

Inateck N0064

Inateck AceTouch N0064 Keyboard Case User Manual

For Samsung Galaxy Tab S10 FE / S9 FE / S9

1. INTRODUCTION

This manual provides comprehensive instructions for the Inateck AceTouch N0064 Keyboard Case, designed to enhance your tablet experience. Please read this manual carefully before use to ensure proper operation and maintenance.

1.1 Product Overview

The Inateck AceTouch N0064 is a versatile keyboard case featuring a magnetic removable design, adjustable stand modes, a precision touchpad, and comfortable typing keys. It is engineered for productivity and convenience.

1.2 Compatibility

This keyboard case is exclusively designed for the following Samsung Galaxy Tab models:

- Samsung Galaxy Tab S10 FE 10.9 inch 2025 (Models: SM-X520, SM-X526, SM-X526B)
- Samsung Galaxy Tab S9 FE 10.9 inch 2023 (Models: SM-X510, SM-X516B, SM-X518U)
- Samsung Galaxy Tab S9 11 inch 2023 (Models: SM-X710, SM-X716B, SM-X718U)

2. SETUP

2.1 Charging the Keyboard

Before initial use, fully charge the keyboard. Connect the provided USB-C charging cable to the keyboard's charging port and a power source. The charging indicator light will show the charging status.

2.2 Bluetooth Pairing

1. Ensure the keyboard is charged and powered on.
2. On your Samsung Galaxy Tab, navigate to Settings > Connected devices > Bluetooth.

3. Turn on Bluetooth.
4. The keyboard will appear in the list of available devices (e.g., "Inateck Keyboard"). Select it to pair.
5. A confirmation message may appear on your tablet. Confirm the pairing.

3. OPERATING INSTRUCTIONS

3.1 Magnetic Removable Design

The keyboard attaches magnetically to the case, allowing for quick attachment and detachment. This design enables seamless transitions between typing and tablet-only use. Simply align the keyboard with the magnetic contacts on the case for secure attachment.

3.2 Stand Modes

The case supports both portrait and landscape orientations, with an adjustable stand angle ranging from 0 to 160 degrees. This flexibility accommodates various activities such as reading, watching videos, working, or handwriting.

4. MAINTENANCE

4.1 Cleaning

To clean the keyboard and case, use a soft, damp cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the surfaces. Ensure the keyboard is powered off and disconnected from any power source before cleaning.

4.2 Storage

When not in use, store the keyboard case in a cool, dry place away from direct sunlight and extreme temperatures. Avoid placing heavy objects on the case to prevent deformation.

5. TROUBLESHOOTING

5.1 Keyboard Not Responding

- Ensure the keyboard is powered on and fully charged.
- Check Bluetooth connection: Go to your tablet's Bluetooth settings and ensure the keyboard is connected. If not, try re-pairing.
- Restart both the tablet and the keyboard.

5.2 Touchpad Not Working

- Verify the keyboard is properly connected via Bluetooth.
- Ensure the touchpad is not accidentally disabled (check for a function key combination on the keyboard).
- Clean the touchpad surface to remove any dirt or debris.

5.3 Connection Issues

- Move the tablet and keyboard closer to each other to ensure they are within Bluetooth range.
- Avoid interference from other wireless devices.
- Forget the device in your tablet's Bluetooth settings and re-pair.
