BTHFST TS03

BTHFST LED TV Stand (Model TS03) Instruction Manual

Model: TS03 | Brand: BTHFST

1. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always secure the cabinet to the wall using the anti-tipping kit to prevent tipping. This is crucial for safety, especially in households with children or pets.
- Keep the power outlets dry and do not overload them. Ensure all connected devices are within the specified electrical limits.
- Unplug all power cords when the TV stand is not in use or during cleaning.
- Keep the area around the cabinet clear of flammable materials to prevent fire hazards.

Figure 1.1: Anti-Tipping Device Installation. This image illustrates how to properly install the anti-tipping device to secure the TV stand to the wall, enhancing stability and preventing accidental tipping.

2. PRODUCT OVERVIEW

The BTHFST LED TV Stand (Model TS03) is designed to accommodate televisions up to 70 inches, offering both functional storage and ambient lighting. It features a robust construction with integrated power outlets for convenience.

Figure 2.1: BTHFST LED TV Stand. This image displays the white TV stand with its integrated blue LED lighting, showcasing its design and capacity to hold a large television and multiple media components.

Key Features:

- **Ample Storage:** Six premium PU fabric drawers and large open shelves provide extensive space for media accessories, DVDs, books, and other living room essentials.
- **Integrated Power Outlets:** A built-in charging station includes 2 AC outlets, 1 USB-A port, and 1 Type-C port for convenient device charging.
- **Smart LED Lighting:** Features colorful LED lights with over 60,000 color options, mic, music, and various timing dynamic modes, controllable via an app or key.
- **Durable Construction:** Made with durable wooden tops, premium PU fabric drawers, and a sturdy metal frame, supporting up to 150 lbs. Includes an anti-tipping kit for enhanced stability.
- **FSC-Certified Wood:** The open storage shelf and desktop are constructed from FSC-certified wood, ensuring responsible sourcing.

3. SETUP AND ASSEMBLY

Assembly of the BTHFST LED TV Stand is required. Please follow the detailed instructions provided in the packaging. All necessary components and tools are included.

3.1 Unpacking and Component Check

- Carefully unpack all contents and lay them out on a clean, soft surface to prevent scratches.
- Verify that all numbered components and hardware listed in the instruction manual are present.

3.2 Assembly Steps

Refer to the step-by-step assembly guide included in your product packaging. It contains diagrams and specific instructions for each stage of assembly.

