FELICON 308i

FELICON 308i Wireless Bluetooth Keyboard User Manual

Model: 308i

1. Introduction

This manual provides detailed instructions for the setup, operation, and maintenance of your FELICON 308i Wireless Bluetooth Keyboard. Please read this manual thoroughly before using the product to ensure proper functionality and longevity.

Image 1: FELICON 308i Wireless Bluetooth Keyboard. This image displays the keyboard in a coffee gradient color scheme, featuring round keycaps and a small magnetic cat figurine attached to the top left corner.

2. Product Overview

Key Features:

- **Wireless Bluetooth 5.0 Connectivity:** Provides a stable and lag-free connection within a 10-meter range.
- **Multi-Device Support:** Compatible with Windows, macOS, iOS, and Android devices. Easily switch between three paired devices.
- **Compact 84-Key Layout:** Space-saving design with essential function keys.
- **Multimedia Shortcuts:** Access homepage, music, email, and more using **FN** key combinations.
- **Retro Typewriter Design:** Features gradient-colored, round keycaps for a distinct aesthetic.
- **Magnetic Cat Figurine:** An attachable decorative element.
- **Smart Power Saving:** Automatic sleep mode after 15 minutes of inactivity.
- **Quiet Typing:** Noise-reduction key technology for reduced keystroke sounds.

Package Contents:

- FELICON 308i Wireless Bluetooth Keyboard
- Magnetic Cat Figurine
- User Manual (this document)
- *Note: AAA batteries are not included and must be purchased separately.*

Image 2: Keyboard packaging and included items. This image shows the FELICON 308i keyboard, its retail box, and the magnetic cat figurine, indicating typical package contents.

3. Setup Instructions

3.1 Battery Installation

1. Locate the battery compartment on the underside of the keyboard.
2. Open the battery compartment cover.
3. Insert two (2) AAA batteries, ensuring correct polarity (+/-).
4. Close the battery compartment cover securely.

Image 3: Battery installation. This image illustrates the open battery compartment on the keyboard's underside and the correct way to insert two AAA batteries.

3.2 Bluetooth Pairing

1. Ensure the keyboard has fresh batteries installed.
2. Turn on the keyboard using the power switch, usually located on the side or back.
3. Press and hold the **FN + C** keys simultaneously for approximately 3-5 seconds. The indicator light on the keyboard will flash, indicating it is in pairing mode.
4. On your device (computer, tablet, smartphone), navigate to the Bluetooth settings.
5. Search for available Bluetooth devices. The keyboard should appear as "ajazz bluetooth" or similar.
6. Select the keyboard from the list to initiate pairing.
7. Follow any on-screen prompts to complete the pairing process. Once successfully paired, the indicator light on the keyboard will stop flashing.

*Note: The keyboard supports pairing with up to three devices. To switch between paired devices, press **FN + Q**, **FN + W**, or **FN + E**.*

Image 4: Bluetooth connection method. This image visually guides the user through installing batteries and pressing FN+C to activate Bluetooth search, shown with a laptop and smartphone.

4. Operating Instructions

4.1 Multi-Device Switching

Your FELICON 308i keyboard can be paired with up to three different devices. To switch between these devices:

- Press **FN + Q** to switch to the first paired device.
- Press **FN + W** to switch to the second paired device.
- Press **FN + E** to switch to the third paired device.

4.2 Multimedia Shortcuts

The keyboard features various multimedia and function shortcuts accessible by pressing the **FN** key in combination with the F1-F12 keys. Refer to the keycap legends for specific functions (e.g., volume control, media playback, email, browser home).

4.3 Smart Power Saving Mode

To conserve battery life, the keyboard will automatically enter a sleep mode after 15 minutes of inactivity. To wake the keyboard, simply press any key. It will reconnect to the last active paired device.

Image 5: Power saving feature. This image highlights the keyboard's sleep function, which helps conserve power for extended use.

5. Maintenance

To ensure the longevity and optimal performance of your keyboard, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the surface of the keyboard. For deeper cleaning, gently remove keycaps and use compressed air to clear debris. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use for extended periods, store the keyboard in a dry, cool place. Consider removing batteries if storing for several months to prevent leakage.
- **Handling:** Avoid dropping the keyboard or exposing it to excessive force, liquids, or extreme temperatures.

6. Troubleshooting

6.1 Keyboard Not Connecting/Pairing:

- **Check Batteries:** Ensure batteries are correctly installed and have sufficient charge. Replace if necessary.
- **Re-enter Pairing Mode:** Press and hold **FN + C** until the indicator light flashes.
- **Device Bluetooth:** Make sure Bluetooth is enabled on your device and it is discoverable.
- **Distance:** Ensure the keyboard is within the 10-meter operating range of your device.
- **Interference:** Move away from other wireless devices that might cause interference.
- **Forget Device:** On your device, "forget" or "remove" the keyboard from the Bluetooth device list and attempt to pair again.

6.2 Keys Not Responding or Lagging:

- **Battery Level:** Low battery can cause performance issues. Replace batteries.
- **Interference:** As above, check for potential wireless interference.
- **Reconnection:** If the keyboard was in sleep mode, press any key to wake it up and allow a few seconds for reconnection.

6.3 Magnetic Cat Figurine Not Attaching:

- Ensure the figurine is placed correctly on the designated magnetic spot on the keyboard.
- Check for any obstructions between the figurine and the keyboard's magnetic area.

Image 6: Detachable magnetic cat ornament. This image shows the small cat figurine magnetically attached to the keyboard, highlighting its decorative and removable nature.
