PRODUCT FEATURES

- **Magnetic Detachable Design:** The keyboard connects magnetically to the case, allowing for easy attachment and detachment. This enables independent use of the case and keyboard.
- **360° Rotating Stand:** The integrated stand supports both landscape and portrait viewing modes, with adjustable angles from 90° to 170°.
- **Comprehensive Protection:** Constructed from high-strength silicone, the case provides 360° all-around protection for your iPad, including reinforced corners.
- **Integrated Pencil Holder:** An elastic rear pen holder and magnetic pencil slot secure your Apple Pencil, preventing loss.
- **High-Performance Keyboard:** Features a 78-key layout with high-resilience keys for a comfortable typing experience.
- **7-Color Backlight:** The keyboard includes a 7-color backlight with three adjustable brightness levels for various lighting conditions.
- **Responsive Multi-Touch Trackpad:** A large, high-precision touchpad supports full iOS gestures for fluid navigation and multitasking.
- **Ultra-Light and Portable:** The entire unit is designed for portability, with the case weighing only 290g and the total weight around 590g.

SETUP INSTRUCTIONS

1. **Charge the Keyboard:** Before first use, fully charge the keyboard using the provided USB-C cable. The charging port is located on the side of the keyboard.

2. **Insert iPad into Case:** Carefully place your iPad into the protective silicone case, ensuring all ports and buttons align correctly with the case cutouts. The reinforced corners provide a snug fit and enhanced protection.

3. **Attach Keyboard (Optional):** The keyboard attaches magnetically to the case. Simply align the keyboard with the bottom edge of the iPad case until it snaps into place.

4. **Power On the Keyboard:** Locate the power switch on the side of the keyboard and slide it to the "On" position. A small indicator light will illuminate.

5. **Bluetooth Pairing:**

   - On your iPad, go to "Settings" > "Bluetooth".
   - Ensure Bluetooth is turned "On".
   - The iPad will search for nearby devices. Select "HOU Keyboard" (or similar name) from the list of available devices.
   - Follow any on-screen prompts to complete the pairing process. Once paired, the keyboard will

automatically connect to your iPad when powered on and within range.

OPERATING INSTRUCTIONS

- **Using the Trackpad:** The large multi-touch trackpad supports various iOS gestures for navigation, scrolling, and app control. Refer to your iPad's iOS settings for a full list of supported gestures.
- **Adjusting Keyboard Backlight:** Press the dedicated backlight key (often indicated by a light bulb icon) to cycle through 7 different colors and three brightness levels.
- **Utilizing the 360° Rotating Stand:** The integrated stand allows you to position your iPad in both landscape and portrait orientations. The stand can rotate 360 degrees and adjust angles from 90° to 170° for optimal viewing.
- **Detaching the Keyboard:** To use your iPad as a tablet, simply pull the keyboard away from the magnetic connection. The case can be used independently.
- **Securing Apple Pencil:** Place your Apple Pencil in the elastic holder or magnetic slot on the back of the case for secure storage.

MAINTENANCE

- **Cleaning:** Use a soft, damp cloth to wipe down the case and keyboard. Avoid harsh chemicals or abrasive materials. Ensure the keyboard is powered off before cleaning.
- **Battery Care:** To prolong battery life, avoid fully discharging the keyboard frequently. Charge it regularly, especially if it will be stored for an extended period.
- **Storage:** When not in use, store the keyboard case in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

- **Keyboard Not Connecting:**

  - Ensure the keyboard is powered on and fully charged.
  - Check your iPad's Bluetooth settings to confirm the keyboard is paired and connected. If not, try re-pairing.
  - Restart both your iPad and the keyboard.

- **Trackpad Not Responding:**

- Ensure the keyboard is connected via Bluetooth.
- Check iPad settings for trackpad functionality.
- Clean the trackpad surface to remove any debris.

- **Keys Not Responding:**

  - Verify the keyboard is powered on and connected.
  - Ensure the keyboard battery is not critically low.
