3. SETUP AND UNFOLDING

The Part Synergy B-M-3120 Folding Storage Tote is designed for quick and easy deployment. Follow these steps to set up your tote:

1. **Unpack:** Carefully remove the folding storage tote from its packaging.
2. **Unfold:** Gently unfold the tote completely. Ensure all side panels are extended outwards.
3. **Flatten Base:** Press down on the base insert to ensure it lies flat at the bottom of the tote, providing a stable foundation.
4. **Verify Structure:** Confirm that the tote stands upright and maintains its shape. The internal structure is designed to support itself once fully unfolded.

4. OPERATING INSTRUCTIONS

Once set up, the storage tote is ready for use. Its universal design allows for versatile storage applications.

- **Loading Items:** Place desired items securely within the tote. The spacious interior is suitable for various gear, supplies, or personal belongings.
- **Weight Distribution:** For optimal stability and to prevent tipping, distribute the weight of contents evenly across the tote's base.
- **Portability:** Utilize the integrated handles for easy transport of the tote, even when filled.
- **Folding for Storage:** When not in use, remove all contents, lift the base insert, and collapse the side panels inward to fold the tote flat for compact storage.

5. CARE AND MAINTENANCE

Proper care will extend the lifespan and maintain the appearance of your Part Synergy B-M-3120 Folding Storage Tote.

- **Cleaning:** Wipe down the exterior and interior surfaces with a damp cloth and a mild, non-abrasive soap.
- **Drying:** Allow the tote to air dry completely before folding or storing to prevent mildew or odors. Do not machine wash or tumble dry.
- **Avoid Harsh Chemicals:** Do not use bleach, strong detergents, or abrasive cleaners, as these can damage the fabric and corrosion-resistant properties.
- **Inspection:** Periodically inspect the tote for any signs of wear, tear, or damage to the fabric or stitching.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your folding storage tote.

- **Tote Does Not Unfold Properly:** Ensure there are no obstructions preventing the side panels from extending fully. Check that the base insert is not caught.
- **Tote Does Not Stand Stably:** Verify that the base insert is fully flattened and positioned correctly at the bottom. Ensure weight is distributed evenly when loaded.
- **Difficulty Folding:** Remove all contents and ensure the base insert is lifted before attempting to collapse the side panels.

For issues not covered here, please refer to the support section for assistance.
