Hogokids SC9919

HOGOKIDS Advent Calendar 2025 Nutcracker Theater Building Set with Light

Model: SC9919

Brand: Hogokids

INTRODUCTION

This instruction manual provides detailed guidance for assembling and operating your HOGOKIDS Advent Calendar 2025 Nutcracker Theater Building Set. Please read all instructions carefully before beginning assembly to ensure a correct and enjoyable building experience.

The set features 1,690 mini building blocks designed to create a festive Nutcracker theater scene, complete with four Nutcracker figures, eight minifigures, and an integrated LED lighting effect. It is designed as a 24-day countdown activity, revealing new components daily.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not suitable for children under 3 years.

This product contains small parts which may pose a choking hazard. Adult supervision is recommended during assembly and play, especially for younger children. Please keep all unbuilt pieces and completed models away from infants and toddlers.

ASSEMBLY INSTRUCTIONS

This Advent Calendar is designed for a daily building experience from December 1st to 24th. Each numbered box contains the pieces and instructions for a specific part of the overall scene or a new figure.

General Assembly Steps:

1. **Unpack Daily Box:** Each day, open the corresponding numbered box. Inside, you will find a sealed bag of building blocks and a small instruction leaflet for that day's build.

2. **Follow Instructions:** Refer to the included daily instruction leaflet to assemble the components. The instructions are intuitive and visually guided.

3. **Integrate into Scene:** As you progress, the individual daily builds will combine to form the complete Nutcracker theater scene. The main theater structure is built over several days, along with the Nutcracker figures and other festive elements.

4. **Rotating Christmas Tree:** The theater features a rotating Christmas tree. Ensure the mechanism is assembled correctly according to the daily instructions for the relevant day.

Video: A demonstration of assembling various small Christmas-themed building block models, similar to the daily builds in this Advent Calendar set. This video illustrates the general process of opening daily boxes and constructing the mini models.

OPERATING THE LED LIGHTING

The Nutcracker Theater Building Set includes an LED lighting feature to enhance the display. Once the theater structure is fully assembled, locate the designated area for the LED light installation as indicated in the final assembly instructions.

1. **Install LED Unit:** Carefully insert the LED light unit into its designated slot within the theater model. Ensure it is securely placed.

2. **Activate Light:** The LED light is typically activated via a small switch or button on the unit itself. Refer to the specific instructions for the LED component for exact operation details.

3. **Power Source:** The LED light does not require external batteries as per product specifications. It is likely powered by a small, integrated battery or a simple push-button mechanism.

Care and Maintenance

To ensure the longevity and appearance of your HOGOKIDS building set, follow these care guidelines:

- **Cleaning:** Use a soft, dry cloth or a small brush to gently remove dust from the assembled model. Avoid using water or chemical cleaners, as these can damage the plastic or electronic components.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic pieces.
- **Handling:** Handle the assembled model with care to prevent pieces from detaching.

Troubleshooting

Missing Pieces:

In the rare event of missing pieces, please contact HOGOKIDS customer support directly with details of the missing components. Provide the model number (SC9919) and a description of the missing parts for efficient assistance.
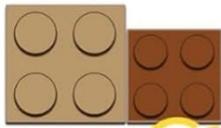

LED Light Not Working:

- Ensure the LED unit is correctly installed and securely connected.
- Check the power switch or button on the LED unit to confirm it is in the 'on' position.
- If the light still does not function, contact customer support for further assistance.
