Airdown KX-IU-BL-14K

Airdown 14 Inch King Plush Memory Foam Mattress User Manual

Model: KX-IU-BL-14K
Brand: Airdown

1. Introduction

Welcome to the Airdown family! This manual provides essential information for setting up, using, and maintaining your new 14 Inch King Plush Memory Foam Mattress. Designed for optimal comfort and support, this mattress features advanced zoned lumbar support, a medium-firm feel, and a breathable airflow cover to ensure a restful night's sleep. Please read this manual thoroughly before use to ensure proper handling and to maximize the lifespan of your mattress.

2. Product Overview

The Airdown 14 Inch King Plush Memory Foam Mattress is engineered for superior sleep quality, combining innovative design with high-quality materials.

Key Features:

- **Zoned Lumbar Support:** Premium memory foam provides advanced zoned support, balancing pressure relief and spinal alignment to reduce back pain for all sleep positions.
- **5-Zone Orthopedic Design:** Targets key pressure points including the neck, shoulders, hips, and lumbar, reducing tossing and turning for uninterrupted sleep.
- **Advanced Cooling & Breathability:** Features an open-cell foam core and a breathable Tencel cover to enhance airflow, preventing heat buildup and ensuring a cool sleep surface.
- **Ultra-Durable High-Density Support:** A robust support base resists sagging, offering three times the durability of many budget mattresses.
- **CertiPUR-US Certified:** Made in the USA with foam that meets rigorous standards for content, emissions, and durability.

3. Setup

Your Airdown mattress is conveniently shipped compressed in a box. Follow these steps for easy setup:

1. **Unbox:** Position the box on a flat, stable surface near your bed frame. Carefully slide the rolled mattress out of the box.
2. **Unroll:** Place the compressed mattress onto your bed frame or foundation.
3. **Unwrap:** Carefully cut and remove the outer plastic wrapping along the seams. The mattress will begin to expand immediately.
4. **Expand:** Allow the mattress to fully expand for 72 hours to achieve its optimal shape, firmness, and comfort. While it will expand significantly within a few hours, full expansion takes up to 3 days.

4. Operating (Daily Use)

Once fully expanded, your Airdown mattress is ready for use. It is designed to provide consistent comfort and support for many years.

Mattress Compatibility:

Your Airdown mattress is compatible with a variety of bed bases and frames, including:

- Box Spring
- Platform Bed
- Adjustable Bed
- Traditional Bed (with slats)
- Dorm Room frames
- Directly on the Floor (ensure a clean, dry surface)

Ensure your chosen base provides adequate support to prevent sagging and maintain the mattress's integrity.

5. Maintenance & Care

Proper care will extend the life and performance of your Airdown mattress.

Cleaning Instructions:

- **Cover Care:** The mattress cover is designed for easy maintenance. It is recommended to **Hand Wash Only** the cover. Do not machine wash or tumble dry, as this may damage the fabric or affect its fit.
- **Spot Cleaning:** For minor spills or stains on the mattress surface (not the removable cover), gently blot with a clean cloth dampened with mild soap and water. Avoid saturating the mattress. Allow to air dry completely before covering with bedding.
- **Protection:** Using a mattress protector is highly recommended to shield your mattress from spills, stains, and allergens, preserving its cleanliness and extending its lifespan.

General Care Tips:

- **Rotation:** Rotate your mattress 180 degrees every 3-6 months to promote even wear and extend its life. This mattress does not need to be flipped.
- **Ventilation:** Allow your mattress to breathe by occasionally removing bedding and exposing it to air. This helps to dissipate moisture and maintain freshness.
- **Avoid Jumping:** Do not jump on the mattress, as this can damage the internal foam structure and void the warranty.

6. Troubleshooting

Here are solutions to common issues you might encounter with your new mattress:

Common Issues & Solutions:

- **Initial Odor:** A new mattress may have a slight
