VR SHINECON AI Smart Glasses (7e4aaf34-bbb3-421a-a32e-07cb0199a3d9)

VR SHINECON AI Smart Glasses User Manual

Model: AI Smart Glasses (7e4aaf34-bbb3-421a-a32e-07cb0199a3d9)

Brand: VR SHINECON

Introduction

The VR SHINECON AI Smart Glasses integrate advanced technology into a wearable form factor, offering features such as dual touch control, Bluetooth 5.3 audio, real-time language translation, voice memo recording, photo translation, and a sleep aid mode. This manual provides instructions for setting up, operating, and maintaining your smart glasses.

Setup

1. Unboxing

Upon opening the package, you will find the following items:

- 1 × Smart Glasses
- Protective Carry Case
- Cleaning Cloth
- User Manual

2. Charging the Glasses

The smart glasses are equipped with a magnetic charging port. Use the provided USB charging cable to connect the glasses to a power source. Ensure both sides of the glasses are properly connected to the magnetic charger. A full charge provides extended battery life for daily use.

3. App Download and Installation

To utilize the full range of AI features, download the "EarDance" application on your smartphone.

1. Scan the QR code provided in the instruction manual or on the packaging to download the "EarDance" app.
2. Alternatively, search for "EarDance" on major app stores (Google Play Store for Android, Apple App Store

for iOS) and download/install the application.

