This diagram illustrates the key dimensions of the vanity desk, side cabinet, and makeup chair, providing precise measurements for planning your space.

## Setup and Assembly

Your LUTHXAY Vanity Desk requires some assembly. Please follow these general steps. Refer to the included assembly guide for detailed, step-by-step instructions and hardware identification.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Verify all components and hardware are present against the packing list.
- 2. Assemble Main Desk Frame:** Attach the legs and support beams to the main desk frame as per the instructions. Ensure all connections are secure.

3. **Install Drawers:** Insert the drawer slides into the desk and side cabinet. Assemble the drawers and slide them into place.
4. **Attach Side Cabinet:** Position the side cabinet next to the main desk. The design allows for the side cabinet to be placed on either the left or right side of the main desk, depending on your preference and room layout. Secure it using the provided connectors.
5. **Mount Mirror:** Secure the LED smart mirror to the designated area on the desk. Connect any necessary power cables for the mirror's lighting function.
6. **Place Glass Countertop:** Carefully place the black glass countertop onto the desk frame. Ensure it is properly aligned and stable.
7. **Assemble Makeup Chair:** Follow the instructions to assemble the makeup chair.
8. **Connect Power:** Plug the vanity desk into a suitable power outlet to enable the LED mirror and wireless charging functions.

Figure 3: Side cabinet placement options.

This image illustrates the flexibility of the vanity desk's design, allowing the side cabinet to be positioned on either the left or right side of the main desk to best fit your space and needs.

## Operating Instructions

---

### LED Smart Mirror Operation

The circular LED smart mirror features a touch-sensitive control for adjusting light settings.

- **Power On/Off:** Lightly touch the designated power icon on the mirror surface to turn the LED light on or off.
- **Adjust Brightness/Color Temperature:** With the light on, touch and hold the power icon to cycle through different brightness levels or color temperatures (White, Warm, Yellow). Release your finger when the desired setting is reached.

# 3C tempered glass desktop

## Easy to clean and scratch resistant

**First layer: crystal sand nano-coating.**

**Second layer: Tempered glass layer**

**Third layer: composite screen printing layer**

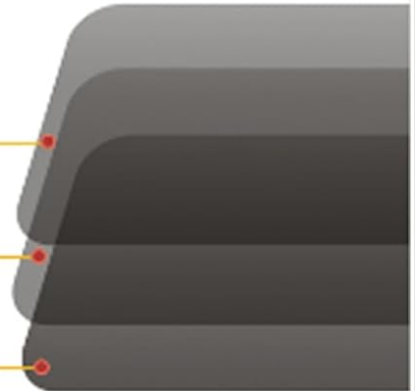

Figure 4: LED mirror light settings.

The smart LED mirror offers three distinct light settings—White, Warm, and Yellow—to provide optimal illumination for various makeup and skincare needs. These settings are easily adjustable via a touch switch on the mirror surface.

### Wireless Charging Pad

The side cabinet is equipped with an integrated wireless charging pad for compatible devices.

- **Placement:** Place your Qi-compatible smartphone or device directly onto the wireless charging icon located on the side cabinet's glass surface.
- **Charging Indicator:** The charging pad may have an indicator light that illuminates when a device is correctly placed and charging.
- **Optimal Charging:** Ensure no foreign objects are between your device and the charging pad for efficient charging.

## Rounded corners

### Fine sanding/safety protection/prevention of knocks

This close-up view highlights the integrated wireless charging pad on the side cabinet's surface, indicated by the charging symbol. This feature allows for convenient and cable-free charging of compatible electronic devices.

## Maintenance and Care

Proper care will ensure the longevity and appearance of your LUTHXAY Vanity Desk.

- **Glass Countertop:** The 3C tempered glass desktop is scratch-resistant and easy to clean. Use a soft, damp cloth with a mild glass cleaner. Avoid abrasive cleaners or harsh chemicals that could damage the surface.
- **Mirror Surface:** Clean the mirror with a soft, lint-free cloth and a non-ammonia glass cleaner. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Wood and Painted Surfaces:** Wipe down with a soft, dry, or slightly damp cloth. Avoid excessive moisture. Do not use silicone-based polishes or cleaners.
- **Drawers:** The solid wood drawers feature silent slides. Periodically check that the slides are free of debris. If drawers become stiff, a small amount of silicone lubricant can be applied to the slides.
- **General Care:** Avoid placing hot items directly on the surface. Use coasters or protective pads for liquids. Keep the

vanity away from direct sunlight and extreme temperature changes to prevent warping or fading.

## Three-position light source switching

## Touch switch Three levels of brightness adjustment

Figure 6: Solid wood drawers with silent slides.

This image highlights the construction of the vanity's drawers, emphasizing their large capacity, smooth silent slide mechanism, and durable solid wood material, which contribute to the product's overall quality and ease of use.

## Troubleshooting

If you encounter any issues with your LUTHXAY Vanity Desk, please refer to the following common troubleshooting steps before contacting support.

Problem	Possible Cause	Solution
LED Mirror not lighting up	Power cable disconnected; Power outlet issue; Touch sensor malfunction.	Ensure the power cable is securely plugged into the vanity and a working wall outlet. Test the outlet with another device. Lightly touch the sensor to activate. If still not working, contact support.

Wireless Charger not working	Device not Qi-compatible; Incorrect device placement; Foreign objects on pad; Power issue.	Verify your device supports Qi wireless charging. Reposition the device centrally on the charging icon. Remove any cases or objects. Ensure the vanity is powered on.
Drawers are stiff or difficult to open/close	Overloaded drawer; Debris in slides; Misaligned slides.	Reduce the weight in the drawer. Inspect drawer slides for any obstructions and clear them. Apply a small amount of silicone lubricant to the slides. If misalignment is suspected, refer to assembly instructions or contact support.
Vanity wobbles or is unstable	Uneven floor; Loose assembly hardware.	Adjust any leveling feet if present. Check all assembly screws and bolts to ensure they are tightened securely.

## Warranty and Support

LUTHXAY is committed to providing high-quality products. For any questions, concerns, or support needs regarding your vanity desk, please contact the seller or manufacturer directly.
