SETUP AND PLACEMENT

Upon receiving your Blissful Decor Brass Elephant Figurines, carefully unpack them from their packaging. These figurines are designed for indoor use only.

Initial Placement

Consider the following guidelines for optimal placement, especially if following Vastu methodology:

- The figurines can be placed in various areas of your home or office, such as the living room, drawing room, or on a table.
- Avoid placing them in bathrooms.
- For attracting good luck and health, you may place them near the main door facing outwards, or in the East direction of your house.

MAINTENANCE AND CARE

To preserve the glossy finish and intricate details of your brass elephant figurines, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the figurines with a soft, dry cloth to remove dust. For a deeper clean, use a slightly damp cloth and immediately dry thoroughly to prevent water spots or tarnishing.
- **Polishing:** Over time, brass may naturally tarnish. Use a reputable brass cleaner or polish specifically designed for brass. Apply according to the product instructions, and always buff with a clean, soft cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the brass finish.
- **Handling:** Handle the figurines with care to avoid dropping or scratching them.
- **Environment:** Keep the figurines away from excessive moisture, direct sunlight for prolonged periods, and extreme temperature changes, which can accelerate tarnishing.

TROUBLESHOOTING

As decorative items, these figurines typically do not require complex troubleshooting. However, if you encounter issues related to their appearance:

- **Tarnishing:** If the brass appears dull or discolored, it is likely tarnishing, a natural process for brass. Refer to the "Polishing" instructions in the Maintenance section to restore its shine.
- **Scratches:** Minor surface scratches may be less noticeable after polishing. Deep scratches are permanent and cannot be removed. Handle with care to prevent them.

- **Stability:** Ensure the figurines are placed on a flat, stable surface to prevent accidental tipping.
