Alphard V2Pro Clicgear

Alphard Club Booster V2Pro Electric Golf Caddie Manual (Clicgear Model)

Brand: Alphard | Model: V2Pro Clicgear

Introduction

The Alphard Club Booster V2Pro is designed to transform your manual push cart into a motorized, electric remote-controlled golf caddie. The 2025 V2Pro model features permanently attached wheelie bars for enhanced stability and ease of use. This manual provides essential information for setting up, operating, and maintaining your Club Booster V2Pro to ensure optimal performance on the golf course.

What's in the Box

- Club Booster V2Pro Unit
- Brackets for Clicgear Battery
- Charger
- Anti-tip Wheels
- Remote Control
- Umbrella & Drink Holder
- Owner's Manual

Setup

Setting up your Club Booster V2Pro is designed for quick and easy assembly, allowing you to be ready on the course in under a minute. This model includes specific brackets for Clicgear Push Cart models 3.0, 3.5+, and 4.0.

1. **Attach to Push Cart:** Securely place your Clicgear push cart onto the Club Booster V2Pro unit using the provided brackets. Ensure all connections are firm and stable.
2. **Pivot Wheelie Bars:** Pivot the permanently attached wheelie bars outwards. These provide essential stability, especially on inclines.
3. **Power On:** Turn on the Club Booster V2Pro unit and the remote control.

Operating Instructions

The Club Booster V2Pro offers effortless control through its remote and advanced features, allowing you to focus on your game.

- **Remote Control:** Utilize the remote for smooth steering with multiple speed and distance timer settings. Send your cart 15 or 30 yards out with a single button press.
- **Smartphone App:** Pair your smartphone for convenient control, customization, and firmware updates.
- **6-Axis Gyroscope:** The integrated 6-axis gyroscope automatically detects terrain and adjusts to keep your cart tracking straight and rolling at a steady pace, even across bumps and slopes. It also features Downhill Speed Control.
- **Electronic Parking Brake:** A newly added electronic parking brake ensures your caddie remains securely parked, even on inclines.

Battery & Charging

The Club Booster V2Pro is powered by a long-lasting, detachable lithium-ion battery, designed for extended play.

- **Battery Life:** The battery is capable of powering the unit for up to 27 holes on a single charge, depending on terrain and usage.
- **Charging:** The detachable battery can be easily removed for convenient charging. Use the provided charger for optimal battery health and performance.

Maintenance

To ensure the longevity and optimal performance of your Club Booster V2Pro, follow these maintenance guidelines:

- **Cleaning:** Wipe down the unit with a damp cloth after each use to remove dirt and debris. Avoid using harsh chemicals.
- **Storage:** Store the Club Booster V2Pro in a cool, dry place. Ensure the battery is charged before long-term storage.
- **Weatherproofing:** The unit is weatherproof, but it is recommended to avoid prolonged exposure to heavy rain or extreme conditions.

Compatibility

The Alphard Club Booster V2Pro is designed to be compatible with a range of 3-wheel and 4-wheel push cart models. This specific variant is designed for Clicgear carts.
