautious of sharp edges when handling and assembling the product. Keep all small parts and assembly tools away from children and pets.
- Ensure the TV stand is placed on a level and stable surface.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x TV Stand (main frame and panels)
- 1 x Accessory Package (screws, bolts, connectors)
- 1 x Anti-Tip Kit
- 1 x Assembly Manual (this document)

ASSEMBLY INSTRUCTIONS

Assembly is required for this TV stand. All parts are numbered, and a detailed illustrated manual is included in the package. Please follow the steps carefully for proper assembly.

1. **Unpack and Identify Parts:** Lay out all components on a clean, soft surface to prevent scratches. Identify each part by its corresponding number or letter as shown in the included manual.
2. **Assemble the Frame:** Begin by connecting the main metal frame components using the provided hardware. Do not overtighten screws until the entire frame is loosely assembled.
3. **Attach Shelves:** Secure the mesh shelves to the designated areas of the frame. Ensure they are level and firmly attached.
4. **Install Top Panel:** Place and secure the top panel onto the assembled frame.
5. **Insert Fabric Drawers:** Assemble the fabric drawers according to their specific instructions and slide them into their compartments.
6. **Final Tightening:** Once all components are in place, systematically tighten all screws and bolts to ensure the stand is stable and secure.
7. **Attach Anti-Tip Kit:** Securely attach the anti-tip kit to the back of the TV stand and to a wall stud, following the specific instructions provided with the kit. This step is crucial for safety.

OPERATING INSTRUCTIONS

The YATINEY TV Stand is designed for straightforward use. Once assembled and secured, it provides functional storage and a stable platform for your television.

- **Placing Your TV:** Carefully place your television on the top surface of the stand. Ensure the TV's base is fully supported and centered. This stand is suitable for TVs up to 55 inches.
- **Utilizing Storage:**
 - **Fabric Drawers:** Use the two fabric drawers for storing smaller items such as remote controls, DVDs, game controllers, magazines, or other personal belongings.
 - **Mesh Shelves:** The open mesh shelves are ideal for media devices like game consoles, soundbars, DVD players, or for displaying decorative items. The open design promotes air circulation, which can help with heat dissipation for electronic devices.

Dual Fabric Drawers

Provide room for magazines, remotes and more.

MAINTENANCE

Regular maintenance will help preserve the appearance and longevity of your TV stand.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as they may damage the finish.
- **Dusting:** Dust regularly with a dry, soft cloth.
- **Drawer Care:** The fabric drawers can be spot cleaned with a mild detergent and water. Allow to air dry completely.
- **Hardware Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Stand is wobbly or unstable.	Screws are loose; uneven floor; anti-tip kit not installed.	Ensure all screws are tightened. Move the stand to a level surface or use shims if needed. Install the anti-tip kit as instructed.
Parts are missing or damaged.	Packaging error or shipping damage.	Do not proceed with assembly. Contact YATINEY customer support with your product model and a description of the issue.
Drawers do not slide smoothly.	Incorrect assembly of drawer supports or fabric drawers.	Review the assembly steps for the drawers and their compartments. Ensure they are inserted correctly and not obstructed.
