Safety Information

WARNING: CHOKING HAZARD - Small Parts.

This product contains small parts and is not suitable for children under 3 years of age. Keep all building blocks and packaging materials away from infants and young children to prevent accidental ingestion. Adult supervision is recommended during assembly, especially for younger builders.

Package Contents

Please verify that all components are present before starting assembly:

- Approximately 6150 Micro Building Block Pieces
- 1 x Instruction Guide (detailed assembly steps)

If any parts are missing, please refer to the 'Troubleshooting' section for assistance.

Assembly Instructions (Setup)

The DAHONPA Rose Flower Painting Bear Micro Building Blocks Set requires DIY assembly. Follow the included Instruction Guide for a step-by-step building process.

- Preparation:** Unpack all components and organize the micro building blocks by color or type as suggested in the Instruction Guide. Ensure you have a clean, well-lit workspace.
- Follow the Guide:** Refer to the detailed Instruction Guide provided with your set. Each step is clearly illustrated to guide you through the construction of the Rose Flower Painting Bear.
- Precision:** Micro building blocks require careful placement due to their small size. Take your time to ensure each piece is securely connected for a stable final model.
- Completion:** Once all steps in the Instruction Guide are completed, your Rose Flower Painting Bear model will be fully assembled.

Care and Maintenance

To ensure the longevity and appearance of your DAHONPA Rose Flower Painting Bear model, follow these care guidelines:

- Cleaning:** Use a soft, dry cloth or a small brush to gently remove dust from the model. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic or fade the colors.
- Storage:** Display the model in a stable location away from direct sunlight and extreme temperatures to prevent discoloration or material degradation.

- **Handling:** Handle the assembled model with care to avoid accidental disassembly, especially with micro building blocks.

Troubleshooting

Should you encounter any issues during or after assembly, please refer to the following:

- **Missing Parts:** If you discover that some parts are missing from your product, please contact DAHONPA customer support. Clearly explain which specific parts are missing, and we will arrange to send you the necessary replacements.
- **Assembly Difficulties:** Double-check the Instruction Guide for the specific step you are on. Ensure all pieces are oriented correctly and fully pressed into place.
