

Suncast BMCB8700D

Suncast 8' x 7' Cabana Entertainment Storage Shed Instruction Manual

Model: BMCB8700D

Brand: Suncast

PRODUCT OVERVIEW

The Suncast 8' x 7' Cabana Entertainment Shed is designed to provide both outdoor storage and an attractive entertaining space. It features a modern design that complements any backyard. With 362 cubic feet of storage, it offers ample room for entertainment equipment and includes adjustable shelving for organization. The shed easily transforms from a storage unit into an entertaining cabana, with a split front panel that converts into a convenient canopy for shade and an integrated fold-down bar top for serving drinks and snacks.

KEY FEATURES

- **Versatile Canopy & Bar:** Features a split front panel that lifts open to create a canopy, perfect for outdoor entertaining and providing shade for your guests.
- **Seating & Prep Area:** The fold-down bar top area seats 3 to 4 people using standard 30-inch bar stools (bar stools sold separately) and includes an interior countertop for prep with adjustable shelving.
- **Durable & Strong Construction:** Built with a steel frame for maximum strength, this bar is designed to handle heavy snow loads, with a roof capable of supporting up to 40 pounds of snow.
- **Convenient Features:** Includes 2 sliding windows for light and ventilation, a pad-lockable slide door to keep contents secure, and an electrical cord port for easy appliance connection.
- **Weather-Resistant & Sturdy Design:** Made with multi-wall resin panels for strength and durability, and built with all-weather construction that provides water resistance and UV protection.

SETUP AND ASSEMBLY

Assembly of the Suncoast Cabana Entertainment Shed is required. Before beginning, ensure you have a level surface for installation and all necessary tools as outlined in the separate assembly instructions provided with your product. Carefully follow the step-by-step guide for proper construction and to ensure the stability and functionality of the shed.

OPERATION

Transforming the Cabana

The Cabana Entertainment Shed is designed for easy transformation between storage and entertainment modes. To open the bar area, simply lift the split front panel upwards until it locks into place, forming a protective canopy. Then, lower the integrated bar top to create your serving and seating area. When not in use, the bar top can be folded up and the front panel lowered to secure the shed.

Storage and Organization

The shed offers significant internal storage space. Utilize the adjustable shelving to organize your items efficiently. An electrical cord port is integrated to allow for easy connection of appliances such as flat screens, mini-fridges, or blenders, enhancing your entertainment setup.

CARE AND MAINTENANCE

The Suncast Cabana Entertainment Shed is constructed from durable, weather-resistant resin, designed for low maintenance. To keep your shed in optimal condition, regularly clean the exterior with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the resin. Periodically inspect all moving parts, such as the canopy mechanism and door hinges, to ensure they operate smoothly. Clear any debris from the roof and around the base to prevent water accumulation.

TROUBLESHOOTING

If you encounter any issues with your Suncast Cabana Entertainment Shed, please refer to the specific troubleshooting guide provided with your product. Common issues may include difficulty opening/closing panels or doors, or minor leaks. Ensure all assembly steps were followed correctly and that the shed is on a level surface. For persistent problems or concerns not covered in the product's specific guide, please contact customer support.