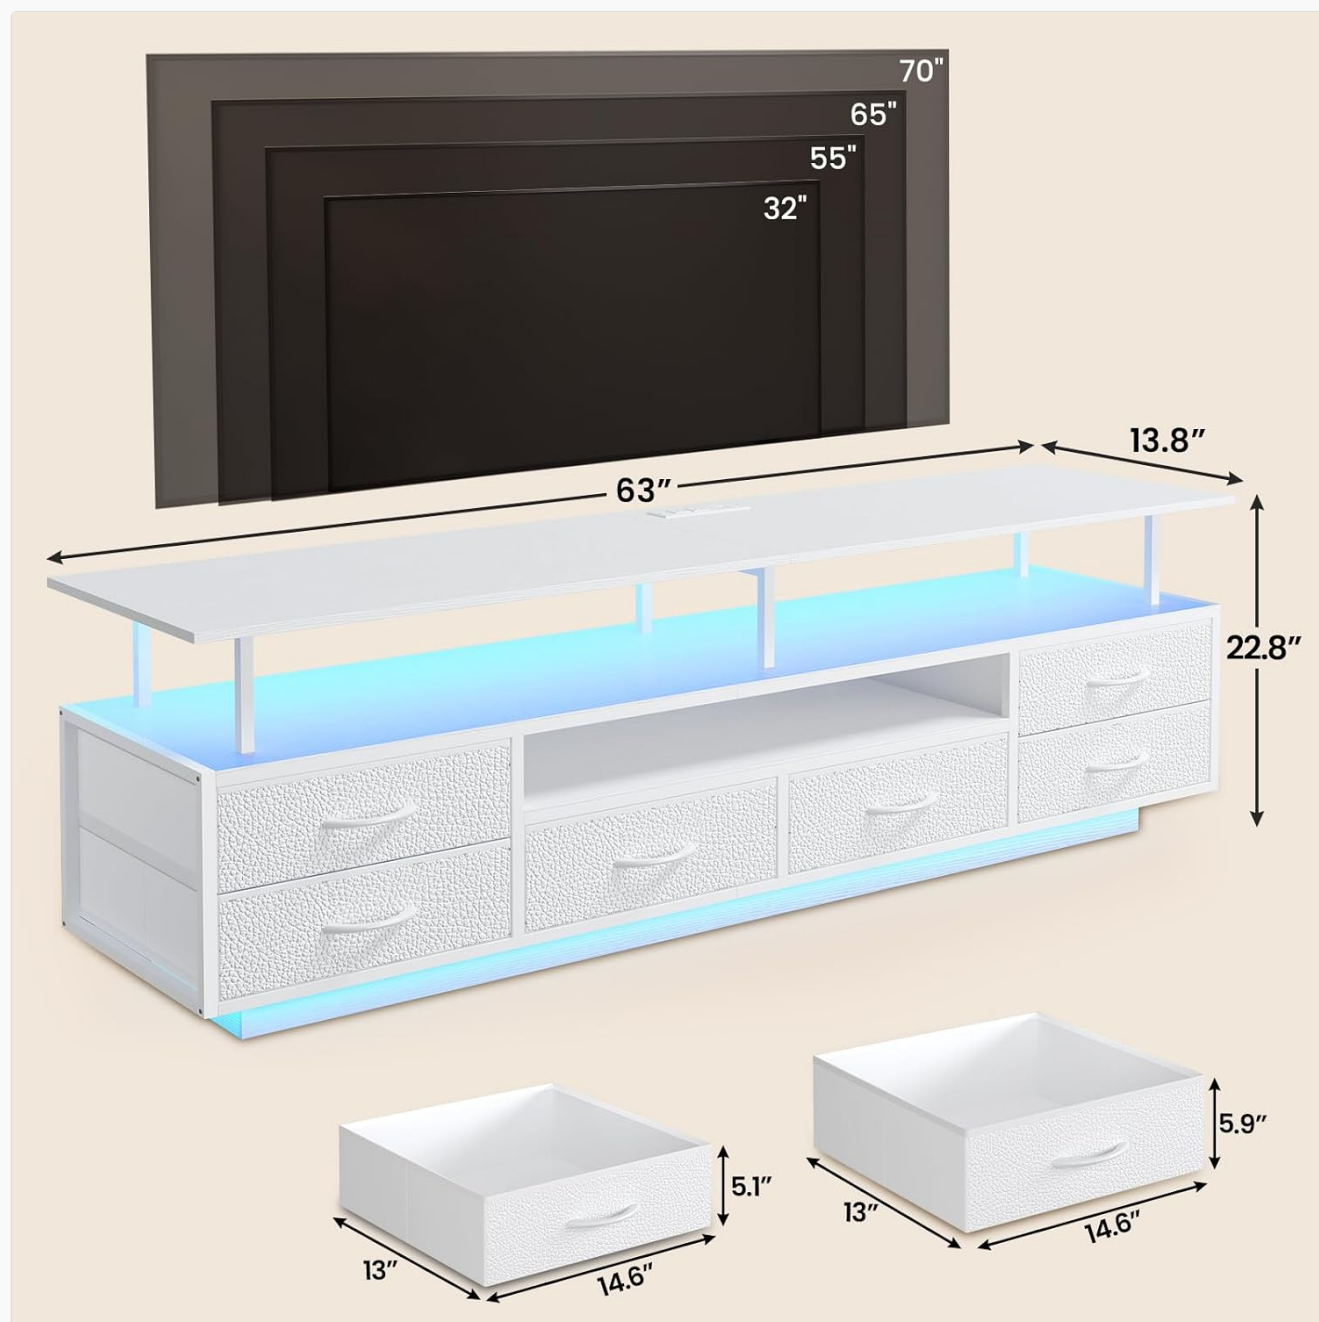

Figure 3.1: Product Dimensions and TV Compatibility. This diagram illustrates the overall dimensions of the TV stand (63" L x 13.8" W x 22.8" H) and the sizes of the fabric drawers. It also indicates compatibility with TVs ranging from 32" to 70" inches.

