HAUOMS B0F74P6X5F

HAUOMS Tall 8 Drawer Black Dresser

MODEL: B0F74P6X5F

Introduction

Thank you for choosing the HAUOMS Tall 8 Drawer Black Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

This dresser features 8 drawers in two distinct sizes: 6 large drawers (13.8"D x 26"W x 7.9"H) and 2 small drawers (13.8"D x 13.0"W x 7.9"H). This design allows for efficient classification and organization of various items such as clothing, toys, blankets, or other personal belongings. Its modern style, characterized by clean lines and a minimalist flat-front design with unique cut-out handles and an elegant beveled base, ensures it complements any decorative style in your room.

Safety Information

Your safety is paramount. Please adhere to the following safety guidelines:

- Always use the provided anti-tipping device to secure the dresser to a wall. This is crucial to prevent accidental tipping, especially in households with children or pets.
- Do not allow children to climb on the dresser or open multiple drawers simultaneously, as this can destabilize the unit.
- Ensure the dresser is placed on a flat, stable surface.
- Distribute weight evenly across drawers to maintain balance.

Image: Illustration of the anti-tipping device securely fastened to the wall, demonstrating how it prevents the dresser from falling forward. A child is shown nearby, emphasizing the importance of this safety feature.

Package Contents

Before assembly, please verify that all components are present and undamaged. Refer to the included parts list in your packaging for detailed identification.

- Dresser panels (top, bottom, sides, back)
- Drawer panels (front, back, sides, bottom)
- Metal drawer slides
- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tipping kit
- Instruction manual

Assembly Instructions

Assembly is designed to be straightforward. All components are numbered, and detailed instructions are included in

your package. We recommend assembling the dresser with a partner for ease and safety.

1. Follow the step-by-step diagrams provided in the separate assembly guide.
2. Ensure all screws and fasteners are tightened securely, but do not overtighten.
3. Attach the anti-tipping device to a wall stud using appropriate hardware.

