2. SAFETY INFORMATION

Please read and understand all safety information before using the product. Failure to follow these instructions may result in injury or damage.

- **Flammability:** All foam and upholstered surfaces meet flammability standards. Keep away from open flames or high heat sources.
- **Supervision:** Supervise children and pets to avoid entrapment risks within the modular components.
- **Weight Limit:** Do not exceed the maximum weight capacity of 1800 pounds for the entire sofa. Distribute weight evenly.

The Marsail Modular Sofa is designed for hassle-free setup with no tools or complex assembly required. The components are compressed for shipping and will expand upon unpacking.

3.1 Unpacking and Expansion

1. **Unbox:** Carefully remove all sofa modules from their packaging.
2. **Unwrap:** Unwrap each compressed module.

- **Vacuuming:** Regularly vacuum the sofa using a soft brush attachment to remove dust and debris.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading of the fabric.
- **Rotation:** Periodically rotate the modular sections to ensure even wear and maintain the sofa's shape.
- **No Removable Covers:** Please note that the seat cushion covers are not removable for washing.

6. TROUBLESHOOTING

If you encounter any issues with your Marsail Modular Sofa, refer to the following common solutions:

Problem	Possible Cause / Solution
Sofa modules appear flat or not fully expanded.	The foam needs more time to expand after being compressed for shipping. Allow up to 72 hours for full expansion. Gently tap and fluff the modules to aid the process.
Modules slide apart easily.	Ensure the modules are placed on a clean, dry surface. The anti-slip particles on the base should provide sufficient grip. If on a very smooth floor, consider placing a non-slip rug pad underneath.
Minor imperfections in stitching or appearance.	Due to the manufacturing process, slight variations or minor cosmetic imperfections may occur. These typically do not affect the functionality or overall comfort of the sofa.
