Tribesigns Rustic Brown Bar Table (B0F6BWF1GD)

Tribesigns Bar Table User Manual

Model: Rustic Brown Bar Table (B0F6BWF1GD)

1. INTRODUCTION

Thank you for choosing the Tribesigns Bar Table. This manual provides essential information for the safe assembly, operation, and maintenance of your new bar table. Please read these instructions carefully before beginning assembly and retain them for future reference.

The Tribesigns Bar Table is designed to be a versatile and stylish addition to various spaces, including small bars, dining rooms, and kitchens. Its rustic brown finish and unique pyramid shape offer both functionality and aesthetic appeal.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in injury or damage to the product.

- Exercise caution around sharp edges during assembly and handling.
- Ensure the table is placed on a stable, level surface to prevent tipping.
- Follow all assembly instructions precisely to ensure the structural integrity and safety of the table.
- Do not overload the tabletop.
- Keep small parts and packaging materials away from children to prevent choking hazards.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Tabletop (1x)
- Main Support Column (1x)

- Lower Metal Footrest Ring (1x)
- Footrest Support Legs (4x)
- Hardware Pack (screws, bolts, washers, etc.)
- Installation Tool (e.g., Allen wrench)
- Assembly Instructions Manual (this document)

4. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the steps below carefully. It is recommended to assemble the table with two people for ease and safety.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface (e.g., a blanket or cardboard) to prevent scratches. Identify all parts against the package contents list.
2. **Attach Footrest Support Legs:** Secure the four footrest support legs to the base of the main support column using the provided hardware. Ensure they are firmly tightened.
3. **Install Lower Metal Footrest Ring:** Connect the lower metal footrest ring to the footrest support legs. Align the holes and secure with the appropriate screws. Do not overtighten initially.
4. **Attach Tabletop to Support Column:** Carefully align the tabletop with the top of the main support column. Secure the tabletop to the column using the designated screws. Ensure the tabletop is centered and stable before tightening.
5. **Final Tightening:** Once all components are assembled, go back and firmly tighten all screws and bolts. Do not overtighten to avoid damaging the material.
6. **Placement:** Carefully lift and place the assembled bar table in its desired location. Ensure it is stable and level.

5. OPERATING AND USAGE

The Tribesigns Bar Table is designed for various uses in residential and light commercial settings.

- **Versatile Placement:** This table is suitable for small bars, dining areas, kitchens, living rooms, or even as a cocktail table for gatherings.
- **Comfortable Height:** With a height of 37.4 inches, it is designed for comfortable use with standard bar stools or for standing interactions.
- **Spacious Tabletop:** The 23.7-inch round tabletop provides ample space for drinks, snacks, or small decorative items.
- **Footrest:** The integrated lower metal footrest provides added comfort and stability during use.

Image 5.2: The bar table positioned in a dedicated bar space, highlighting its suitability for entertaining.

6. MAINTENANCE

Proper care will extend the life and maintain the appearance of your Tribesigns Bar Table.

- **Cleaning:**
 - For general cleaning, wipe the surface with a damp cloth.
 - Immediately follow with a dry cloth to prevent water spots or moisture damage.
 - Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining, especially on the rustic brown finish.
- **Stability Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary, but do not overtighten.
- **Environmental Conditions:** Avoid placing the table in direct sunlight or near heat sources, as this can cause fading or warping of the wood material. Maintain a stable room temperature and humidity.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your bar table.

- **Table Wobbles:**
 - Ensure the table is on a flat, level surface.
 - Check all assembly screws and bolts. Loosen slightly, adjust the table to be level, then retighten firmly.
 - Verify that all footrest support legs are evenly attached and tightened.
- **Parts Do Not Align During Assembly:**
 - Double-check the assembly instructions to ensure you are using the correct parts and orientation for each step.
 - Do not fully tighten screws until all parts for a section are loosely assembled. This allows for minor adjustments.
 - If a part seems bent or damaged, contact customer support for a replacement.
- **Scratches on Surface:**
 - Minor scratches can sometimes be minimized with furniture polish or a wood repair kit matching the rustic brown finish.
 - Always use coasters or placemats to protect the tabletop from scratches and heat.

8. SPECIFICATIONS