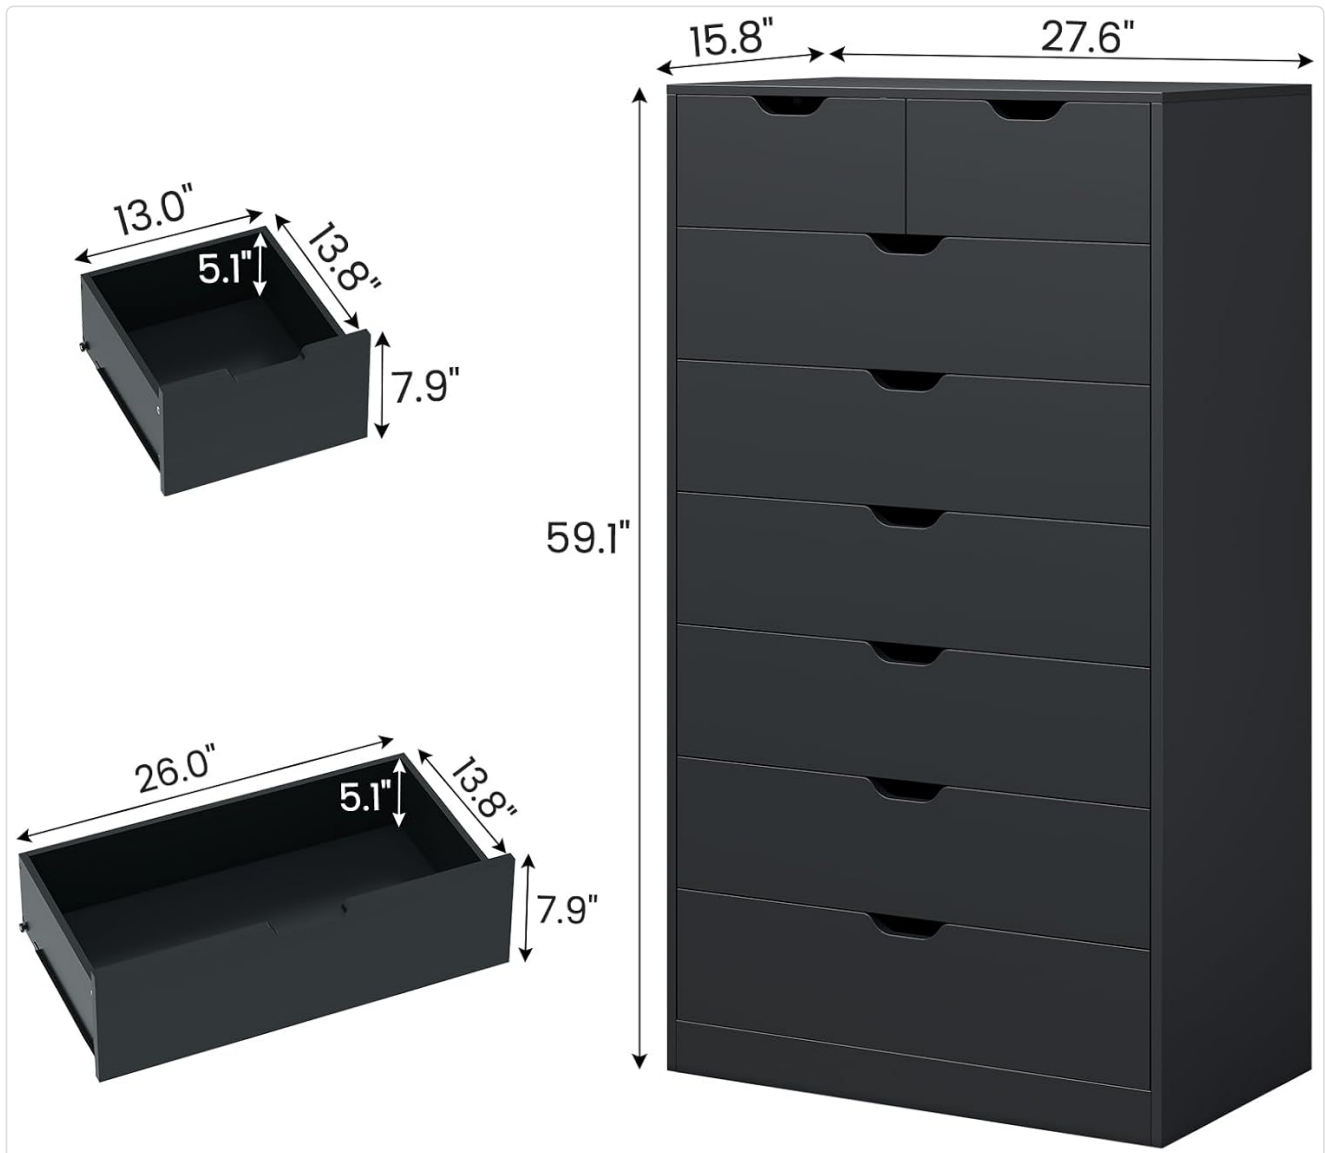

Image: Detailed dimensions of the dresser and its two types of drawers. The overall dimensions are 15.8"D x 27.6"W x 59.1"H. Small drawers are 13.0"W x 13.8"D x 7.9"H, and large drawers are 26.0"W x 13.8"D x 7.9"H.

Operating Instructions

The drawers are designed for smooth operation thanks to premium metal slides. To open a drawer, simply use the unique cut-out handle. Close drawers gently to ensure longevity of the slides and the dresser structure.

Large Storage Capacity

Image: The dresser's interior, highlighting its large storage capacity. It shows various items neatly organized on shelves, demonstrating how the 8 drawers can accommodate numerous clothing articles and accessories.

Maintenance

To keep your dresser in optimal condition:

- Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Periodically check all fasteners and tighten if necessary to ensure stability.
- Avoid exposing the dresser to direct sunlight or extreme temperature changes, which can cause warping or discoloration.

Troubleshooting

If you encounter any issues, refer to the following common solutions:

- **Drawers not sliding smoothly:** Check that the metal slides are properly aligned and free of obstructions. Ensure all screws on the slides are tightened.

- **Dresser feels wobbly:** Verify that all assembly hardware is securely tightened. Confirm the dresser is on a level surface. Re-check the anti-tipping device installation.
- **Missing parts:** Contact customer service immediately with your parts list and purchase information.
