Serta 500835219-7530

Serta baselogic Level 4 Adjustable Base Bed Frame - Full

Model: 500835219-7530

Brand: Serta

1. Introduction

Reimagine your rest with the premium features and advanced customization of the baselogic Platinum Adjustable Base. Designed for those who seek ultimate comfort, this base offers head and foot adjustability along with an automatic pillow tilt to provide tailored support whether you’re lounging, reading, or drifting off to sleep.

2. Key Features

The Serta baselogic Level 4 Adjustable Base is equipped with a range of features designed to enhance your sleep and relaxation experience:

- **Head, Neck and Foot Adjustability:** Customize your comfort with adjustable head and foot positioning, plus automatic pillow tilt for added neck and head support.
- **Wireless LCD Remote:** A soft-touch remote with an LCD screen allows you to adjust your position, enjoy dual massage settings, and access various presets.
- **Lifestyle Features:** Includes a foldable design for transport and storage, USB A & C charging ports, 3 ambient underbed light settings, and integrated sound therapy with white, pink, or brown noise.
- **Zero-Clearance Profile:** With removable legs, this adjustable base allows for full zero clearance, making it compatible with most platform bed frames.

- **12" Adjustable Legs:** 4-in-1 easy-to-assemble legs stack in 3" increments (3", 6", 9", or 12") or can be removed entirely to achieve the perfect height.

Image: A comparison graphic illustrating the different baselogic models (Bronze, Silver, Gold, Platinum) and their respective feature sets, with Platinum offering the most advanced customization.

3. Setup Instructions

The Serta baselogic Level 4 Adjustable Base is designed for straightforward assembly. It is recommended to have two or more people for setup due to the weight (approximately 143.3 pounds for the Full size) and size of the frame.

3.1. Initial Assembly

1. **Unbox the Frame:** Carefully remove all components from the packaging.
2. **Position the Frame:** Place the frame in its approximate desired location.
3. **Plug in Electronics:** Connect all electronic components as indicated in the detailed installation manual.
4. **Attach Legs:** Twist on the six adjustable legs. The 4-in-1 adjustable legs allow for four height options up to 12" (3", 6", 9", or 12") by stacking increments. They can also be removed entirely for a zero-clearance design.
5. **Insert Remote Batteries:** Place three AAA batteries into the wireless LCD remote.
6. **Flip the Frame:** With assistance, carefully turn the frame right-side-up. Consider placing furniture glider pads under each leg to ease future positioning.

4. Operating Instructions

Your Serta baselogic Level 4 Adjustable Base offers intuitive control through its wireless LCD remote. Familiarize yourself with the remote's functions for optimal use.

4.1. Adjusting Position

- Use the dedicated buttons on the wireless remote to adjust the head and foot sections independently.
- The automatic pillow tilt feature provides additional support for your neck and head when the head section is raised.

Image: A man using a laptop while comfortably seated on the adjustable bed, demonstrating the elevated head position for lounging or working.

4.2. Presets and Memory Functions

- **Zero-Gravity Preset:** Activate this one-touch setting to elevate your legs slightly above your heart, relieving pressure points for enhanced relaxation.
- **One-Touch Flat Preset:** Quickly return the bed to a completely flat position with a single button press.
- **Memory Preset:** Save your favorite custom position for easy recall.
- **Anti-Snore Preset:** Gently elevates the head to help reduce snoring.

4.3. Massage and Sound Therapy

- **Dual Massage Setting:** Engage the whisper-quiet dual massage zones for a soothing experience from head to toe.
- **Integrated Sound Therapy:** Choose from white, pink, or brown noise settings to create a calming auditory environment.

4.4. Charging Ports and Underbed Lighting

- **USB A & C Charging Ports:** Conveniently located USB ports allow you to charge your devices while relaxing in bed.
- **Underbed Lighting:** Activate one of three ambient underbed light settings for a soft glow, perfect for navigating in the dark without disturbing others.

5. Maintenance and Care

Proper care and maintenance will ensure the longevity and optimal performance of your Serta baselogic Level 4 Adjustable Base.

5.1. Fabric Care

- To prolong the life of your fabric, protect it from direct sunlight whenever possible.
- Keep the base at a minimum of 12 inches (30 cm) away from direct heat sources.

5.2. Cleaning Instructions

- **For liquid spills:** Blot immediately with a clean, dry cloth.
- **For general cleaning:** Wipe with a clean cloth dampened with warm water. Do not wet excessively or use abrasive or harsh chemicals.

- **For ingrained soil:** A soft bristle brush may be used to remove ingrained soil. Avoid scratching by gentle brushing.
- After brushing, wipe with a clean cloth dampened with warm water to remove residues.
- Dry the fabric out of direct sunlight and away from direct heat sources.
- If persistent marks remain visible after cleaning, seek professional advice.
- **For spot cleaning:** Wipe the area with a lightly damp sponge or vacuum with a soft brush attachment to remove particles.

6. Troubleshooting

If you encounter any issues with your Serta baselogic Level 4 Adjustable Base, please refer to the detailed troubleshooting section in the full user manual that came with your product. For common issues such as power loss, remote unresponsiveness, or motor noise, the manual provides specific steps to diagnose and resolve the problem. If the issue persists, please contact Serta customer support.