3.3 Anti-Tipping Kit Installation

For safety, it is mandatory to install the anti-tipping kit. Follow the instructions provided with the kit to securely fasten the TV stand to a wall stud. This prevents the unit from accidentally falling over.

4. OPERATING INSTRUCTIONS

4.1 LED Lighting System

The BTHFST LED TV Stand features an integrated LED lighting system with extensive customization options.

- **Control:** The LED lights can be controlled via a dedicated mobile application or a physical key control.
- **Color Options:** Access over 60,000 colors to match your mood or decor.
- **Dynamic Modes:** Explore various dynamic modes, including mic mode (lights react to sound), music mode (lights sync with music), and timing functions for scheduled operation.

Figure 4.1: LED Lighting in Operation. This image shows the TV stand illuminated with colorful LED lights, highlighting the aesthetic effect and the available control methods (app and key).

4.2 Built-in Power Outlets

The TV stand includes a convenient charging station for your electronic devices.

- **AC Outlets:** Two 125V/12A AC outlets are provided for standard electronics.
- **USB Ports:** One USB-A port and one Type-C port (5V/2A) are available for charging smartphones, tablets,

and other USB-powered devices.

- **Cable Management:** The design helps keep wires tidy for a clutter-free living space.

Handy Charging Station

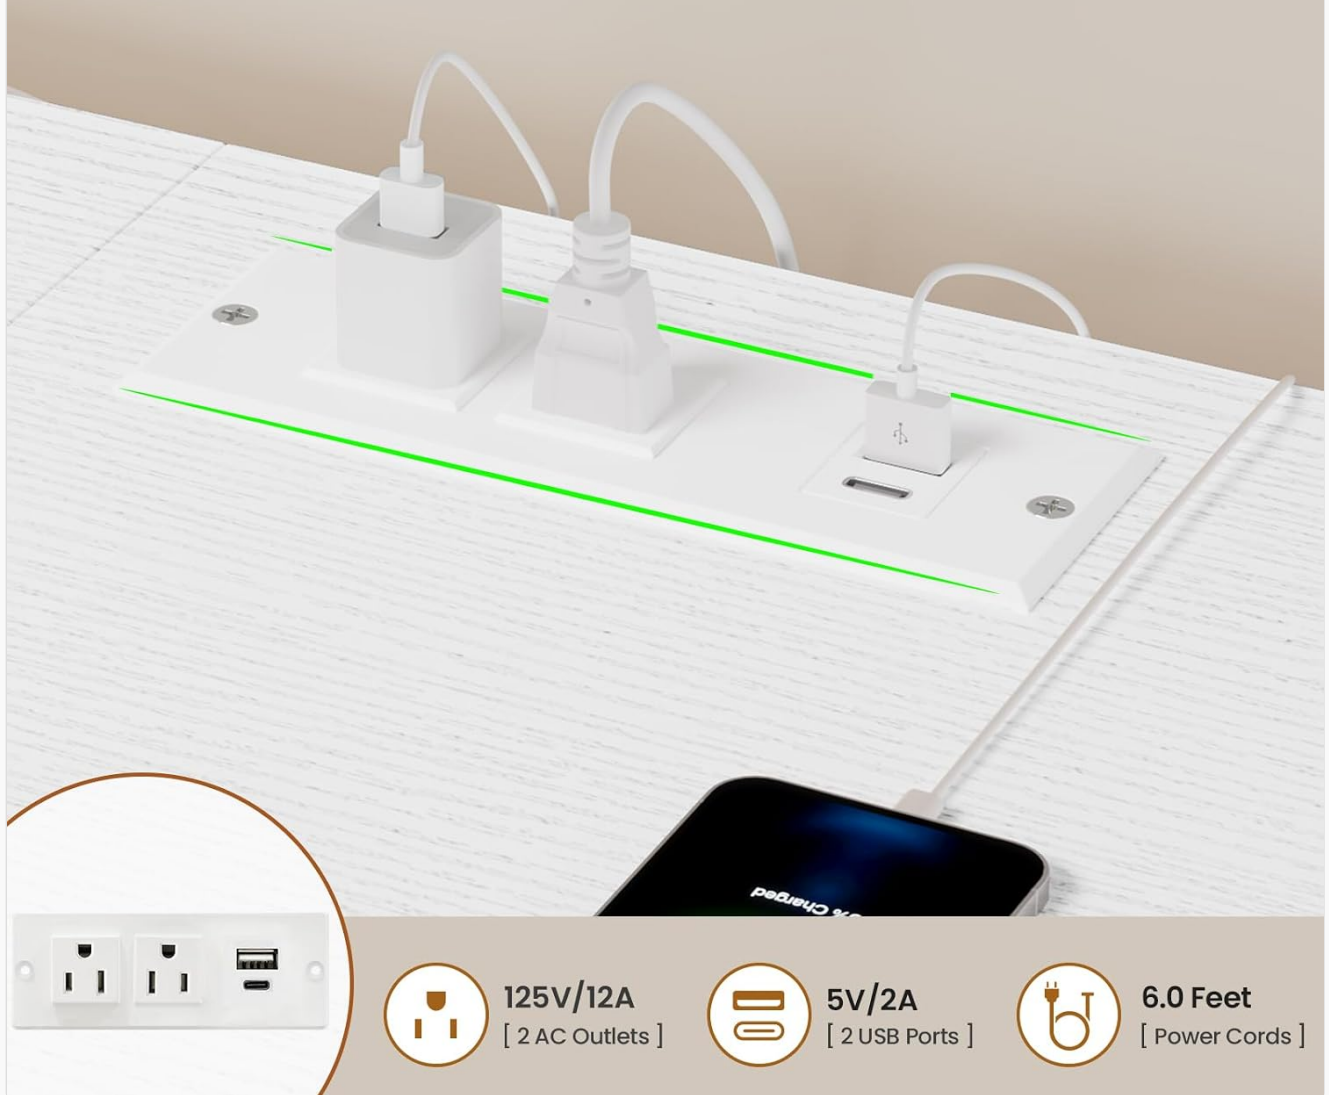

Figure 4.2: Integrated Power Outlets. This image provides a detailed view of the charging station, featuring two AC outlets and two USB ports (USB-A and Type-C) for convenient power access.

4.3 Storage Usage

Utilize the six fabric drawers and open shelves to organize your media components, accessories, and decorative items.

6 Large Storage Drawers & Open Storage Shelves

Figure 4.3: Storage Configuration. This image demonstrates the practical use of the TV stand's open shelves for displaying media players and decorative items, alongside the six fabric drawers for concealed storage.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your BTHFST LED TV Stand.

- **Cleaning Surfaces:** The wooden tops are durable and easy to clean. Use a soft, damp cloth to wipe down surfaces. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Fabric Drawers:** The premium PU fabric drawers can be spot cleaned with a mild detergent and a damp cloth. Allow to air dry completely.
- **LED Lights:** Gently wipe the LED strips with a dry, soft cloth to remove dust. Do not use liquids directly on the LED components.
- **Power Outlets:** Ensure the power outlets remain dry and free of dust. Do not attempt to clean them with liquids while plugged in.
- **Structural Integrity:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.

