Madesa GRAG180010J5

Madesa Hazel Kitchen Set (Model GRAG180010J5) Instruction Manual

PANTRY STORAGE AND BASE CABINET UNIT

Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your Madesa Hazel Kitchen Set. This unit includes a 3-door pantry cabinet and a 2-door base cabinet, designed for efficient kitchen storage. Constructed from high-quality engineered wood with a durable finish, this modular set offers both functionality and a modern aesthetic.

Safety Information

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or product damage.

- Ensure proper assembly and mounting.
- Do not exceed the weight capacity of **11 lbs (5 kg) per shelf** in the base cabinet and **33 lbs (15 kg) per shelf** in the pantry cabinet.
- Be cautious of pinch points when operating doors with soft-close hinges.
- Follow all provided instructions for safe use and maintenance.

Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Pantry Cabinet Unit (1)
- Base Cabinet Unit (1)
- Hardware Kit (screws, dowels, hinges, handles, adjustable feet)

Assembly Instructions

Assembly requires two people for optimal safety and ease. Please follow the user-friendly illustrated instructions included in your package. A QR code for video instructions is also provided for visual guidance.

1. **Unpack and Organize:** Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Identify each part using the included diagram.
2. **Assemble Pantry Cabinet:** Follow the step-by-step illustrations to construct the tall pantry cabinet, ensuring all panels are securely fastened. Install the soft-close hinges and metal handles as directed.
3. **Assemble Base Cabinet:** Proceed with the assembly of the base cabinet, attaching the panels, shelves, soft-close hinges, and metal handles according to the instructions.
4. **Attach Adjustable Feet and Plinth:** Install the adjustable feet to the bottom of both cabinets. The plinth (skirting board) is removable and can be attached or removed based on your preference.
5. **Position and Secure:** Once both units are assembled, carefully position them in your desired location. Ensure they are level using the adjustable feet.

Operating Instructions

Your Madesa Hazel Kitchen Set is designed for optimal storage and organization.

- **Pantry Cabinet:** The tall pantry cabinet features 3 doors and 5 internal compartments, providing ample space for dry goods, small appliances, or kitchen essentials.
- **Base Cabinet:** The base cabinet includes 2 doors and 3 compartments, suitable for pots, pans, dishes, or other kitchen items.
- **Soft-Close Hinges:** All doors are equipped with soft-close hinges, ensuring quiet and gentle closing to prevent slamming and extend product life.
- **Metal Handles:** The durable metal handles provide easy access to all compartments.

Maintenance and Care

To ensure the longevity and appearance of your Madesa Hazel Kitchen Set, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the high-durability finish.
- **Spills:** Clean up spills immediately to prevent moisture damage to the engineered wood.

- **Weight Distribution:** Distribute weight evenly across shelves and do not exceed the stated weight capacities to prevent warping or structural damage.
- **Environmental Conditions:** Avoid placing the unit in direct sunlight or near heat sources, which can cause discoloration or material degradation.

Troubleshooting

If you encounter any issues with your Madesa Hazel Kitchen Set, refer to the following common solutions:

- **Wobbly Cabinet:** Ensure the adjustable feet are properly extended and making firm contact with the floor. Adjust each foot until the cabinet is stable and level.
- **Doors Not Closing Properly:** Check the alignment of the soft-close hinges. Adjust the screws on the hinges to realign the doors. Ensure no items inside the cabinet are obstructing the door's path.
- **Missing Hardware:** Double-check all packaging materials. If hardware is genuinely missing, contact Madesa customer support for replacement parts.
- **Scratches/Dents:** For minor cosmetic damage, touch-up pens or furniture repair kits designed for engineered wood can be used.