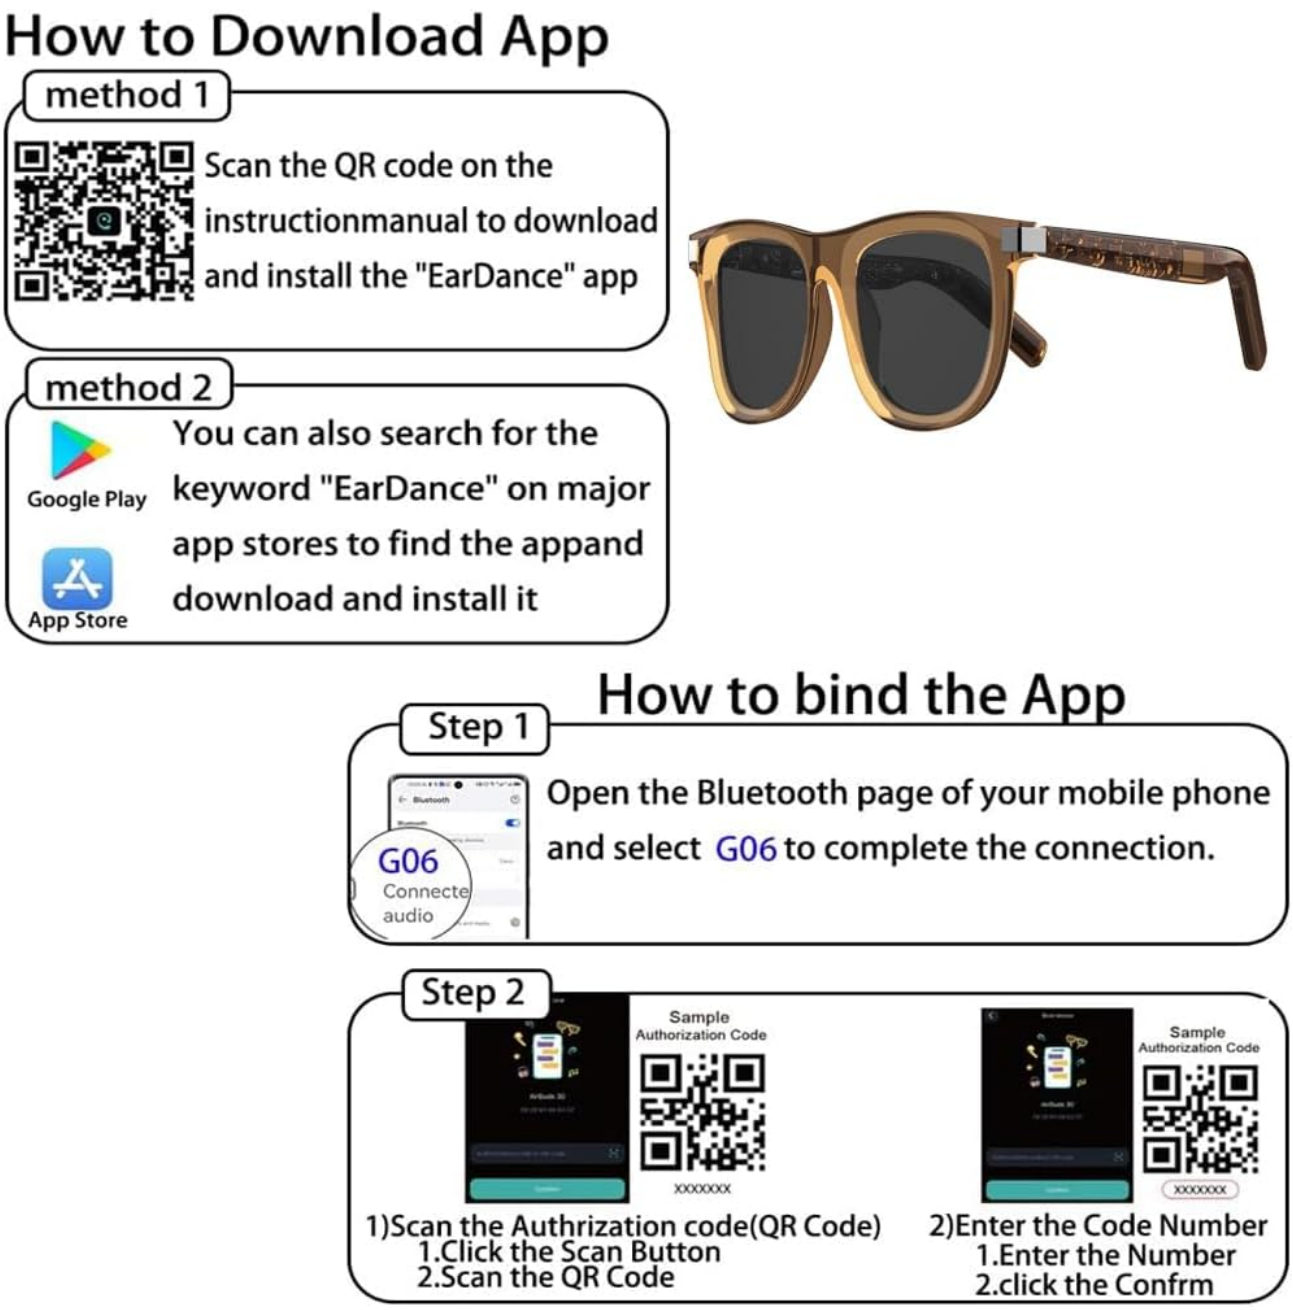

Image: Instructions for downloading the EarDance app via QR code or app stores.

4. Pairing with the App

1. Open the Bluetooth settings on your mobile phone and select "G06" to complete the initial connection.
2. Within the "EarDance" app, navigate to the binding section.
3. Scan the authorization QR code (or manually enter the code number) provided with your glasses to link them with the application.

Operating Instructions

1. Smart Wear Detection

The glasses feature smart wear detection. Wearing the glasses automatically triggers playback of audio, and removing them pauses it. Manual power off is not required.

2. Dual Touch Control

Control various functions using the dual touch sensors located on both temples of the glasses:

- **Tap:** Play/pause music, answer calls.
- **Double-tap:** Skip tracks (specific function may vary by app settings).
- **Long-press:** Activate voice assistant, reject calls.
- **Slide (on temples):** Adjust volume by swiping your fingertips back and forth.

3. AI Real-Time Translator (164 Languages)

The EarDance app enables real-time translation for speech, text, and images:

- **Speech Translation:** Facilitates face-to-face conversations in different languages. Speak into the app, and the translation is delivered through the glasses.
- **Photo Translation:** Capture images of menus, signs, or text for instant translation.
- **Video Call Translation:** Use with video calls to auto-subtitle in both directions.

Image: Smart glasses facilitating real-time language translation in a conversational setting.

4. Voice Memo & Live Transcription

Record voice notes hands-free. The app converts speech to editable notes in real-time, useful for meetings, lectures, or daily reminders. Notes can be edited, saved, and managed within the app.

5. Sleep Aid Music Mode

Activate sleep aid mode to play soothing music and white noise. A timer function is available to help you relax and fall asleep.

Media Integration

1. Stereo Surround High-Quality Sound

The smart glasses deliver 360° stereo surround high-quality sound, providing an immersive audio experience. This allows for clear music streaming and calls while maintaining awareness of your surroundings.

SPECIFICATIONS

Brand	VR SHINECON
Model Number	7e4aaf34-bbb3-421a-a32e-07cb0199a3d9
Connectivity Technology	Bluetooth 5.3
Special Feature	Voice Control, Real-time Translation, Wear Detection, Sleep Aid

Item Weight	166 Grams (5.9 ounces)
Battery Type	2 Nonstandard Battery (Lithium Ion)
Compatible Devices	Smartphone

Maintenance

- **Cleaning:** Use the provided cleaning cloth to gently wipe the lenses and frame. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the smart glasses in the protective carry case when not in use to prevent scratches and damage.
- **Battery Care:** Avoid fully discharging the battery frequently. Charge regularly to prolong battery life.

Troubleshooting

- **Connectivity Issues:** If the glasses fail to pair, ensure Bluetooth is enabled on your device and the glasses are charged. Try restarting both the glasses and your phone.
- **App Functionality:** If the "EarDance" app is not working correctly, ensure it is updated to the latest version. Restarting the app or reinstalling it may resolve issues.
- **Sound Quality:** Ensure the glasses are positioned correctly on your ears. Check the volume settings on both the glasses and your connected device.
- **Translation Accuracy:** For optimal translation, speak clearly and at a moderate pace. Ensure the correct source and target languages are selected in the app.

Warranty and Support

For warranty information or technical support, please refer to the official VR SHINECON website or contact customer service through the "EarDance" application. Keep your purchase receipt for warranty claims.

Ask a question about this manual

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