6 Large Storage Drawers & Open Storage Shelves

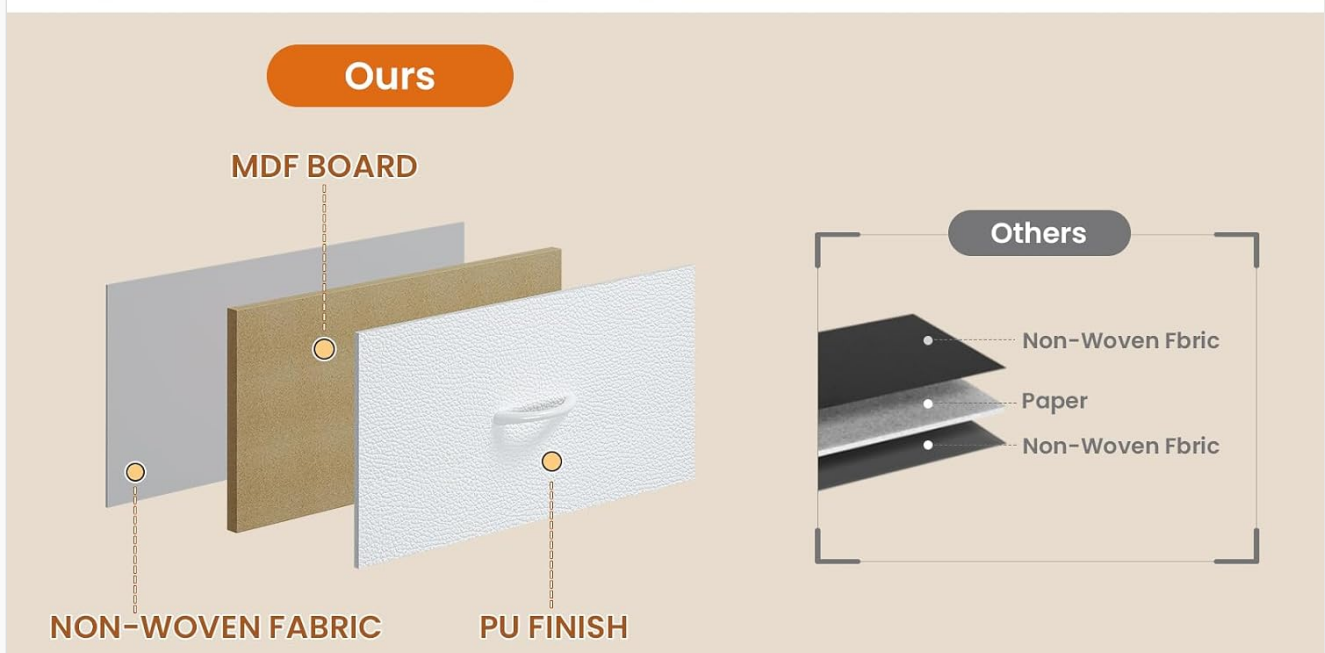

Figure 5.1: Drawer Material Construction. This image details the layered composition of the drawers, featuring a non-woven fabric interior, an MDF board core, and a PU finish exterior, indicating their durable and easy-to-clean nature.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your BTHFST LED TV Stand.

- **LED Lights Not Working:**

- Check if the LED strip is properly connected to the power source and controller.
- Ensure the power adapter is plugged into a functional wall outlet.
- If using the app, verify Bluetooth connection and app settings.

- **LED Lights Falling Off:**

- Re-secure the LED strip using its adhesive backing. For added durability, consider using additional adhesive clips or tape if needed.

- **Power Outlets Not Functioning:**

- Confirm the main power cord for the TV stand's outlets is securely plugged into a wall outlet.
 - Check if the wall outlet itself is working by plugging in another device.
 - Avoid overloading the outlets; ensure the total wattage of connected devices does not exceed the specified limit.
- **Assembly Difficulties:**
 - Review the assembly instructions carefully, paying close attention to diagrams and numbered parts.
 - Ensure all components are oriented correctly before tightening screws.
 - If a part seems difficult to fit, double-check the instructions for specific alignment or technique.
 - **Stand Appears Unstable:**
 - Ensure all screws are fully tightened.
 - Verify that the anti-tipping kit is correctly installed and secured to a wall stud.
 - Place the TV stand on a flat, level surface.

7. SPECIFICATIONS

Attribute	Specification
