## Costzon H6

# Costzon Kids ATV H6: 6V CAT Licensed Four Wheeler Quad Car Toy Instruction Manual

Brand: Costzon | Model: H6

## 1. SAFETY INFORMATION

**WARNING: Adult supervision is required at all times when the product is in use.**

- This product is intended for children aged 18-36 months.
- Maximum weight capacity: 55 lbs (25 kg).
- Always ensure the child wears appropriate safety gear, including a helmet, when operating the ATV.
- Operate the ATV only on flat, level surfaces. Avoid slopes, uneven terrain, sand, loose dirt, or wet areas.
- Keep hands, hair, and clothing away from moving parts.
- Do not allow children to stand on the ATV while it is in motion.
- Ensure all connections are secure before each use.
- This product complies with ASTM and CPSIA safety standards.

## 2. PACKAGE CONTENTS

Please check that all components are present and undamaged before assembly:

- 1 × Ride on ATV
- 1 × Charger
- 1 × Instruction Manual

### 3. ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Costzon Kids ATV. Refer to the assembly video for visual guidance.

Your browser does not support the video tag.

**Video:** Costzon 6V CAT Licensed Kids ATV Assembly Guide. This video demonstrates the step-by-step process of assembling the ATV, including attaching wheels, handlebars, and connecting the battery.

#### Step-by-Step Assembly:

1. **Prepare the Body:** Unscrew the seat to access the internal wiring. Insert the axle through the designated holes in the ATV body.
2. **Attach Rear Wheels:** Slide the motor onto the axle, ensuring it aligns with the motor housing. Attach the rear wheels, securing each with a washer and cotter pin. Cover with the wheel cover. Repeat for the other side.
3. **Install Handlebar:** Connect the battery wires inside the ATV body. Insert the handlebar stem into the steering column. Secure the handlebar with the provided screw.
4. **Attach Front Wheels:** Turn the ATV upside down. Attach the front wheels to the front axle, securing each with a washer and cotter pin. Cover with the wheel cover.
5. **Install Bumper:** Attach the front bumper to the designated slots on the front of the ATV. Secure it with screws.
6. **Connect Battery and Secure Seat:** Connect the battery terminals. Place the seat back onto the ATV body and secure it with the screw.

**Image:** The fully assembled Costzon Kids ATV in yellow, ready for use.

#### **4. CHARGING INSTRUCTIONS**

The ATV is powered by a 6V 4AH rechargeable battery. Ensure the ATV is turned OFF before charging.

- Locate the charging port on the ATV (typically near the battery compartment or under the seat).
- Plug the charger into a standard wall outlet.
- Connect the charger's output plug to the ATV's charging port.
- Allow the battery to charge for the recommended duration (refer to charger instructions for specific times, typically 8-12 hours for a full charge). Do not overcharge.
- Disconnect the charger once charging is complete.

### 5. OPERATING INSTRUCTIONS

Operating the Costzon Kids ATV is designed to be simple and intuitive for young children.

- **Power On/Off:** Locate the power switch (if present) and turn the ATV ON.
- **Forward Motion:** Press the foot pedal to engage the motor and move the ATV forward. The bright LED headlight will automatically activate while driving.
- **Stopping:** Release the foot pedal to bring the ATV to a stop.
- **Horn:** Press the horn button on the handlebar for fun sound effects.
- **Steering:** Use the easy-to-grip handlebars to steer the ATV left or right.
- **Comfort and Safety:** The ergonomic seat and anti-slip footrests ensure a secure and comfortable ride. The controlled speed limit is 1.7 mph (2.8 km/h).

## 6. MAINTENANCE

Regular maintenance ensures the longevity and safe operation of your ATV.

- **Cleaning:** Wipe the ATV with a soft, damp cloth. Do not use abrasive cleaners or solvents. Avoid spraying water directly onto electrical components.
- **Battery Care:** Charge the battery fully after each use. If storing for an extended period, charge the battery at least once a month to prolong its lifespan.
- **Storage:** Store the ATV in a dry, cool place away from direct sunlight and moisture.
- **Inspection:** Periodically check all screws, nuts, and connections to ensure they are tight and secure. Inspect wheels for wear and tear.

## 7. TROUBLESHOOTING

If you encounter any issues, refer to these common solutions:

- **ATV does not turn on:** Check if the battery is fully charged. Ensure all battery connections are secure. Verify the power switch is in the ON position.
- **ATV does not move:** Ensure the foot pedal is fully pressed. Check if the forward/reverse switch (if applicable) is in the correct position. Verify motor connections.
- **Slow speed:** The battery may be low; recharge it. Ensure the ATV is not overloaded beyond its weight capacity.
- **Unusual noises:** Inspect for loose parts or obstructions in the wheels or motor area.

If problems persist, please contact Costzon customer support.
