## Tribesigns R620YTV

# Tribesigns 63-Inch TV Stand Instruction Manual

Model: R620YTV

## PRODUCT OVERVIEW

---

This Tribesigns 63-inch TV stand is designed to accommodate televisions up to 75 inches. It features a rustic brown finish and offers ample open storage for media components, books, and decorative items. The stand is constructed from engineered wood, providing a solid and sturdy foundation for your entertainment setup.

## ASSEMBLY INSTRUCTIONS

The Tribesigns 63-Inch TV Stand is designed for straightforward assembly. Please follow these general guidelines:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components and hardware kits are present by comparing them against the included parts list in your package.
2. **Identify Parts:** Each part is clearly labeled. Lay out all pieces on a soft, clean surface to prevent scratches.
3. **Follow Step-by-Step Instructions:** Refer to the detailed, illustrated instructions provided in your product package. Pay close attention to diagrams for correct orientation of parts.
4. **Secure Connections:** Use the provided hardware (cam locks, screws, etc.) to securely fasten all connections. Do not overtighten screws to avoid damaging the engineered wood.
5. **Team Assembly Recommended:** For optimal safety and ease, assembly is recommended with two people due to the size and weight of the components.

## Solid Construction

## Ample Tabletop

## Open Storage Space

## USAGE AND PLACEMENT

This versatile TV stand can enhance various rooms in your home:

- **Living Room:** Provides a central point for your entertainment system, with shelves for media devices, soundbars, and decorative items.
- **Bedroom:** Offers a stylish and functional surface for your TV and personal belongings.
- **Home Theater:** Ideal for organizing multiple media components.
- **Entryway:** Can serve as a console table or bench, offering a surface for keys, mail, or display items.

The open design ensures good air circulation for electronic devices and allows for easy access to cables.

## MAINTENANCE AND SAFETY

---

To ensure the longevity and safety of your TV stand, please observe the following:

- **Weight Limit:** Do not load more than 200 lb onto the TV stand. Exceeding this limit may compromise the structural integrity.
- **Tip-Over Prevention:** Secure the TV stand to the wall using appropriate anti-tip hardware (not included) to prevent accidental tip-over, especially in households with children or pets.
- **Cleaning:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Sharp Edges:** Be cautious of sharp edges during assembly and use.
- **Environmental Conditions:** Avoid placing the stand in direct sunlight or near heat sources to prevent warping or discoloration.

## TROUBLESHOOTING

---

If you encounter any issues during assembly or use, please consider the following:

- **Wobbly Stand:** Ensure all screws and cam locks are fully tightened. If the issue persists, disassemble

and reassemble, carefully checking part orientation.

- **Missing Parts:** Double-check all packaging materials. If parts are genuinely missing, contact customer support with your product model number and a description of the missing items.
- **Damaged Parts:** Do not proceed with assembly if any part is damaged. Contact customer support for a replacement.
