SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure safe use and longevity of your desk:

- Always assemble the desk strictly according to the provided instructions.
- Ensure all screws and fasteners are tightened securely for optimal stability. Periodically check and re-tighten as needed.
- Do not overload the desk, especially the storage shelves, beyond their intended weight capacity.
- Keep the integrated power outlet dry and away from any liquids or flammable materials.
- Always unplug the power strip from the wall outlet when the desk is not in use or when leaving it unattended for extended periods.
- Keep small parts and assembly hardware away from children and pets.

PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Desktop Panels (L-shaped sections)
- Metal Frame Components (legs, support bars)
- 3-Tier Storage Shelves (hutch)
- Fabric Drawer
- Integrated Power Outlet with USB Ports
- LED Light Strip
- CPU Shelf
- 4 Iron Hooks
- Assembly Hardware (screws, nuts, bolts, etc.)
- Instruction Manual

Note: Assembly tools are not included. You will need a screwdriver and possibly a wrench for assembly.

SETUP AND ASSEMBLY

Follow these steps carefully for proper assembly. It is recommended to assemble the desk with two people for ease and safety.

1. **Prepare the Area:** Clear a spacious area for assembly. Lay down a blanket or cardboard to protect the desk components and your floor.
2. **Identify Parts:** Unpack all components and identify them using the parts list in the separate assembly guide.
3. **Assemble the Frame:** Begin by attaching the metal frame components according to the diagrams in the assembly guide. Do not fully tighten screws until all parts are aligned.
4. **Attach Desktop Panels:** Secure the desktop panels to the assembled frame. Ensure proper alignment before tightening all screws.
5. **Install Storage Shelves:** The 3-tier storage shelves can be installed on either the left or right side of the L-shaped desk, depending on your preference. Refer to the assembly guide for reversible configuration options.
6. **Integrate Power Outlet:** Install the power outlet into the designated slot on the desktop.
7. **Attach LED Light Strip:** Secure the LED light strip to the underside of the hutch or desired location as per instructions.
8. **Install Fabric Drawer:** Insert the fabric drawer into its designated slot.
9. **Place CPU Shelf and Hooks:** Position the CPU shelf and attach the iron hooks as desired.
10. **Final Tightening:** Once all components are in place and aligned, securely tighten all screws.

FEATURES

Reversible L-Shaped Design

The desk's L-shaped configuration is fully reversible, allowing the 3-tier storage hutch to be placed on either the left or right side. This flexibility enables you to adapt the desk to various room layouts and personal preferences, optimizing your space.

Integrated Power Outlet

The desk includes a built-in power strip with 4 standard AC outlets and 2 USB ports. This feature provides convenient access to power for up to 6 devices simultaneously, eliminating the need for multiple wall adapters and extension cords. The power cord is 5.3 feet long, and the unit supports a maximum power of 1500W.

RGB LED Lighting

Enhance your gaming or working ambiance with the integrated RGB LED light strip. The lights can be controlled via a dedicated app, offering multiple colors and 29 flashing modes. A built-in sensitivity-adjustable microphone enables a music sync function, allowing the light colors to change with the rhythm of sound and music.

Ample Storage Solutions

The desk is equipped with various storage options to keep your workspace organized:

- **3-Tier Storage Shelves:** Located above the main desk area, these shelves provide ample space for books, decor, and office supplies.
- **Fabric Drawer:** A convenient fabric drawer offers enclosed storage for office supplies, keeping your desktop clutter-free.
- **CPU Stand:** A dedicated CPU shelf protects your computer tower from dust and moisture while promoting better airflow for heat dissipation.
- **4 Iron Hooks:** These hooks are ideal for hanging headphones, backpacks, or other accessories, keeping them easily accessible.

OPERATION

Using the Power Outlet

To use the integrated power outlet, ensure the desk's power cord is securely plugged into a functional wall outlet. You can then plug in your devices (laptops, monitors, phones, etc.) into the AC outlets or USB ports. Always ensure devices are compatible with the power specifications (120V/12A for AC, 5V/2A for USB).

Controlling the LED Lights

The LED lights can be controlled via a dedicated mobile application. Download the app (refer to the separate LED light manual or packaging for app name/QR code) and connect it to the LED strip via Bluetooth. Through the app, you can:

- Change colors (over 60,000 options).
- Select from 29 flashing modes.

- Activate music sync mode, where lights react to sound.
- Set timers for automatic on/off.

MAINTENANCE

Regular maintenance will help preserve the appearance and functionality of your SEDETA L Shaped Gaming Desk:

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish. For the metal frame, a mild soap solution can be used.
- **Dusting:** Regularly dust all surfaces, including shelves and the CPU stand, to prevent buildup.
- **Hardware Check:** Periodically inspect all screws and connections to ensure they remain tight. Re-tighten any loose hardware to maintain stability.
- **Power Outlet Care:** Keep the power outlet clean and free of dust. Do not insert foreign objects into the outlets.
- **LED Lights:** Ensure the LED strip and its connections are not exposed to excessive moisture or physical damage.

TROUBLESHOOTING

If you encounter any issues with your desk, refer to the common problems and solutions below:

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose screws; uneven floor.	Ensure all assembly screws are fully tightened. Adjust desk feet levelers if present, or place shims under legs on uneven surfaces.
Power outlets not working.	Desk not plugged in; circuit breaker tripped; faulty outlet.	Verify the desk's power cord is securely plugged into a live wall outlet. Check your home's circuit breaker. Test the wall outlet with another device.
LED lights not turning on/responding.	Loose connection; app not connected; power issue.	Check that the LED strip is properly connected to its power source. Ensure your mobile device's Bluetooth is on and connected to the LED strip via the app. Verify the desk's power outlet is functional.
Fabric drawer does not slide smoothly.	Improper installation; obstruction.	Ensure the drawer is inserted correctly and there are no obstructions in its path. Re-check assembly steps for the drawer mechanism.
