Befrases 11.4"D x 15.4"W x 67"H

Befrases 67"H Tall Bathroom Storage Cabinet Instruction Manual

Model: 11.4"D x 15.4"W x 67"H

1. INTRODUCTION

Thank you for choosing the Befrases 67"H Tall Bathroom Storage Cabinet. This freestanding cabinet is designed to provide versatile storage solutions for various rooms, including bathrooms, laundry rooms, living rooms, dining rooms, and kitchens. It features elegant arched rattan doors, a convenient drawer, and adjustable shelves to accommodate diverse storage needs. This manual provides detailed instructions for assembly, usage, maintenance, and important safety information to ensure proper and safe use of your new cabinet.

2. IMPORTANT SAFETY INFORMATION

Please read and follow all safety instructions carefully to prevent injury or damage to the product.

- Always follow the assembly instructions provided.
- Ensure the cabinet is securely fixed to the wall using the anti-tip accessories to prevent tipping.
- Do not overload the cabinet, especially the open shelves, to maintain stability.
- Keep the cabinet area clear of obstacles to prevent accidents.
- Periodically check all connections and hardware to ensure they remain tight and secure.

Multi-Scenario Application

4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to assemble the cabinet on a soft, clean surface to prevent scratches. A power drill may be used, but exercise caution to avoid stripping screws.

1. **Prepare Panels:** Lay out all wooden panels and identify them according to the labels. Attach any pre-drilled hardware such as magnetic catches or T-brackets to the designated panels as shown in the manual.

Video 4.1: Demonstrates attaching magnetic catches and T-brackets to the wooden panels (0:14 - 0:23 in source video).

2. **Assemble the Drawer:** Connect the drawer sides and back to the drawer base using the provided hardware. Install the drawer slides onto the drawer and the corresponding cabinet panels.

Video 4.2: Shows the assembly of the drawer components (0:24 - 0:31 in source video).

3. **Construct the Cabinet Body:** Join the main wooden panels to form the cabinet's upper and lower sections. Ensure all cam locks and screws are tightened securely.

Video 4.3: Illustrates the process of joining the main cabinet panels (0:45 - 0:53 in source video).

4. **Attach the Metal Frame:** Secure the metal support frame to the lower wooden cabinet section using the provided screws. Ensure all connections are firm.

Video 4.4: Shows the attachment of the metal frame to the cabinet (0:54 - 0:56 in source video).

5. **Install Adjustable Shelves:** Insert the shelf pins into the desired holes within the cabinet sections. Place the adjustable shelves onto these pins. The shelves can be adjusted to three different heights.

Video 4.5: Demonstrates the installation of adjustable shelves (1:36 - 1:42 in source video).

6. **Attach Rattan Doors:** Mount the rattan doors to the cabinet using the hinges. Attach the door handles.

Video 4.6: Shows the attachment of the rattan doors to the cabinet (1:43 - 1:53 in source video).

7. **Secure Anti-Tip Hardware:** Once the cabinet is in its final position, use the provided anti-tip kit to secure it to the wall. This is crucial for stability and safety.

8. **Position the Cabinet:** Carefully move the assembled cabinet to its desired location. If placing over a toilet, ensure adequate clearance. The metal brackets can be interchanged to position the open shelves on either the left or right side, depending on your toilet's proximity to the wall.

Video 4.7: Demonstrates positioning the cabinet over a toilet and highlights the interchangeable metal brackets for flexible placement (2:07 - 2:24 in source video).

4.1. Adjustable Features

The cabinet offers flexibility in its configuration:

- **Adjustable Shelves:** The internal shelves can be moved to different heights to accommodate items of various sizes.
- **Interchangeable Metal Brackets:** The metal frame with open shelves can be positioned on either the left or right side of the cabinet, allowing you to customize its layout to best suit your space and needs.

Video 4.8: Illustrates the adjustability of the shelves to fit different items.

5. USAGE AND OPERATION

This versatile cabinet can be used in various settings to enhance organization and aesthetics.

- **Bathroom Storage:** Ideal for storing towels, toiletries, and other bathroom essentials. The rattan doors allow for air circulation, preventing moisture buildup.
- **Kitchen Cupboard:** Use in the kitchen for plates, seasonings, and small appliances.
- **Laundry Room:** Perfect for organizing detergents, cleaning supplies, and linens.
- **Living/Dining Room:** The elegant design makes it suitable for displaying decorative items or storing household goods.
- **Drawer Functionality:** The integrated drawer provides concealed storage for smaller items, keeping your space tidy.

Anti-Tipping Design

High-quality anti-tip accessories attach to the wall to ensure your family's safety

Large Storage Capacity

Three levels of space and small cabinets with rattan doors keep your essentials organized

Practical Drawer

Convenient as a dining room cabinet to store forks and spoons or as a bathroom cabinet to store skin care products

6. MAINTENANCE

To ensure the longevity and appearance of your Befrases storage cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Rattan Care:** The handmade rattan is breathable. To clean, gently wipe with a damp cloth. Avoid excessive moisture.
- **Moisture Protection:** While suitable for bathrooms, avoid prolonged exposure to excessive moisture. Ensure good ventilation in humid environments.
- **Hardware Check:** Periodically inspect all screws and connections to ensure they are tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues during assembly or use, refer to the following common problems and solutions:

- **Screws Stripping:** When using a power drill, apply gentle pressure and stop immediately once the screw is snug to avoid stripping. If a screw strips, try using a manual screwdriver or contact customer support for replacement hardware.
- **Misaligned Panels/Holes:** Carefully review the instruction diagrams, especially for hole orientation. Some panels may appear similar but have specific top/bottom or left/right orientations. If a panel is installed incorrectly, carefully unscrew and re-position it.
- **Cabinet Instability:** Ensure all screws are fully tightened. Verify that the anti-tip hardware is correctly installed and securely anchored to a wall stud. Avoid placing heavy items on upper shelves.

- **Doors Not Closing Properly:** Check that hinges are correctly installed and tightened. Ensure the magnetic catches are aligned and functioning.

8. SPECIFICATIONS

Feature	Detail
Brand	Befrases
Color	Natural
Product Dimensions	11.4"D x 15.4"W x 67"H
Material	Engineered Wood, Rattan
Mounting Type	Floor Mount
