

Tribesigns HOGA-RY0253X

Tribesigns 63-Inch Executive Desk

Model: HOGA-RY0253X

Instruction Manual

1. INTRODUCTION

Thank you for choosing the Tribesigns 63-Inch Executive Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. SAFETY INFORMATION

- **Weight Limit:** Do not exceed the maximum weight capacity of 200 lbs (90.7 kg) on the desk surface to ensure stability and prevent tipping.
- **Assembly:** Always assemble the desk on a soft, clean surface to prevent scratches. Ensure all parts are correctly aligned and securely fastened before use.
- **Stability:** Place the desk on a level and stable floor. Uneven surfaces can compromise stability.
- **Small Parts:** Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- **Tools:** Use only the provided tools or appropriate hand tools. Do not use power tools unless explicitly instructed, as over-tightening can damage components.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. The package includes pre-numbered parts and all necessary assembly tools. If any parts are missing or damaged, please contact customer support.

4. SETUP AND ASSEMBLY

Assembly is required for this executive desk. It is recommended that **two people** participate in the assembly process to ensure ease and safety. A screwdriver is the primary tool recommended, and all necessary tools are included in the package.

Assembly Tips:

- Follow the detailed instructions provided in the assembly guide included with your product.
- Lay out all parts and hardware before starting to identify each component.
- Do not fully tighten all screws until the entire desk is assembled and aligned.
- If you encounter difficulty aligning holes, slightly loosen adjacent screws to allow for adjustment, then re-tighten.

