9. IMPORTANT NOTES AND TROUBLESHOOTING

• About Charging:

- Charge for at least 1 hour before initial use.
- If the battery is completely drained, charge for at least 30 minutes before powering on.

• About Bluetooth Connection:

- Syncing activity data requires Bluetooth connection to the GloryFit App, and answering calls requires Bluetooth connection to the phone.
- To receive phone notifications, ensure the GloryFit app is running in the background, and keep Bluetooth connected to both the phone and GloryFit App.
- If the connection repeatedly disconnects, try restarting the watch and phone's Bluetooth.

• Other Notes:

- IP68 waterproof rating is only suitable for daily waterproofing. Please do not submerge the smart watch in water or use it during water sports.
- Data monitored by the smart watch is for reference only and should not be used as medical guidance.

Detailed function introductions and precautions documents are available within the GloryFit App.
