3. SETUP GUIDE

3.1 Charging the Smart Watch

Before first use, fully charge your smartwatch. Connect the magnetic charging cable to the charging contacts on the back of the watch and plug the USB end into a power adapter (not included) or a computer's USB port.

- Charging Time: Approximately 2.5 hours for a full charge.
- Battery Life: Up to 30 days of typical usage, 100 days standby time.

1000 MAH Battery

3.2 App Installation (FitCloudPro)

To unlock the full potential of your smartwatch, download and install the 'FitCloudPro' app on your smartphone.

1. Scan the QR code in the user manual or search for 'FitCloudPro' in your phone's app store (Google Play Store for Android, Apple App Store for iOS).
2. Install the app and grant necessary permissions for full functionality.

3.3 Pairing with Your Smartphone

After installing the app, pair your smartwatch with your phone via Bluetooth:

1. Ensure Bluetooth is enabled on your smartphone.
2. Open the 'FitCloudPro' app.
3. Navigate to the 'Device' or 'Add Device' section within the app.
4. The app will search for available devices. Select 'K62' from the list to connect.
5. Confirm the pairing request on both your watch and phone if prompted.

More Practical Tools — Live more conveniently

4. OPERATING INSTRUCTIONS

4.1 Basic Navigation

The K62 Smart Watch features a 1.85-inch HD touch color screen for intuitive interaction. Swipe across the screen to navigate through menus and tap to select options. The side button typically serves as a power/wake button and a back button.

4.2 Bluetooth Calling and Voice Assistant

With its built-in microphone and speaker, the smartwatch allows you to make and receive calls directly from your wrist when connected to your phone.

- **Making Calls:** Access the dial pad or contacts list on your watch to initiate a call.
- **Receiving Calls:** Answer or reject incoming calls directly from the watch screen.
- **Voice Assistant:** Activate the voice assistant (e.g., Siri, Google Assistant) to control your phone with voice commands.

Bluetooth Calls

The smart watch uses the latest Bluetooth technology for seamless communication.

- Microphone
- Speaker
- Call logs
- Contacts

Image: A person interacting with the smartwatch's voice assistant, showing examples of commands like 'Set an alarm for 6pm' and 'Turn on the music'.

4.3 Smart Notifications

Receive real-time alerts for calls, SMS, and social media messages directly on your watch. Ensure 'Message Push' and 'APP Alerts' are enabled in the 'FitCloudPro' app settings.

Smart Notifications

- Instagram
- Twitter
- Facebook
- LINE
- TALK
- S
- WhatsApp
- Snapchat
- LinkedIn

4.4 Watch Faces and Customization

Personalize your smartwatch with over 100 watch faces available in the 'FitCloudPro' app. You can also upload your favorite photos to create custom wallpapers.

Image: The smartwatch showcasing a variety of digital and analog watch faces, highlighting the 1.85-inch TFT touch screen and personalized watch face options.

4.5 Sport Modes

The K62 Smart Watch offers over 110 sport modes to track your workouts accurately. Select your activity from the watch menu to monitor performance metrics such as steps, distance, and calories burned.