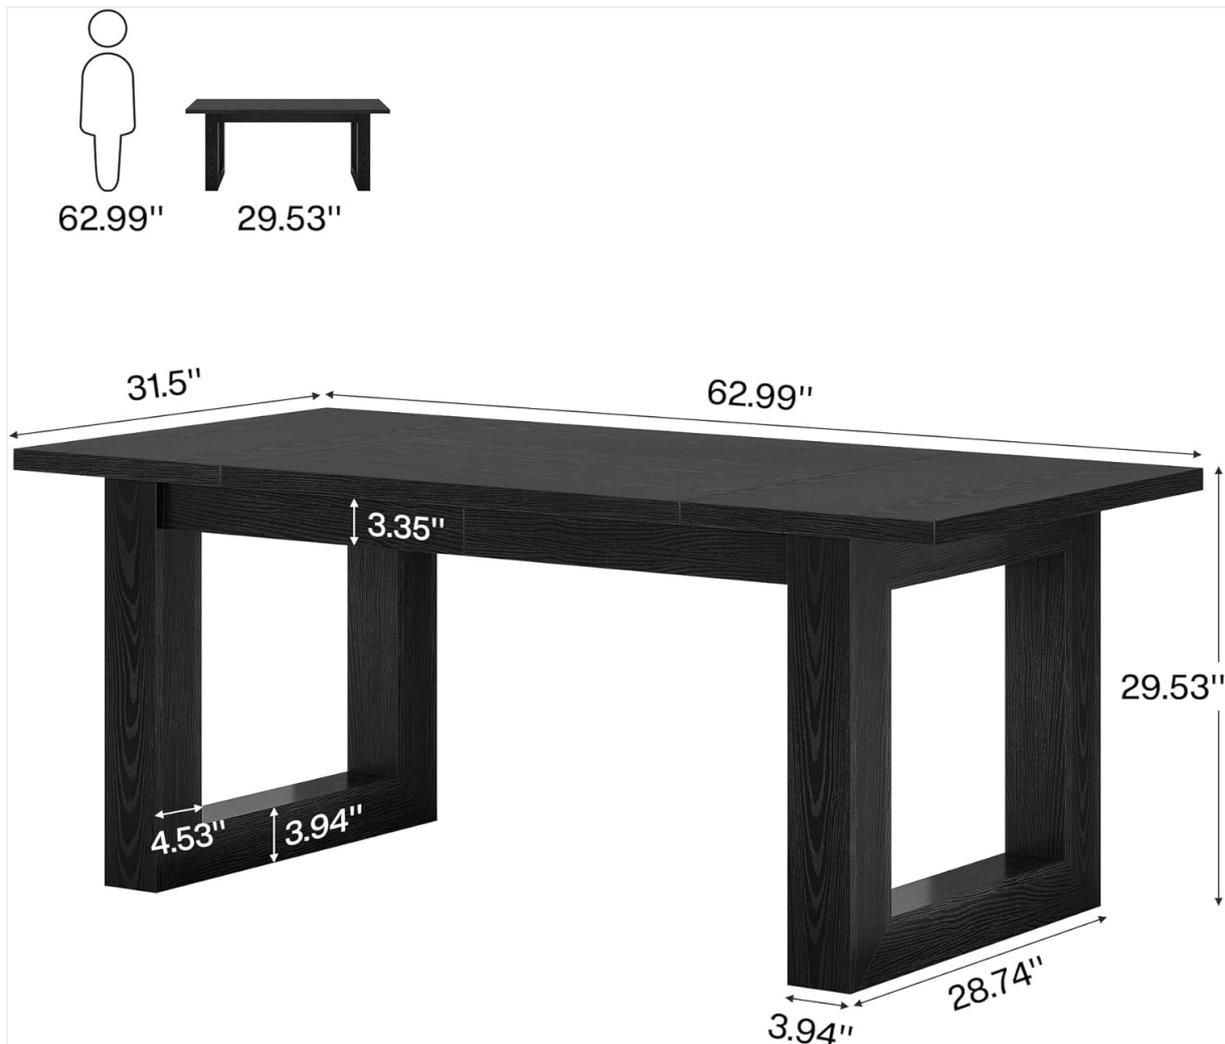

Assembly Video:

For additional guidance, please refer to the assembly video below:

This video provides a visual guide to the assembly process of the Tribesigns Executive Desk, demonstrating key steps and techniques.

Product Dimensions:

This diagram illustrates the overall dimensions of the desk, including length, width, and height, as well as specific measurements for the base structure.

5. OPERATING INSTRUCTIONS

The Tribesigns Executive Desk is designed as a spacious workstation for various tasks. Its large surface (63"W x 31.5"D) can comfortably accommodate dual monitors, laptops, paperwork, and other office essentials, facilitating seamless multitasking.

Versatile Use:

- **Home Office:** Ideal for professional work, studying, or creative projects.
- **Conference Rooms:** Suitable for meetings and collaborative work.
- **Gaming/Crafting:** Provides ample space for hobbies requiring a large surface.

The desk provides a spacious surface for a laptop and other office essentials, showcasing its modern design.

This image demonstrates the desk's capacity to comfortably hold a desktop computer, monitor, and accessories.

6. MAINTENANCE

To ensure the longevity and appearance of your Tribesigns Executive Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe the desk surface with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Although the desk features a scratch-resistant and waterproof laminated finish, promptly wipe up any spills to prevent potential damage.
- **Protection:** Use coasters for drinks and placemats for hot items to protect the surface from heat and moisture rings.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

This image details the practical advantages of the desk's black laminated finish, emphasizing its resistance to water and scratches, and ease of maintenance.

7. TROUBLESHOOTING

If you encounter issues during assembly or use, consider the following common solutions:

- **Wobbly Desk:** Ensure all screws are fully tightened. Check that the desk is placed on a level surface. Adjust floor glides if present.
- **Parts Not Aligning:** Loosen all screws in the affected section, gently adjust the parts to align, then re-tighten evenly. Sometimes, slight pressure is needed to fit components together.
- **Missing or Damaged Parts:** If you find any parts are missing or damaged upon unboxing, do not proceed with assembly. Contact Tribesigns customer support immediately for replacements.
- **Stripped Screws/Nuts:** If a screw or nut becomes stripped, stop assembly and contact customer support for replacement hardware. Do not force stripped components.

8. SPECIFICATIONS
