LVWIT 4-Light LED Ceiling Track Lighting Fixture

Model: AN-UA190808-GU10-4E

INTRODUCTION

This manual provides essential information for the safe installation, operation, and maintenance of your LVWIT 4-Light LED Ceiling Track Lighting Fixture. This modern fixture features flexibly rotatable light heads, making it suitable for various indoor spaces such as kitchens, living rooms, and bedrooms. Please read these instructions thoroughly before installation and retain them for future reference.

SAFETY INFORMATION

- **WARNING:** Risk of electric shock. Disconnect power at the circuit breaker or fuse box before installation or servicing.
- This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.
- Use only GU10 bulbs with a maximum wattage of 40W per light head. Exceeding this limit may cause overheating and damage to the fixture.
- Do not install this fixture in wet or damp locations. It is designed for indoor use only.
- Ensure all electrical connections are secure and properly insulated.
- Do not look directly into the light source when illuminated.

PACKAGE CONTENTS

Verify that all components are present before beginning installation:

- 1 x LVWIT 4-Light LED Ceiling Track Lighting Fixture
- 1 x Mounting Hardware Kit (screws, wire nuts, canopy mounting plate)
- Instruction Manual

Note: GU10 bulbs are **NOT** included and must be purchased separately.

SPECIFICATIONS

Brand	LVWIT
Model Number	AN-UA190808-GU10-4E
Color	Chrome
Material	Cast Iron, Iron
Style	Modern
Light Fixture Form	Track Lighting
Indoor/Outdoor Usage	Indoor use only
Power Source	AC (Corded)
Light Source	LED (Bulbs Not Included)
Number of Light Sources	4
Bulb Base	GU10
Max Wattage per Bulb	40 Watts
Mounting Type	Ceiling Mount (Track Mounted, Semi Flush Mount)
Dimensions (L x W x H)	20.24" x 3.35" x 5.43" (514mm x 85mm x 138mm)
Required Assembly	No (Pre-assembled fixture)

SETUP AND INSTALLATION

This fixture is designed for quick and easy installation on a sloped or vaulted ceiling. Always ensure power is disconnected before starting.

- Turn Off Power:** Locate the circuit breaker controlling the light fixture's power supply and turn it off. Verify power is off using a voltage tester.
- Prepare Mounting Surface:** Ensure the ceiling junction box is securely mounted and capable of supporting the fixture's weight.
- Attach Mounting Plate:** Secure the canopy mounting plate to the junction box using the provided screws.
- Make Electrical Connections:** Connect the fixture's wires to your household wiring. Typically, connect the black wire from the fixture to the black (live) wire from the ceiling, the white wire from the fixture to the white (neutral) wire from the ceiling, and the ground wire from the fixture to the ground wire from the ceiling. Use wire nuts to secure connections.
- Mount the Fixture:** Carefully align the fixture with the mounting plate and secure it with the provided screws. Ensure no wires are pinched.
- Install GU10 Bulbs:** Insert GU10 bulbs (not included) into each of the four light heads. Push and twist gently to secure.
- Restore Power:** Turn the power back on at the circuit breaker.