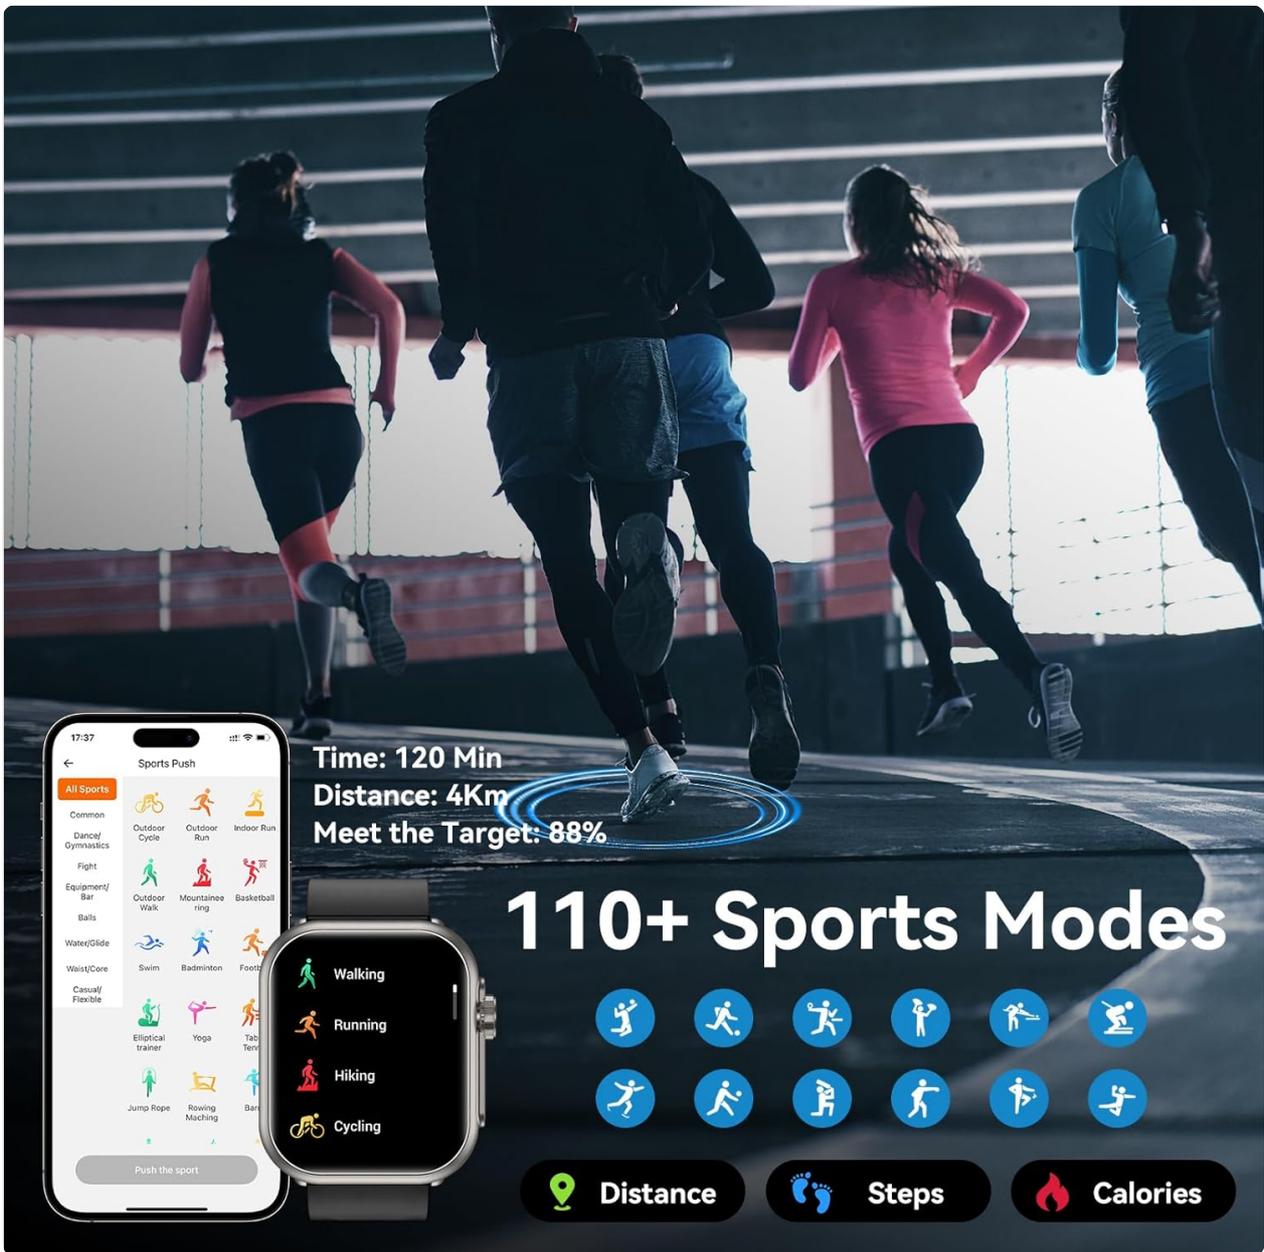

Image: The smartwatch interface showing a list of various sport modes, with a background image of people running, emphasizing the watch's fitness tracking capabilities.

4.6 Health Monitoring

The smartwatch continuously monitors key health parameters to help you stay informed about your well-being.

- **Heart Rate Monitoring:** Tracks your heart rate 24/7, providing real-time data.
- **Blood Oxygen (SpO2) Monitoring:** Measures your blood oxygen levels.
- **Sleep Monitoring:** Analyzes your sleep patterns, including different stages of sleep (deep, light, REM).

