COCEMORINI COCEMORINI-FM23015

COCEMORINI 6-Petal Acrylic Flower Earrings User Manual

Model: COCEMORINI-FM23015

1. INTRODUCTION

This manual provides instructions for the proper use, care, and maintenance of your COCEMORINI 6-Petal Acrylic Flower Earrings. Please read this manual carefully to ensure the longevity and optimal appearance of your jewelry.

2. PRODUCT OVERVIEW

2.1 Components

- 6-Petal Acrylic Flower Design
- Zircon Center Embellishment
- Stainless Steel Earring Post and Backing

2.2 Features

- Durable Stainless Steel construction for earring posts, designed for general wear.
- Lightweight acrylic petal design for comfortable wear.
- Secure backing for reliable attachment.

Image 2: Detailed view of one earring, highlighting the texture of the acrylic petals and the intricate zircon embellishment.

3. WEARING INSTRUCTIONS

3.1 How to Wear

1. Gently hold the earring by the main body, avoiding excessive pressure on the petals.
2. Insert the earring post through your earlobe piercing.
3. Secure the earring with the provided backing, ensuring it is snug but not overly tight.

3.2 Important Considerations

- Avoid excessive force when attaching or removing earrings to prevent damage to the post or petals.
- Ensure the earring backing is firmly in place to prevent accidental loss during wear.

4. CARE AND MAINTENANCE

4.1 Cleaning

- Wipe the earrings gently with a soft, dry, lint-free cloth after each wear to remove oils, dirt, and residue.
- For deeper cleaning, use a very mild soap solution (e.g., diluted dish soap) and a soft brush (like a soft toothbrush) to gently clean the surfaces. Rinse thoroughly with clean water and dry completely with a soft cloth.
- Avoid harsh chemicals, abrasive cleaners, or ultrasonic cleaners, as these can damage the acrylic petals, zircon, or the stainless steel finish.

4.2 Storage

- Store earrings in a clean, dry place, away from direct sunlight, extreme temperatures, and humidity.
- Keep earrings separate from other jewelry items to prevent scratches or tangling. A soft pouch or jewelry box compartment is recommended.

4.3 General Care

- Remove earrings before showering, swimming, exercising, or engaging in activities that may expose them to moisture, chemicals, or impact.
- Avoid direct contact with perfumes, hairsprays, lotions, and other cosmetics, as these can dull the finish or damage the materials.
- Handle with care to prevent bending or breaking of the acrylic petals or dislodging of the zircon embellishment.

5. TROUBLESHOOTING

5.1 Common Issues

- **Earring feels loose:** Ensure the backing is securely pushed onto the post. If the backing appears worn or damaged, consider replacing it with a compatible one.
- **Loss of shine:** Clean the earrings as described in the "4.1 Cleaning" section. Regular and proper cleaning helps maintain the luster of the acrylic and zircon.
- **Skin irritation:** While stainless steel is generally considered hypoallergenic, individual sensitivities vary. If skin irritation, redness, or itching occurs, discontinue use immediately and consult a medical professional.

professional.

- **Petal damage:** Acrylic can be brittle if subjected to impact. Handle with care to prevent chipping or breaking of the petals.

6. SPECIFICATIONS

6.1 Product Details

Property	Detail
Model Number	COCEMORINI-FM23015
Brand	COCEMORINI
Material	Acrylic (petals), Zircon (center embellishment), Stainless Steel (post and backing)
Metal Type	Stainless Steel
Gem Type	Zircon (simulated gemstone)
Product Dimensions	Refer to product listing for exact measurements.
