

## TG BLOCKS 1009

# TG BLOCKS Eif Tree House Building Set Instruction Manual

Model: 1009

## 1. INTRODUCTION

Thank you for choosing the TG BLOCKS Eif Tree House Building Set. This manual provides essential information for assembling, displaying, maintaining, and troubleshooting your micro brick model. Please read these instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

### Important Safety Information

- **Choking Hazard - Small Parts:** This building set contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for children aged 8 and up.
- Keep all parts away from infants and young children to prevent accidental ingestion.

## 2. WHAT'S IN THE BOX

Upon opening your TG BLOCKS Eif Tree House Building Set, please verify that all components are present:

- 739 Micro Brick Pieces (various shapes and colors)
- Detailed Instruction Manual
- Baseplate for assembly
- Small tool for brick separation (if included)
- Adhesive for specific connections (if included)

### 3. SETUP AND ASSEMBLY

The Eif Tree House Building Set consists of 739 micro bricks designed for intricate detail. Follow the included step-by-step instruction manual carefully for optimal assembly. Organize your pieces before starting to streamline the building process.

#### Assembly Steps Overview:

1. **Preparation:** Unpack all components and sort the micro bricks by color and type. Refer to the piece count and dimensions provided in the manual.
2. **Base Construction:** Begin by assembling the baseplate and the initial layers of the tree structure as indicated in the manual.
3. **Tree House Structure:** Construct the main tree house, paying close attention to the detailed balcony and window elements.
4. **Garden and Ladder:** Add the colorful garden base elements and the realistic ladder to complete the scene.
5. **Foliage and Details:** Attach the tree foliage and any remaining decorative elements. Some connections may require the use of the provided adhesive for added stability, as specified in the manual.

#### 4. OPERATING AND DISPLAY

Once assembled, your Eif Tree House model can be displayed as a unique 3D wall art piece or as a freestanding decoration.

##### Display Options:

- **Wall Art:** The model is designed to be hung on a wall. Ensure the hanging clips are securely attached during assembly. Use appropriate wall fasteners (not included) for safe mounting.
- **Freestanding Display:** Place the assembled model on a flat, stable surface such as a desk, shelf, or nightstand.

## 5. MAINTENANCE

To keep your Eif Tree House model looking its best, follow these simple maintenance guidelines:

- **Dusting:** Gently dust the model regularly with a soft, dry brush or a can of compressed air to remove accumulated dust.
- **Cleaning:** For more stubborn dirt, lightly dampen a soft cloth with water (avoiding excessive moisture) and gently wipe the surfaces. Do not use harsh chemicals or abrasive cleaners.
- **Handling:** Handle the model with care, especially delicate parts like foliage and small decorative

elements, to prevent accidental detachment or damage.

## 6. TROUBLESHOOTING

If you encounter any issues during assembly or display, refer to the following common solutions:

- **Pieces do not lock well:** Ensure that micro bricks are aligned correctly and apply firm, even pressure. Due to their small size, micro bricks require precise placement.
- **Fragile sections:** Some parts, particularly botanical elements or small decorative pieces, may be more delicate. Handle these with extra care during assembly and when moving the finished model. Consider using the provided adhesive for these specific connections if stability is an issue.
- **Dried adhesive:** If the adhesive packet included with your set appears dry or ineffective, a small amount of standard model-building adhesive can be used as an alternative for the specified connections.
- **Missing pieces:** Double-check all packaging and sorting areas. If a piece is genuinely missing, please contact customer support with details of the missing part (as described in the instruction manual).

## 7. SPECIFICATIONS

Feature	Detail
Product Dimensions	1 x 1 x 11 inches (assembled)
Item Weight	1.15 pounds
Model Number	1009
Recommended Age	8 years and up
Number of Pieces	739
Manufacturer	Guangdong Tiangao Interactive Technology Co., Ltd.

## 8. WARRANTY INFORMATION

TG BLOCKS products are manufactured with quality and care. This product is covered by a standard manufacturer's warranty against defects in materials and workmanship. Please retain your proof of purchase for any warranty claims. For specific warranty terms and conditions, refer to the information provided at the point of purchase or contact customer support.
