2. SAFETY INFORMATION

Please observe the following safety guidelines to prevent injury or damage to the product:

- Always assemble the desk according to the provided instructions.
- Ensure all screws and fasteners are tightened securely for stability before use.
- Do not overload the desk, especially near the power outlet. Refer to specifications for weight limits.
- Keep the desk away from water, excessive moisture, and direct heat sources to prevent damage to materials and electrical components.
- Always unplug the power outlet when not in use, during cleaning, or before moving the desk.
- Do not allow children to climb on or play with the desk.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

4. SETUP & ASSEMBLY

Assembly typically requires two people. Follow the step-by-step instructions provided in the separate assembly guide included in your package. Ensure you have adequate space and the necessary tools (usually an Allen wrench, provided) before starting.

1. **Unpack and Identify Parts:** Lay out all components and hardware. Compare them with the parts list in the assembly guide.
2. **Assemble the Frame:** Connect the metal frame components as per the diagrams. Do not fully tighten screws until all parts are aligned.
3. **Attach Desk Panels:** Secure the main L-shaped desk panels to the frame.
4. **Install Storage Hutch:** The top hutch can be installed on either the left or right side of the desk. Follow the guide for your desired orientation. The 3-layer bookshelf within the hutch is also adjustable.
5. **Integrate Power Outlet:** Secure the power outlet strip into its designated slot on the desk.
6. **Attach Accessories:** Install the fabric drawer, CPU stand, and iron hooks.
7. **Final Tightening:** Once all components are in place and aligned, securely tighten all screws.
8. **Apply LED Lights:** Adhere the RGB LED light strip to the designated area, typically under the hutch or along the desk edges, as shown in the assembly guide.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. For spills, clean immediately.
- **Dusting:** Regularly dust all surfaces, including shelves and metal frames, with a dry, soft cloth.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.
- **Electrical Components:** Ensure the power strip and LED lights are kept dry. Do not attempt to repair electrical components yourself; contact qualified personnel if issues arise.

7. TROUBLESHOOTING

If you encounter issues with your SEDETA L Shaped Gaming Desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk is wobbly.	Loose screws; uneven floor.	Check and tighten all assembly screws. Adjust the leveling feet on the desk legs if your floor is uneven.

Problem	Possible Cause	Solution
Power outlet not working.	Desk power cord unplugged; wall outlet issue; overloaded circuit.	Ensure the desk's power cord is securely plugged into a functional wall outlet. Test the wall outlet with another device. Reduce the number of devices plugged into the desk's power strip.
LED lights not turning on/responding.	LED strip unplugged; remote battery dead; app connection issue.	Check if the LED light strip is properly connected to its power source. Replace the remote control battery. Re-pair the LED lights with the app if using app control.
Fabric drawer does not slide smoothly.	Obstruction; improper installation.	Check for any items obstructing the drawer's path. Ensure the drawer is correctly inserted into its runners as per assembly instructions.

If the problem persists after attempting these solutions, please contact SEDETA customer support for further assistance.
