

HOTO QWCXA005

HOTO AutoCare Electric Vacuum and Blower QWCXA005 User Manual

Brand: HOTO | Model: QWCXA005

1. INTRODUCTION

The HOTO AutoCare Electric Vacuum and Blower QWCXA005 is a versatile 4-in-1 device designed for efficient cleaning and organization. This compact and portable tool offers both vacuuming and blowing capabilities, along with vacuum sealing, making it ideal for various cleaning tasks in your car, home, or office. Its high-speed airflow and strong suction power ensure effective performance across diverse scenarios.

Key features include:

- 4-in-1 functionality: vacuum, blow, and vacuum seal.
- Compact and portable design for enhanced convenience.
- High-speed airflow up to 117 km/h.
- Includes 6 accessories to adapt to various cleaning needs.

2. PACKAGE CONTENTS

Before starting, please ensure all items listed below are present in your package:

- 1x HOTO AutoCare Electric Vacuum and Blower
- 1x Vacuum Nozzle
- 1x Long Vacuum Nozzle with Bristles
- 1x 2-in-1 Vacuum Nozzle
- 1x Long Air Valve
- 1x Nozzle for Inflatables
- 1x Filter Cleaning Brush
- 1x USB Type-C Charging Cable
- 1x User Manual

3. SETUP

The HOTO AutoCare QWCXA005 is designed for easy assembly and use. Follow these steps to prepare

your device:

1. **Select the Appropriate Accessory:** Identify the cleaning task you wish to perform. Choose one of the six included accessories that best suits your needs. For vacuuming, select a vacuum nozzle. For blowing, select an air valve.
2. **Attach the Accessory:** Securely attach the chosen accessory to the designated port on the device. For vacuuming, attach to the *inlet* port. For blowing, attach to the *outlet* port. Ensure it clicks firmly into place to prevent air leakage during operation.
3. **Initial Charge:** For optimal performance, it is recommended to fully charge the device before its first use. Refer to the 'Charging the Device' section under Maintenance for detailed instructions.

The HOTO AutoCare Electric Vacuum and Blower with its accompanying accessories, ready for setup.

4. OPERATING INSTRUCTIONS

The HOTO AutoCare QWCXA005 offers versatile cleaning modes. Familiarize yourself with its functions for effective use.

4.1 Powering On/Off

- To turn the device **ON**, press and hold the power button for a few seconds until the indicator light illuminates.
- To turn the device **OFF**, press and hold the power button again until the indicator light turns off.

4.2 Vacuuming Function

For vacuuming, ensure a vacuum nozzle is attached to the *inlet* port.

1. Select the appropriate vacuum nozzle (e.g., long nozzle for crevices, brush nozzle for delicate surfaces).
2. Turn on the device.
3. Guide the nozzle over the area to be cleaned. The device provides a maximum suction of 20000 Pa for effective debris removal.

4.3 Blowing Function

For blowing, ensure an air valve is attached to the *outlet* port.

1. Select the appropriate air valve (e.g., long air valve for focused airflow, nozzle for inflatables).
2. Turn on the device.
3. Direct the airflow to clear dust, debris, or to inflate small items. The device generates high-speed airflow up to 117 km/h.

5. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your HOTO AutoCare QWCXA005.

5.1 Charging the Device

- The device is equipped with a 2500 mAh Lithium-Ion battery.
- To charge, connect the provided USB Type-C cable to the charging port on the device and to a compatible USB power adapter (not included).
- The charging indicator light will show the charging status.
- A full recharge takes approximately 3 hours.

5.2 Cleaning the Dust Cup and Filter

Regular cleaning of the dust cup and filter is crucial for maintaining strong suction and airflow.

1. **Detach the Dust Cup:** Twist or unlatch the dust cup from the main body of the device.
2. **Empty Contents:** Dispose of the collected dust and debris from the dust cup.
3. **Clean the Filter:** Remove the filter from the dust cup. Use the provided filter cleaning brush to gently remove any trapped dust or particles. For thorough cleaning, the filter can be rinsed with water. Ensure the filter is completely dry before reinserting it.
4. **Reassemble:** Place the clean, dry filter back into the dust cup, then reattach the dust cup to the device, ensuring it is securely fastened.

6. TROUBLESHOOTING

If you encounter any issues with your HOTO AutoCare QWCXA005, please refer to the following common solutions:

- **Device not turning on:** Ensure the battery is fully charged. Connect the device to a charger and wait for the charging indicator to confirm power.
- **Weak suction/airflow:** Check if the dust cup is full and empty it if necessary. Inspect the filter for blockages and clean it as described in the Maintenance section. Ensure all attachments are securely fitted to prevent air leaks.
- **Unusual noise:** This may indicate a blockage. Turn off the device and check all nozzles, the dust cup, and the filter for any obstructions.
- **Overheating:** If the device feels excessively hot, turn it off immediately and allow it to cool down. Ensure proper ventilation during use and charging.

If the problem persists after attempting these solutions, please contact HOTO customer support or your retailer for further assistance.

7. SPECIFICATIONS

Feature	Specification
Brand	HOTO
Model	QWCXA005
Manufacturer	Hoto
Part Number	HOTO Handstaubsauger für Auto
Power Source Type	Electric Power
Voltage	110 Volts, 220 Volts
Wattage	135 watts
Max Suction	20000 Pa
Airflow	Up to 117 Km/h
Noise Level	75 Decibels
Battery Type	Lithium-Ion
Battery Capacity	2500 mAh
Batteries Included?	Yes
Battery Operated?	Yes
Charging Port	USB Type-C
Recharge Time	Approx. 3 hours
Operating Temperature	0°C to 40°C
Charging Temperature	5°C to 40°C

Feature	Specification
Storage Temperature	-10°C to 45°C
Product Dimensions (L x W x H)	16.89 x 5.51 x 5.51 cm
Approx. Product Weight	355 g
Included Components	Electric Vacuum and Blower, 6 Accessories, USB Type-C Cable
ASIN	B0F67GMXPC
EAN	6974370802455

8. WARRANTY AND SUPPORT

This HOTO AutoCare Electric Vacuum and Blower QWCXA005 comes with a standard manufacturer's warranty. For detailed warranty information, terms, and conditions, please refer to the warranty card included in your package or visit the official HOTO website.
