Safety Instructions

To ensure safe operation and prevent damage, please observe the following safety precautions:

- Read all instructions before use.
- Keep the lamp away from water or other liquids. Do not operate in wet conditions.
- Do not attempt to disassemble, repair, or modify the lamp. This will void the warranty.
- Use only the provided USB cable or a certified equivalent for charging.
- Avoid direct eye exposure to the LED light source for prolonged periods.
- Keep out of reach of children.
- Do not expose the lamp to extreme temperatures or direct sunlight.

Setup

Follow these steps to set up your DIYEAH LED Desk Lamp:

1. **Unpack:** Carefully remove all components from the packaging.
2. **Initial Charge:** Before first use, fully charge the lamp using the provided USB cable. Connect the USB cable to the lamp's charging port and to a standard USB power adapter (not included) or a computer USB port. The charging indicator (if present) will show charging status.
3. **Positioning:** The lamp features a clip-on base and flexible goosenecks. Attach the lamp to a desk, shelf, or book, or place it freestanding on a flat surface. Adjust the goosenecks to direct the light as needed.

Operating Instructions

The DIYEAH LED Desk Lamp is designed for ease of use with adjustable brightness and flexible positioning.

1. **Power On/Off:** Locate the power button on the lamp base or head. Press once to turn the lamp on. Press again to turn it off.

2. **Adjusting Brightness:** The lamp features dimmable light. Press and hold the power button (or a dedicated brightness button if available) to cycle through different brightness levels. Release the button when the desired brightness is achieved.
3. **Positioning the Light:** Utilize the flexible goosenecks to direct the light precisely where it is needed. The dual light heads can be adjusted independently.
4. **Folding Design:** For portability and storage, the lamp can be folded into a compact form.

Maintenance

Proper care will extend the life and performance of your lamp.

- **Cleaning:** Disconnect the lamp from its power source before cleaning. Wipe the lamp with a soft, dry cloth. Do not use abrasive cleaners, solvents, or harsh chemicals.
- **Charging:** Recharge the lamp when the light dims significantly or turns off. Avoid completely draining the battery frequently to prolong its lifespan.

- **Storage:** When not in use for extended periods, store the lamp in a cool, dry place. It is recommended to charge the lamp every 3-6 months to maintain battery health.

Troubleshooting

If you encounter issues with your DIYEAH LED Desk Lamp, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	Battery is depleted.	Charge the lamp fully using the USB cable.
Lamp does not turn on.	Power button not pressed correctly.	Ensure the power button is pressed firmly.
Lamp is not charging.	USB cable or power adapter is faulty.	Try a different USB cable or power adapter. Ensure connections are secure.
Light flickers or is dim.	Low battery.	Recharge the lamp.
Light flickers or is dim.	Environmental interference.	Move the lamp away from other electronic devices that may cause interference.

If the problem persists after trying these solutions, please contact customer support.
