

## EZVALO IP65 Waterproof Rechargeable Cordless Shower Lamp

# EZVALO IP65 Waterproof Rechargeable Cordless Shower Lamp User Manual

Model: IP65 Waterproof Rechargeable Cordless Shower Lamp

### 1. INTRODUCTION

Thank you for choosing the EZVALO IP65 Waterproof Rechargeable Cordless Shower Lamp. This lamp is designed to provide versatile lighting for various environments, including bathrooms, showers, and outdoor spaces. Its IP65 waterproof rating ensures durability against splashes and steam, while the rechargeable battery offers cordless convenience. This manual provides essential information for proper setup, operation, and maintenance of your lamp.

## 2. WHAT'S IN THE BOX

Carefully unpack the contents and ensure all items are present:

- 1 x 360° All-Around Glow Lamp Head
- 2 x 3.6-inch Wood-Grain Metal Rods
- 2 x Non-slip Rubber Bases
- 1 x USB-C Charging Cable
- 1 x User Manual (this document)

## 3. SETUP AND ASSEMBLY

Follow these steps to assemble your EZVALO Shower Lamp:

1. **Attach the Rods:** Screw one of the metal rods into the center of a non-slip rubber base.
2. **Adjust Height (Optional):** If a taller lamp is desired, screw the second metal rod onto the top of the first rod.
3. **Install Lamp Head:** Carefully screw the lamp head onto the top of the assembled rod(s).
4. **Initial Charge:** Before first use, fully charge the lamp using the provided USB-C cable. The charging port is located on the lamp head. A full charge takes approximately 4 hours.

## 4. OPERATING INSTRUCTIONS

The EZVALO Shower Lamp features intuitive touch controls for ease of use.

### Power On/Off and Brightness Adjustment

- **Power On/Off:** Tap the touch control area on the top of the lamp head once to turn the lamp on or off.
- **Stepless Dimming:** Press and hold the touch control area to continuously adjust the brightness level. Release when the desired brightness is reached.

### Color Temperature Selection

- **Change Color Temperature:** Double-tap the touch control area to cycle through the three available color temperatures: Warm White (3000K), Natural White (4200K), and Cool White (6000K).
- **Memory Function:** The lamp will remember your last brightness and color temperature setting when turned off and on again.

## Charging the Lamp

- Connect the provided USB-C cable to the charging port on the lamp head and to a compatible USB power adapter (not included).
- The indicator light will show charging status (e.g., red for charging, green for fully charged).
- A full charge provides approximately 6-9 hours of continuous lighting in Always-On Mode.

## 5. FEATURES

- **IP65 Waterproof:** Designed to withstand steam, splashes, and humidity, making it suitable for use in showers, bathtubs, and outdoor areas. *Note: Not intended for full submersion.*

Image 5.1: The lamp demonstrating its IP65 waterproof capability in a shower environment.

- **3 Color Temperatures:** Offers Warm White (3000K) for relaxation, Natural White (4200K) for everyday lighting, and Cool White (6000K) for brighter visibility.

# Spa-Like Shower Glow

Soft light for a more  
relaxing shower

**Soft Glow**  
Warm and gentle  
lighting

**Mood Lighting**  
Creates a cozy,  
spa-like ambiance

**Shower Comfort**  
Makes every shower  
more relaxing

Image 5.2: The lamp creating a relaxing, spa-like ambiance in a shower.

- **4500mAh Rechargeable Battery:** Provides 6-9 hours of continuous light on a single charge, offering cordless portability.
- **Touch Control with Stepless Dimming & Memory:** Easily adjust brightness and color temperature with a touch. The lamp remembers your last setting.
- **Modern & Portable Design:** Features detachable metal poles for adjustable height and a non-slip base, suitable for various indoor and outdoor settings.

# Portable Cordless Table Lamp

Take it Wherever You Want

- ✓ High Quality Metal Lamp Body
- ✓ 360 Degree Light
- ✓ Simple Design

Image 5.4: Examples of the lamp's versatile use in different environments.

## 6. MAINTENANCE

- **Cleaning:** Wipe the lamp with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the lamp in a cool, dry place when not in use for extended periods.
- **Battery Care:** To prolong battery life, avoid fully discharging the lamp frequently. Recharge it regularly, even if not in constant use.

## 7. TROUBLESHOOTING

- **Lamp does not turn on:** Ensure the lamp is fully charged. If the battery is low, connect it to the USB-C charger.
- **Light flickers or turns off unexpectedly:** This may indicate a low battery. Recharge the lamp.
- **Cannot change color temperature or brightness:** Ensure you are using the correct touch gestures (single tap for on/off, double tap for color temp, press and hold for dimming).
- **Water ingress:** While IP65 rated, avoid full submersion. If water enters the device, turn it off immediately and allow it to dry completely before attempting to use it again.

## 8. SPECIFICATIONS

Feature	Specification
Brand	EZVALO
Model	IP65 Waterproof Rechargeable Cordless Shower Lamp
Product Dimensions	4.7"D x 4.7"W x 11.6"H