Dimension

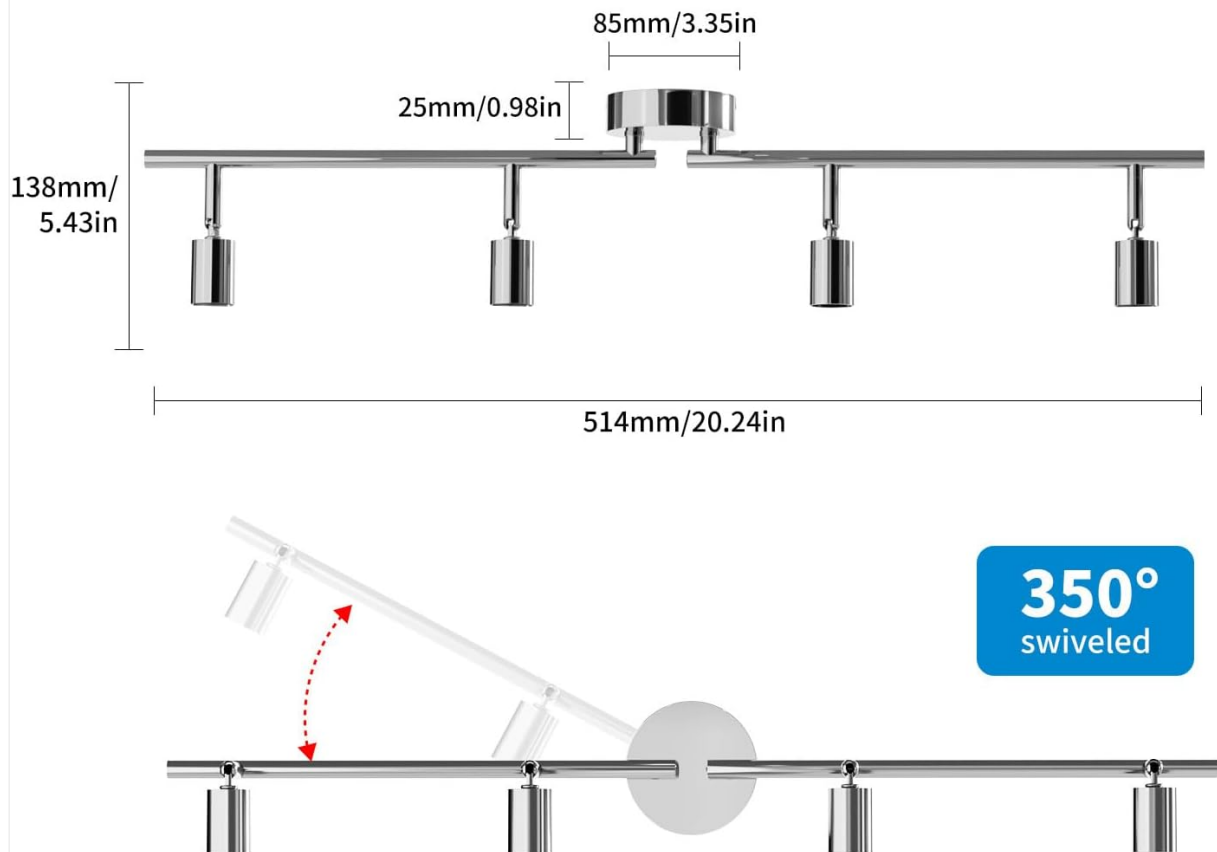

Figure 1: Fixture Dimensions and Swivel Range. The fixture measures approximately 20.24 inches (514mm) in length and 5.43 inches (138mm) in height. Each light head can swivel 350 degrees horizontally.

Adjustable and Swivel Design

Figure 2: Adjustable Light Head Design. Each light head offers 180 degrees of vertical tilt and 350 degrees of horizontal swivel for precise light direction.

OPERATING INSTRUCTIONS

Once installed and powered, operate your LVWIT track lighting fixture as follows:

- **Turning On/Off:** Use your standard wall switch to turn the fixture on or off.
- **Adjusting Light Direction:** The four track heads are designed for flexible positioning. Each head can be rotated 360 degrees horizontally and tilted 90 degrees vertically. Gently adjust each light head to direct illumination where desired.

Figure 3: Fixture in Use. The track lighting provides focused illumination, ideal for task lighting or accentuating features in a room.

MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your lighting fixture.

- **Cleaning:** Before cleaning, ensure the power is off and the fixture has cooled down. Wipe the fixture with a soft, dry cloth. Do not use abrasive cleaners, solvents, or polishes as they may damage the finish.
- **Bulb Replacement:** Always turn off the power before replacing bulbs. Allow bulbs to cool completely. To replace a GU10 bulb, gently push it into the socket and twist counter-clockwise to remove. Insert the new GU10 bulb by pushing and twisting clockwise until secure. Ensure the replacement bulb does not exceed 40W.

Suitable for GU10 Bulbs

Figure 4: GU10 Bulb Compatibility. The fixture is designed to work with standard GU10 base bulbs (maximum 40W).

TROUBLESHOOTING

If you encounter issues with your lighting fixture, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fixture does not light up	No power to the fixture Loose wiring connection Faulty bulb	Check circuit breaker or fuse. Ensure wall switch is on. Turn off power, check all wire connections. Replace bulb with a known working GU10 bulb.
Bulbs flicker	Loose bulb connection Incompatible dimmer switch (if applicable) Faulty bulb	Turn off power, re-seat bulbs firmly. Ensure dimmer switch is compatible with LED bulbs (if using LED GU10s). Replace bulb.
Fixture hums	Incompatible dimmer switch Loose wiring	Ensure dimmer switch is compatible with the bulbs used. Turn off power, check all wire connections.

If the problem persists after attempting these solutions, please contact customer support.

WARRANTY

This LVWIT lighting fixture is covered by a **2-year manufacturer's warranty** from the date of purchase. This warranty covers defects in materials and workmanship under normal use. It does not cover damage resulting from improper installation, misuse, abuse, accidents, or unauthorized modifications. Please retain your proof of purchase for warranty claims.

SUPPORT

For technical assistance, warranty claims, or any questions regarding your LVWIT 4-Light LED Ceiling Track Lighting Fixture, please contact the seller or manufacturer directly through the platform where the product was purchased. Provide your model number (AN-UA190808-GU10-4E) and a detailed description of your issue for faster service.
