3. WEARING INSTRUCTIONS

For optimal comfort and sound quality, ensure the headphones are worn correctly.

1. Open the charging case and remove the earbuds.
2. Place the earhook over the top of your ear.
3. Adjust the earbud so that the speaker rests comfortably outside your ear canal, directing sound towards your ear.

4. SETUP

4.1 Initial Pairing

1. Ensure the headphones are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing LED light.
3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "havit OWS915" from the list of devices.
5. Once connected, the LED indicator on the earbuds will stop flashing.

4.2 Charging the Headphones and Case

The headphones provide up to 8.5 hours of playtime on a single charge, with the charging case extending this to a total of 64 hours.

- **Charging Earbuds:** Place the earbuds into the charging case. They will automatically begin charging. The indicator lights on the earbuds will show charging status.
- **Charging Case:** Connect the provided USB-C cable to the charging port on the case and to a power source. The indicator light on the case will show charging progress.

7. MAINTENANCE

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry cloth. Avoid using abrasive materials or harsh chemicals.
- **Water Exposure:** While IPX5 rated, avoid submerging the headphones in water. If exposed to sweat or splashes, wipe them dry before placing them back in the charging case.
- **Storage:** Store the headphones in their charging case when not in use to protect them and ensure they remain charged.
- **Battery Care:** To prolong battery life, avoid fully discharging the headphones or charging case frequently. Charge them regularly.

8. TROUBLESHOOTING

- **No Power:** Ensure the earbuds and charging case are fully charged.
- **Pairing Failure:**
  - Make sure Bluetooth is enabled on your device.

- Ensure the earbuds are in pairing mode (flashing LED).
- Turn off Bluetooth on other nearby devices that might be trying to connect.
- Try resetting the earbuds (refer to the full manual for specific reset instructions if needed).

- **No Sound:**

  - Check the volume level on both your device and the headphones.
  - Ensure the headphones are properly connected to your device.
  - Try playing audio from a different application or source.

- **Poor Call Quality:**

  - Ensure the microphones are not obstructed.
  - Move to an area with less background noise.
  - Check your device's network connection.
