Nike HJ8173-400

Nike Calm SE Women's Slides User Manual

Model: HJ8173-400

INTRODUCTION

Thank you for choosing the Nike Calm SE Women's Slides. These slides are designed to provide exceptional comfort and support for casual wear, relaxation, and post-activity recovery. Featuring soft, supportive foam and a textured footbed, they offer a secure and comfortable experience. This manual provides essential information for the proper use, care, and maintenance of your slides.

SETUP

Unpacking and Initial Inspection

1. Carefully remove the slides from their packaging.
2. Inspect both slides for any visible damage or manufacturing defects. If you find any issues, please refer to the warranty and support section.
3. Ensure the slides are clean and free from any debris before first use.

OPERATING (USAGE)

Wearing Instructions

- Simply slide your feet into the slides. The design allows for easy on and off.
- The textured footbed is designed to help keep your feet in place, providing a secure feel.

Intended Use

These slides are ideal for:

- Casual everyday wear.
- Relaxation at home or outdoors.
- Post-workout or post-activity comfort.

Important Considerations

- Avoid prolonged exposure to extreme heat or direct sunlight, as this may affect the material's integrity and color.
- While the footbed offers grip, exercise caution on wet or slippery surfaces.

MAINTENANCE AND CARE

Cleaning Your Slides

1. For general cleaning, wipe the slides with a damp cloth using mild soap and cool water.
2. Gently scrub any soiled areas.
3. Rinse thoroughly with clean water to remove all soap residue.
4. Allow the slides to air dry completely in a cool, shaded area. **Do not** use direct heat sources (e.g., hair dryer, direct sunlight) for drying, as this can damage the material.

Storage

- Store your slides in a cool, dry place away from direct sunlight when not in use.
- Avoid storing them under heavy objects that could deform their shape.

Do Not Use

- Harsh chemicals, bleach, or abrasive cleaners, as these can damage the foam material and color.
- Washing machines or dryers.

TROUBLESHOOTING

Common Issues and Solutions

- **Discomfort:** Ensure you have selected the correct size. Footwear comfort can vary by individual.
- **Slipping within the slide:** The textured footbed is designed to minimize this. Ensure your feet are dry before wearing. If the footbed is dirty, clean it as per the maintenance instructions.
- **Odor:** Regular cleaning and allowing the slides to air out after use can prevent odor buildup.

SPECIFICATIONS

Model Number	HJ8173-400
