Xixini 6-Drawer Modern Dresser Instruction Manual

Model: HLG032-NA | Brand: Xixini

1. INTRODUCTION

Thank you for choosing the Xixini 6-Drawer Modern Dresser. This versatile and stylish furniture piece is designed to provide ample storage and enhance the aesthetic of your living space. This manual contains important information regarding the assembly, safe operation, and maintenance of your dresser. Please read it thoroughly before beginning assembly and retain it for future reference.

2. SAFETY INFORMATION

- **Anti-Tipping Device:** An anti-tipping device is included to prevent accidental tipping. It is crucial to install this device securely to a wall stud to ensure the safety of children and pets. Failure to install this device can result in serious injury.
- **Weight Limits:** The top surface of the dresser can support a maximum of 150 pounds (68 kg). Each individual drawer can support a maximum of 35 pounds (15.8 kg). Do not exceed these weight limits. Distribute weight evenly within drawers and on the top surface.
- **Assembly:** Assemble the dresser on a soft, clean surface to prevent scratches. Ensure all parts are correctly aligned and all fasteners are tightened before use.
- **Placement:** Place the dresser on a level and stable surface. The adjustable feet can be used to compensate for uneven floors and enhance stability.

3. PACKAGE CONTENTS

Before assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Dresser Panels (Top, Bottom, Sides, Back, Drawer Fronts, Drawer Sides)
- Drawer Slide Rails (Left and Right sets)
- Metal Handles
- Adjustable Feet
- Anti-Tipping Device
- Hardware Bag (screws, dowels, cam locks, etc.)
- Assembly Instructions Manual

4. ASSEMBLY INSTRUCTIONS

Assembly typically takes approximately 2 hours with two people. Using power tools may reduce assembly time. Follow these steps carefully:

1. **Prepare the Area:** Clear a spacious, clean, and soft area for assembly to prevent damage to the dresser components.
2. **Attach Base Legs:** Secure the X-shaped support legs to the bottom panel of the dresser using the provided hardware. Ensure they are firmly attached.
3. **Install Adjustable Feet:** Screw the adjustable rubber feet into the bottom of the support legs. These can be adjusted later to level the dresser.
4. **Assemble Main Frame:** Connect the side panels, back panel, and top panel to form the main dresser frame. Use cam locks and dowels as indicated in the detailed diagrams.
5. **Install Drawer Slide Rails:** Attach the drawer slide rails to the inner sides of the dresser frame. Ensure they are level and correctly oriented for smooth drawer operation.
6. **Assemble Drawers:** Construct each of the six drawers by connecting the front, back, and side panels. Insert the bottom panel into the grooves. Attach the remaining drawer slide rails to the sides of each drawer.
7. **Attach Handles:** Secure the metal handles to the front of each drawer using the provided screws.
8. **Insert Drawers:** Carefully slide each assembled drawer into its corresponding slot in the dresser frame. Test each drawer for smooth operation.
9. **Install Anti-Tipping Device:** Attach the anti-tipping strap to the back of the dresser and then securely fasten it to a wall stud using the appropriate hardware. This step is critical for safety.
10. **Final Adjustments:** Adjust the rubber feet to ensure the dresser is stable and level on your floor.

5. OPERATING INSTRUCTIONS

Your Xixini 6-Drawer Modern Dresser is designed for easy and efficient storage.

- **Drawer Use:** To open a drawer, gently pull the metal handle. To close, push the drawer back until it is fully seated. The smooth slide rails ensure effortless operation.
- **Weight Distribution:** Distribute items evenly within each drawer to prevent strain on the drawer slides and maintain stability. Avoid placing excessively heavy items in a single drawer.
- **Top Surface:** The wide wooden top can be used to display decorative items, lamps, or as a TV stand. Ensure the weight on the top surface does not exceed 150 pounds (68 kg).

6. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your dresser.

- **Cleaning:** Wipe the dresser surfaces with a soft, damp cloth. For best results, use a mild, non-abrasive cleaner if necessary, then wipe dry immediately. Avoid harsh chemicals or abrasive cleaning materials that can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the wood finish.
- **Sunlight and Heat:** Avoid placing the dresser in direct sunlight or near heat sources, as this can cause fading, warping, or cracking of the wood.
- **Regular Checks:** Periodically check all fasteners and tighten them if they have loosened over time.

7. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the following common solutions:

- **Dresser is Wobbly:** Ensure the dresser is on a level surface. Adjust the rubber feet at the bottom of the support legs until the dresser is stable. Check that all assembly fasteners are tightened.
- **Drawers Do Not Slide Smoothly:** Verify that the drawer slide rails are correctly installed and aligned on both the dresser frame and the drawers. Ensure no objects are obstructing the rails. Check that the drawers are not overloaded beyond the 35-pound limit.
- **Missing Parts or Damaged Components:** If you find any parts missing or damaged upon opening the package, please contact Xixini customer support immediately for assistance.

8. SPECIFICATIONS

Feature	Detail
Brand	Xixini