Smart Voice Assistant

This smartwatch is equipped with a voice assistant, with its new AI voice algorithm, you can control your device more easily and conveniently.

4.7 Other Functions

The K62 Smart Watch includes several practical tools for daily convenience:

- Alarm Clock
- Music Control
- Camera Control (remote shutter)
- Calculator
- Flashlight
- Stopwatch
- Timer
- Weather Display
- Sedentary Reminder
- Drinking Water Reminder

Multifunctional Smart Watch

5. MAINTENANCE

5.1 Waterproofing (IP68)

The K62 Smart Watch is rated IP68 waterproof, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. It is suitable for daily use, hand washing, and light rain. Avoid hot water, saunas, or diving, as steam and high temperatures can damage the seal.

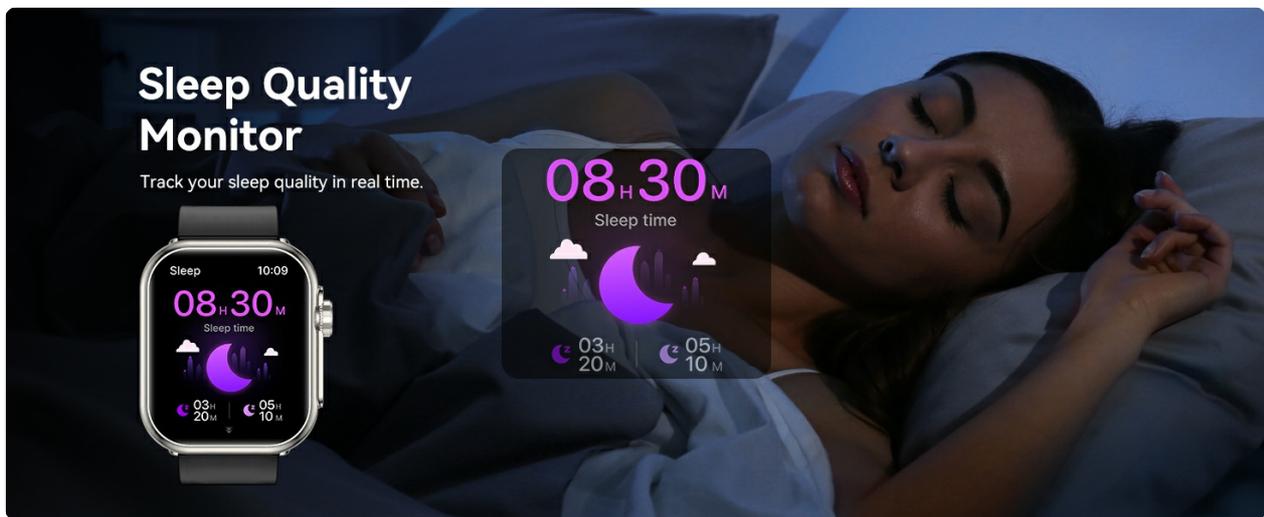

Image: The smartwatch displaying its IP68 waterproof rating, with a person surfing in the background, illustrating its durability against water exposure.

5.2 Cleaning

Regularly clean your smartwatch and strap to prevent skin irritation and maintain device longevity. Use a soft, damp cloth to wipe the screen and strap. Avoid harsh chemicals or abrasive materials.

5.3 Battery Care

To prolong battery life:

- Avoid extreme temperatures.
- Do not let the battery completely drain frequently.
- Use the provided charging cable.

6. TROUBLESHOOTING

6.1 Watch Not Turning On

Ensure the watch is fully charged. Connect it to the charging cable and a power source for at least 30 minutes before attempting to turn it on again.

6.2 Unable to Pair with Phone

- Ensure Bluetooth is enabled on your phone and the watch is within range.
- Restart both your phone and the smartwatch.
- Make sure the 'FitCloudPro' app has all necessary permissions enabled.
- Forget the device in your phone's Bluetooth settings and try pairing again through the app.

6.3 Inaccurate Health Data

- Ensure the watch is worn snugly on your wrist, not too tight or too loose.
- Clean the sensor on the back of the watch.
- Environmental factors and individual physiology can affect readings.

6.4 Notifications Not Appearing

- Check if 'Message Push' and 'APP Alerts' are enabled in the 'FitCloudPro' app.
- Ensure your phone's notification settings allow the 'FitCloudPro' app to display notifications.
- Keep the app running in the background on your phone.
