

BOTLOG BOT-PB-020

BOTLOG BOT-PB-020 72-inch Tall Kitchen Pantry Storage Cabinet Instruction Manual

Model: BOT-PB-020 | Brand: BOTLOG

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your BOTLOG 72-inch Tall Kitchen Pantry Storage Cabinet. Please read all instructions carefully before beginning assembly and retain this manual for future reference. Proper assembly and care will ensure the longevity and optimal performance of your cabinet.

SAFETY INFORMATION

WARNING: Always wall-mount the cabinet for stability. Use appropriate safety gear during assembly. Follow instructions carefully to avoid potential hazards.

- Ensure all parts are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or broken.
- Assemble the cabinet on a soft, clean surface to prevent scratches.
- Always use the included anti-tip feature to securely anchor the cabinet to a wall. This prevents accidental tipping and potential injury.
- Keep small parts and packaging materials away from children and pets.
- Two people are recommended for assembly due to the size and weight of the cabinet.
- Do not overload shelves or drawers. Distribute weight evenly.

PRODUCT FEATURES

The BOTLOG Pantry Storage Cabinet is designed for versatile kitchen organization and storage, featuring:

- **Generous Storage Capacity:** Five door cabinets for cutlery, spices, and pantry items.
- **Open Countertop:** A central area suitable for a microwave, coffee maker, or other appliances.

- **Integrated Wine Rack:** A double-layer wine rack with removable partitions for flexible storage.
- **Varied Drawers:** Three drawers in two sizes for organizing different items.
- **Cable Management:** A cable hole on the back panel of the countertop for wire routing.
- **Soft-Close Doors:** Hinges designed to prevent slamming and reduce noise.
- **Sturdy Construction:** Made from engineered wood (MDF) for durability.

COMPONENTS LIST

Your BOTLOG Pantry Storage Cabinet comes in two packages. Please ensure you have received both packages and all components are present before starting assembly. Each part is labeled for easy identification.

Note: The exact number and type of fasteners are detailed in the included assembly instructions.

- Top Cabinet Panels (doors, shelves, side panels)
- Central Countertop Section (with cable grommet)

- Wine Rack Sections (with removable partitions)
- Drawer Components (fronts, sides, backs, bottoms, glides)
- Bottom Cabinet Panels (doors, shelves, side panels)
- Hardware Kit (screws, dowels, cam locks, hinges, handles, anti-tip kit)
- Instruction Manual

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow the step-by-step instructions provided in the separate assembly guide included with your packages. The process is designed to be straightforward, but it is time-consuming. We recommend setting aside ample time and having a second person assist.

1. **Unpack and Verify:** Open both packages and carefully lay out all labeled parts on a soft, clean surface. Cross-reference with the components list in your assembly guide to ensure all pieces are present.
2. **Prepare Tools:** You will need a Phillips head screwdriver. A magnetic tip screwdriver is highly recommended for easier handling of small screws.
3. **Follow Step-by-Step Guide:** Refer to the detailed assembly instructions for the exact sequence of steps. Generally, assembly proceeds from the base upwards.
4. **Drawer Assembly:** Assemble the three drawers according to the instructions. Ensure glides are installed

correctly for smooth operation.

5. **Cabinet Door Installation:** Attach the soft-close hinges to the cabinet doors and then to the cabinet frame. Adjust hinges as needed for proper door alignment.
6. **Wine Rack Installation:** Install the wine rack sections. The partitions are removable if you prefer open shelving.
7. **Wall Anchoring:** Once the cabinet is fully assembled and in its final position, use the provided anti-tip kit to securely anchor it to the wall. This is a critical safety step.

Important Note:

- Do not install the product until you receive both packages.
- If you place electrical devices on the central countertop, route the power cord through the cable hole before pushing the device into place.

OPERATING INSTRUCTIONS

Using your BOTLOG Pantry Storage Cabinet is straightforward:

- **Cabinet Doors:** Gently open and close the cabinet doors. The soft-close hinges will prevent abrupt slamming.
- **Drawers:** Pull drawers out smoothly to access contents. Push them back in until they are fully closed.
- **Wine Rack:** Store wine bottles horizontally in the designated slots. To convert the wine rack into regular shelving, unscrew the two screws under each shelf and remove the panels. Use the included stickers to cover the screw holes for a clean finish.
- **Countertop:** Utilize the central countertop for appliances or as a preparation area. The cable hole helps manage wires for a tidy setup.

Removable Wine Racks

Spacious Display Table

MAINTENANCE

To keep your cabinet in optimal condition:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or moisture damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.

TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common solutions:

- **Wobbly Cabinet:** Ensure the cabinet is placed on a level surface. Check all assembly screws and tighten them. Verify the anti-tip kit is securely installed.
- **Doors Not Aligning/Closing Properly:** Adjust the hinges on the cabinet doors. Most hinges allow for minor adjustments to align doors horizontally, vertically, and in depth. Refer to the hinge adjustment section in your assembly guide.
- **Drawers Sticking:** Check that the drawer glides are properly installed and free of debris. Ensure the drawer is not overloaded.
- **Missing Parts:** If you find any parts missing upon unpacking, contact customer support immediately with your product model number and the specific part number from the assembly guide.

SPECIFICATIONS

Feature	Detail
Brand	BOTLOG
Model Name	BOT-PB
Item Model Number	BOT-PB-020
Color	Ash Grey
Product Dimensions	13.8"D x 47.2"W x 72"H
