1. INTRODUCTION

Thank you for purchasing the Merax 5-Piece Patio Dining Set. This set includes one round acacia wood table and four chairs, designed for outdoor use on patios, decks, balconies, and gardens. This manual provides essential information for safe assembly, operation, maintenance, and care of your new dining set. Please read all instructions carefully before assembly and retain this manual for future reference.

2. SAFETY INFORMATION

- Always assemble the product on a soft, non-abrasive surface to prevent damage.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not stand or sit on the table.
- Do not exceed the weight capacity of the chairs (330 lbs per armchair) or table (180 lbs).
- Keep small parts away from children during assembly to prevent choking hazards.
- Use caution when moving the furniture to avoid injury or damage.
- This set is designed for outdoor use. Prolonged exposure to extreme weather conditions may reduce its lifespan.

3. PACKAGE CONTENTS

Before beginning assembly, ensure all parts listed below are present and undamaged. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

- 1 x Round Acacia Wood Dining Table
- 4 x Dining Chairs with Cushions
- Assembly Hardware (bolts, washers, nuts, Allen wrench)

- Instruction Manual

4. SETUP & ASSEMBLY

Assembly is required for this dining set. Please follow the steps below carefully. It is recommended to have two people for assembly.

4.1. Tools Required

- Included Allen Wrench
- Phillips Head Screwdriver (not included, may be needed for some fasteners)

4.2. Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Chairs:** Attach the chair legs to the seat frame using the provided hardware. Ensure all connections are finger-tight before fully tightening. Repeat for all four chairs.
3. **Assemble Table Base:** Connect the table legs to the central support structure. The iron 'X' frame under the table provides stability.
4. **Attach Tabletop:** Securely attach the acacia wood tabletop to the assembled table base using the designated hardware.
5. **Final Tightening:** Once all components are assembled, go back and fully tighten all bolts and screws on both the chairs and the table. Do not overtighten.
6. **Place Cushions:** Place the removable seat cushions onto the chairs.

