6. MAINTENANCE

Proper care will extend the life and appearance of your VINGLI sofa.

- **Cleaning Chenille Fabric:** The durable chenille fabric is easy to clean. For minor spills or spots, gently spot clean with a mild detergent and a damp cloth. Avoid harsh chemicals or abrasive cleaners. Always test cleaning solutions on an inconspicuous area first.
- **Regular Dusting:** Regularly vacuum the sofa using an upholstery attachment to remove dust and debris.
- **Fluffing Cushions:** Periodically fluff and rotate cushions to maintain their shape and even out wear.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sunlight or use curtains/blinds.

7. TROUBLESHOOTING

If you encounter any issues with your sofa, refer to the following common solutions:

- **Wobbly Legs:** Check if all leg screws are tightened securely. If the issue persists, ensure the sofa is on a level surface.
- **Cushion Sagging:** This is normal over time. Regularly fluff and rotate cushions to redistribute filling.
- **Fabric Stains:** Refer to the cleaning instructions in Section 6. For stubborn stains, consult a professional upholstery cleaner.
- **Difficulty Connecting Sections:** Ensure the connectors are properly aligned and free of obstructions. Apply gentle pressure to engage them.
