3. Features

- **Customizable Keys:** Tailor your gaming experience with adjustable key settings for competitive gaming and achieving high scores.
- **Gaming Combo:** Includes keyboard, mouse converter, gaming mouse, and adjustable phone stand for an enhanced gaming experience.
- **Optimized Gaming Experience:** Cutting-edge technology ensures smooth gameplay with minimal latency for a true gaming feel.
- **Seamless Plug and Play:** No app needed; simply plug in and start gaming. Easy mouse pointer activation for quick controls.
- **Fast Phone Charging:** Supports 5V 2000mA output for quick charging during gameplay without interruptions.
- **Bluetooth Direct Connection:** Supports 5V 2000mA output for fast phone charging. Does not modify official game data mapping; Android system data access bypasses detection.
- **No Latency:** GAMWING chip's underlying 120 frames per second mapping technology provides a

PC-like gaming touch experience without latency.

- **One Key for Multiple Use:** Optimized mouse algorithm replicates PC gaming mouse feel. Key splitting allows one key for multiple uses.
- **Customized Key Settings:** Freely set game keys, show/hide game keys, and add keys for sprint and other targets.

4. Setup Instructions

Follow these steps to set up your POCREATION 4-in-1 Mobile Game Combo Pack:

1. **Unpack Components:** Carefully remove all items from the packaging: the keyboard and mouse converter, K13 gaming keyboard, 4D mouse, data cable, cell phone stand, and this instruction manual.
2. **Position Phone Stand:** Place the adjustable phone stand on a stable surface and adjust it to your preferred viewing angle.
3. **Connect Keyboard and Mouse:**
 - Connect the K13 Gaming Keyboard to one of the USB ports on the Keyboard and Mouse Converter.
 - Connect the 4D Mouse to another USB port on the Keyboard and Mouse Converter.

4. **Connect Converter to Phone:**
 - **Wired Connection (Android/Harmony):** Use the provided data cable to connect the Keyboard and Mouse Converter to your mobile phone. Ensure your phone supports OTG functionality if required.
 - **Bluetooth 5.2 Connection (Android/Harmony):**
 - a. Ensure Bluetooth is enabled on your mobile phone.

- b. Power on the Keyboard and Mouse Converter.
 - c. Search for available Bluetooth devices on your phone and select the converter (e.g., "GAMWING" or similar).
 - d. Pair the devices.
5. **Power Connection (Optional, for charging):** Connect the converter to a 5V 2000mA power source using a suitable cable (not included unless specified in package contents). This allows for fast phone charging during gameplay.
 6. **Initial Setup:** The device is designed for "plug and play." No additional app installation is required. Once connected, activate the mouse pointer with a single click to access all game interface functions.

5. Operating Instructions

Once the setup is complete, you can begin using your mobile game combo pack:

1. **Game Launch:** Open your desired FPS handheld game (e.g., PUBG Mobile, Free Fire) on your mobile phone.
2. **Key Mapping:**
 - The system uses a 120 frames per second mapping technology for a responsive experience, replicating PC-level touch.
 - **Customizing Keys:** You can freely set and customize game keys. The game keys can be shown or hidden as needed. This allows for personalized configurations, such as assigning sprint or target actions to specific keys.
 - The mouse algorithm is optimized to replicate the feel of a PC gaming mouse.
 - Utilize the "one key for multiple uses" feature by splitting key functions as desired.
3. **Mouse Pointer Activation:** If the mouse pointer is not visible, a single click on the mouse should activate it, allowing full navigation of the game interface.
4. **Charging During Play:** If connected to a 5V 2000mA power source, your phone will charge rapidly during gameplay, preventing interruptions.

6. Maintenance

To ensure the longevity and optimal performance of your POCREATION 4-in-1 Mobile Game Combo Pack, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the surfaces of the keyboard, mouse, converter, and phone stand. Avoid using harsh chemicals or abrasive materials that could damage the finish.
- **Storage:** When not in use, store the combo pack in a cool, dry place away from direct sunlight and extreme temperatures.
- **Cable Care:** Handle cables gently to prevent damage. Avoid sharp bends, kinks, or excessive pulling that could compromise internal wiring.
- **Avoid Liquids:** Keep all components away from liquids to prevent electrical damage and malfunction.

7. Troubleshooting

If you encounter any issues with your device, please refer to the following troubleshooting tips:

- **Device Not Connecting:**
 - **Wired:** Ensure the data cable is securely connected to both the converter and your phone. Verify your phone's OTG function is enabled if necessary.
 - **Bluetooth:** Ensure Bluetooth is enabled on your phone and the converter is powered on. Try

re-pairing the devices from your phone's Bluetooth settings.

- **Keys/Mouse Not Responding:**

- Check all USB cable connections between the keyboard, mouse, and converter.
- Ensure the converter is properly powered.
- Restart your mobile phone and reconnect the devices.

- **Mouse Pointer Not Appearing:** Click the mouse once to activate the pointer within the game interface.

- **Lag/Latency Issues:**

- Ensure your phone's operating system is up to date.
- Close unnecessary background applications on your phone to free up resources.
- Verify the converter is receiving adequate power, especially if using the charging feature.

- **Phone Not Charging:**

- Ensure the converter is connected to a 5V 2000mA power source.
- Check the charging cable for damage and ensure it is securely connected.
- Confirm your phone supports charging via the converter.