SIZE: INCH

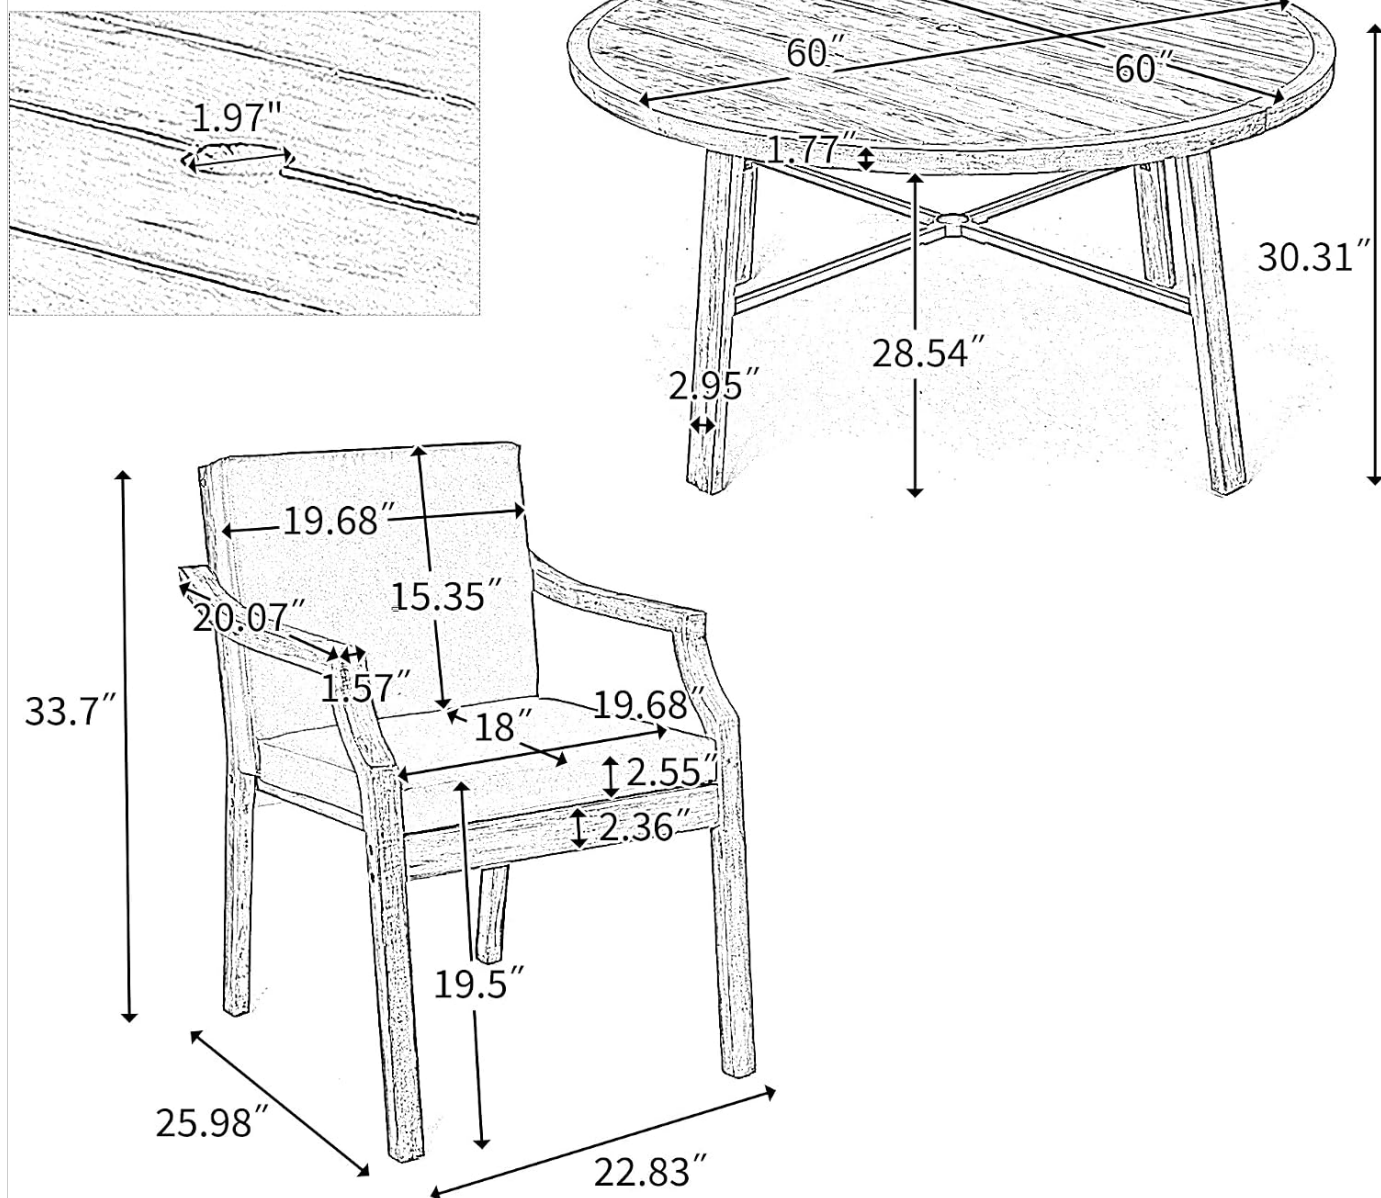

Figure 1: Product Dimensions. The table measures 60"D x 60"W x 30.31"H. Chairs measure 22.83"D x 25.98"W x 33.7"H. Cushion thickness is 1.97".

Ergonomic Armrests

*Removable and Washable
Seat Cushions*

Non-slip Foot Mat

5. OPERATION

The Merax 5-Piece Patio Dining Set is designed for comfortable outdoor dining and relaxation.

5.1. Umbrella Hole Usage

The round dining table features a 1.97-inch diameter umbrella hole in the center. This allows you to insert a standard patio umbrella (not included) to provide shade and protection from UV rays. Ensure the umbrella base is stable and secure, especially in windy conditions.

*Acacia Wood
Tabletop*

*1.97" Umbrella Hole
Fits Most Umbrellas*

Sturdy Frame

Patio Table with Umbrella Hole

Figure 3: Table features, including the acacia wood tabletop, the 1.97" umbrella hole, and the sturdy iron frame for enhanced stability.

5.2. Cushion Use

The chairs are equipped with water-resistant cushions for added comfort. While water-resistant, it is recommended to store cushions indoors during heavy rain or prolonged periods of non-use to extend their lifespan.

6. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your Merax patio dining set.

6.1. Acacia Wood Care

- Clean the wood surfaces regularly with a soft cloth dampened with mild soap and water. Rinse thoroughly and dry immediately.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the wood finish.
- To maintain the wood's natural beauty and protect it from weathering, apply a suitable outdoor wood sealant or oil annually.
- Store the furniture in a dry, covered area during off-seasons or extreme weather to prevent damage.

6.2. Cushion Care

- The cushion covers feature zippers, making them easy to remove for cleaning.
- Machine wash covers in cold water with a mild detergent. Air dry only; do not tumble dry.
- Spot clean minor spills with a damp cloth and mild soap.
- Store cushions indoors when not in use or during inclement weather to prevent mildew and fading.

6.3. Frame Care

- Wipe down the iron frame with a damp cloth and mild soap. Dry thoroughly to prevent rust.
- Inspect the frame periodically for any signs of rust or damage. Touch up any chipped paint with rust-inhibiting paint if necessary.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Furniture is wobbly after assembly.	Bolts are not fully tightened or unevenly tightened.	Ensure all bolts are securely and evenly tightened. Loosen slightly, level the furniture, then re-tighten.
Wood appears faded or dry.	Exposure to sun and weather without protection.	Clean the wood and apply an outdoor wood sealant or oil. Store in a covered area when not in use.
Cushions show signs of mildew.	Cushions were left wet or in a damp environment.	Remove covers and wash according to instructions. Ensure cushions are completely dry before storing. Store indoors in a dry place.
Rust spots on the iron frame.	Exposure to moisture or damage to the protective coating.	Clean the rust spots with a wire brush, then apply rust-inhibiting primer and paint. Keep the frame dry.
