3. Setup and Assembly

Assembly is required for this product. Please follow the steps carefully. It is recommended to have a second person assist with the wall mounting process for safety and ease.

3.1 Tools Required (Not Included)

- Phillips Head Screwdriver
- Drill (with appropriate drill bits for wall anchors)
- Level
- Pencil

- Measuring Tape

3.2 Assembly Steps

1. **Unpack Components:** Carefully unbox all parts and hardware. Verify all components are present against the included parts list.
2. **Assemble Cabinet Frame:** Follow the detailed diagrams in the separate assembly guide to connect the main panels of the cabinet using the provided screws and dowels. Ensure all connections are secure.
3. **Install Shelves:** Insert the adjustable shelf supports into the desired height positions. Place the shelf onto the supports.
4. **Attach Sliding Door Mechanism:** Secure the sliding door track and rollers according to the instructions. Attach the barn door panel to the rollers.
5. **Install Drawer (if applicable):** Assemble the drawer components and install it into its designated slot.
6. **Attach Towel Rod and Side Hooks:** Secure the towel rod and side hooks to the cabinet as indicated in the assembly guide.

3.3 Wall Mounting

1. **Choose Location:** Select a suitable wall location, ensuring it can support the cabinet's weight and contents. Consider plumbing or electrical lines behind the wall.
2. **Mark Mounting Points:** Hold the assembled cabinet against the wall at the desired height. Use a level to ensure it is straight. Mark the positions for the mounting screws/anchors with a pencil.
3. **Drill Pilot Holes:** Drill pilot holes at the marked points. Use appropriate drill bits for your wall type (e.g., drywall anchors, wood studs).
4. **Install Wall Anchors:** Insert wall anchors if necessary.
5. **Mount Cabinet:** With assistance, lift the cabinet and align the mounting holes with the pilot holes/anchors. Secure the cabinet to the wall using the provided screws. Ensure it is firmly attached and stable before placing items inside.

4. Operating Instructions

4.1 Using the Adjustable Shelf

The internal shelf can be adjusted to three different heights. To adjust, simply remove any items from the shelf, lift the shelf, and reposition the shelf supports into the desired holes on the cabinet sides. Ensure the shelf is level and securely seated on all four supports before placing items on it.

5. Maintenance

To ensure the longevity and appearance of your MAHANCRIS BK3601 Wall Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent buildup.
- **Hardware Check:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Overloading:** Do not exceed the recommended load capacity for shelves to prevent damage or instability.

6. Troubleshooting

If you encounter any issues with your MAHANCRIS BK3601 Wall Cabinet, please refer to the following common solutions:

- **Cabinet feels unstable after mounting:** Ensure all wall mounting screws are securely fastened into appropriate wall anchors or studs. If using drywall anchors, verify they are rated for the cabinet's weight. Consider using stronger anchors or locating wall studs for more secure attachment.
- **Sliding door is stiff or not moving smoothly:** Check the sliding track for any obstructions or debris. Ensure the rollers are properly seated on the track. A small amount of silicone lubricant can be applied to the track if needed.
- **Drawer or door magnet is loose:** If a magnet detaches, it can often be re-secured with a strong adhesive suitable for wood or metal, following the adhesive manufacturer's instructions. Allow sufficient drying time before use.
- **Scratches on surfaces:** For minor scratches on black finishes, a black paint touch-up pen designed for wood furniture can be used to improve appearance.

If you experience issues not covered here, please contact MAHANCRIS customer support for assistance.
