SETUP

Charging the Earbuds and Case

1. Place the earbuds into the charging case. Ensure they are correctly seated.
2. Connect the USB Type-C charging cable to the charging port on the case and a power source.
3. The indicator light on the charging case will show charging status. A full charge provides up to 30 hours of total playback (8 hours from earbuds, 22 hours from case).

ULTRA-LONG BATTERY LIFE

Enjoy up to 30 hours
of nonstop music.

Bluetooth Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for available Bluetooth devices and select "Monster AC221" from the list.
4. Once connected, you will hear an audio prompt, and the indicator light on the earbuds will confirm successful pairing.

BLUETOOTH 6.0 TECHNOLOGY

The upgraded Bluetooth 6.0 chip offers faster connections, lower power consumption, and quicker data transmission.

How to Wear

For optimal sound quality and comfort, ensure the earbuds are worn correctly.

- 1. Identify Left and Right:** Check the 'L' and 'R' markings on each earbud.
- 2. Positioning:** Gently clip the earbud onto your ear, ensuring the speaker part is aligned with your ear canal and the clip rests securely over the top of your ear.
- 3. Adjust for Comfort:** Adjust the earbud's position until it feels secure and comfortable without causing pressure. The open-ear design should allow for a natural fit.

How to Wear?

MAINTENANCE

Cleaning

- Wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure charging contacts are clean and dry before placing earbuds in the case.

Water Resistance (IPX6)

The earbuds are IPX6 water resistant, meaning they can withstand powerful water jets. This makes them suitable for use during workouts or in light rain. However, they are not designed for submersion in water. Do not wear them while swimming or showering.

Storage

When not in use, store the earbuds in their charging case to protect them and ensure they remain

charged. Store in a cool, dry place away from extreme temperatures.

TROUBLESHOOTING

- **No Sound:**

- Ensure earbuds are charged.
- Check if the earbuds are properly paired with your device.
- Adjust the volume on both your device and the earbuds.

- **Pairing Issues:**

- Turn off Bluetooth on your device and turn it back on.
- Forget "Monster AC221" from your device's Bluetooth list and attempt to re-pair.
- Ensure the earbuds are fully charged.

- **Earbuds Not Charging:**

- Ensure the charging cable is securely connected to both the case and the power source.
- Check if the charging contacts on the earbuds and inside the case are clean and free of debris.
- Try a different USB Type-C cable or power adapter.

- **Poor Call Quality:**

- Ensure the microphone is not obstructed.
- Move closer to your connected device to improve signal strength.
- Check for excessive background noise in your environment.
