IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always assemble the desk according to the instructions provided.
- Ensure the desk is properly anchored to the wall or floor to prevent tipping, especially if using the top hutch.
- Do not overload the desk or its shelves. Refer to specifications for weight limits.
- Exercise caution when using the integrated power outlets and USB ports to prevent electrical hazards. Do not expose to liquids.
- Keep the desk and its components away from direct heat sources and excessive moisture.
- Regularly check all connections and fasteners to ensure they remain tight and secure.

SETUP AND ASSEMBLY

The Aheaplus L Shaped Gaming Desk is designed for straightforward assembly. All necessary hardware and tools are included, and parts are clearly labeled to facilitate the process. Please refer to the separate assembly instruction manual provided in the packaging for detailed step-by-step guidance.

Reversible Design

This desk features a reversible design, allowing the top hutch and shelving unit to be installed on either the left or right side to best suit your room layout and personal preference. Plan your desired orientation before beginning assembly.

Key Assembly Steps (General Guidance):

1. Unpack all components and verify against the parts list in the assembly manual.
2. Identify the main frame components and assemble the base structure.
3. Attach the desktop panels, ensuring proper alignment.
4. Install the shelving unit and hutch according to your chosen left or right orientation.
5. Secure all fasteners tightly, but do not overtighten.
6. Install the power outlet module, LED strip, headphone hook, and storage bag.

7. Once assembled, gently move the desk to its final position and ensure it is stable.

MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your Aheaplus L Shaped Gaming Desk.

- **Cleaning:** Wipe the desk surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Dusting:** Regularly dust all surfaces, including shelves and metal frames, to prevent buildup.
- **Fasteners:** Periodically check all screws and bolts to ensure they are tight. Retighten if necessary to maintain stability.
- **Electrical Components:** Ensure the power outlet and LED strip connections are secure and free from dust or debris. Do not attempt to repair electrical components yourself.
- **Avoid Overloading:** Do not place excessive weight on the desk or shelves beyond their recommended capacity.

TROUBLESHOOTING

This section addresses common issues you might encounter with your desk. For problems not listed here or if solutions do not resolve the issue, please contact customer support.

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose fasteners; uneven floor.	Check and tighten all screws and bolts. Use leveling feet (if included) or shims under the legs to stabilize on uneven surfaces.
LED lights are not working.	Power connection loose; LED strip damaged; app connectivity issue.	Ensure the LED strip is properly connected to its power source and the main power outlet. Check if the main power cord is plugged in. Restart the app and ensure Bluetooth/Wi-Fi is enabled for connection.
Power outlets/USB ports not functioning.	Main power cord not plugged in; circuit breaker tripped; device not properly plugged in.	Verify the desk's main power cord is securely plugged into a working wall outlet. Check your home's circuit breaker. Ensure devices are fully inserted into the outlets/ports. Test with a different device.
Missing parts during assembly.	Packaging error.	Carefully re-check all packaging materials. If parts are genuinely missing, contact Aheaplus customer service immediately with your purchase details.
